At the present rate of increase of subscriptions to The Courier it will not be many moons before circulation will be more than double the number of subscribers there were 18 months ago. We hope you will see your neighbors and friends and get some one or more to subscribe. If every subscriber we have will get us one new subscriber by the 20th of July we will greatly appreciate it. We hope our friends will try to do this for us and we will try to give you the best paper we possibly can.

Prof N W Walker has been elected to a professorship in English at the State University and has accepted the position. Prof Walker has for two years been the most efficient and capable superintendent of the Asheboro Graded Schools. Under his management the school has grown steadily in efficiency and in public favor. Mr Walker is a gentleman not only of fine scholarship but possesses an unusual amount of good common sense. Two of his strong points are his excellent discipline and thoroughness in all departments.

Mr Bruce Craven, now visiting with his wife at his mother's home in Trinity, has been elected superintendent of the Graded schools of Morganton. The position is an excellent one and pays a high salary. Mr Craven recently reported the proceedings of the State Teacher's Assembly for the Raleigh Morning Post and the reports were much complimented and the Post in speaking of his election says editorially that the Morganton school board is to be congratulated on securing him who is mentioned as a young man of "strong ability and sterling character."

The editor of the Courier acknowledges the of many kindnesses and courtesies extended to him and his friends by Messrs C E Blair and G A Blair during the recent session of the National Editorial Association at Guthrie Oklahoma. Both these young men, who formerly lived in Asheboro are now connected with one of the largest and most prosperous newspapers in the west and both hold important and lucrative positions, one is connected with the mechanical department and the other is advertising manager and solicitor of the Guthrie Oklahoma State Capital, a paper having a capital stock of some $150,000 invested. One remarkable thing about this paper is that every one connected with the paper is a young man. No important position is held by any one over 25 or 26 years of age.

The good people of Moore county are to meet in their county court house on the 6th day of July to organize a county historical society. We would be glad to see a similar organization under way in Randolph.

County Sunday School Convention.

The County Sunday School Convention convenes at Liberty the first week in August, the dates being Aug 3rd and 4th.

DEATHS.

Albert H Allen, aged 50 years died at his home at Cedar Falls on Friday June 16th 1905 after a week's illness of peritonitis and appendicitis. He leaves a wife and five little children, the oldest being fourteen years.

Mr Allen was a good christian man, born in Alamance county, spent most of his life as a machinist in a cotton mill and for many years was a cotton mill overseer and superintendent.

He was always trying to help some one. During the past winter he organized a night school among cotton mill children and taught them free in the rudiments of an education.

No one ever doubted or questioned the honesty or integrity of his motives. His was the life of a christian who had faith in God and lived up to the faith.

Mrs Asbury, wife of Dr F E Asbury, of Asbury, Montgomery county, died after a long illness, and was buried at the family burial ground near the home of Dr Asbury on Monday of this week. The deceased was a daughter of the late James Coble who lived for many years at Cedar Falls, but who afterwards moved to his farm near Worthville.

Mrs Asbury was all her life an exemplary, devout christian, a member of the M E church, south, and impressed every one who knew her with her christian graces and kind and generous disposition. For many years she has been a great sufferer from bodily affliction, but she bore the burdens of life with a Christian fortitude.

A sudden attack at night of some form of Bowel Complaint may come to anyone. Every family should be provided with a bottle of Dr Seth Arnold's Balsam. Warrauted by Standard Drug Co.

Obituary.

Emma Coble Asbury, wife of Dr. F. E. Asbury, after a lingering illness of four months, departed this life June 18th, 1905, and was laid to rest in the church yard at Asbury, Monday afternoon at 2 o'clock.

She leaves a husband, six daughters, one son and hosts of relatives and friends to mourn their loss. We sorrow not as those who have no hope, for we know that our loving Father called her to the beautiful mansion that he went to prepare for her. At an early age she professed religion and joined the M E church of which she lived a consistent member all the days of her life. We will miss her in the church, the home and in the community.

At eleven o'clock Sunday morning she called her children and friends around her bidding them good bye and asking them to meet her in Heaven. A little later cheerfully, gladly her spirit left her mortal body to put on immortality Truly this was an ideal, triumphant death

Her beautiful Christian life and death encourages us all to live a higher purer life. We extend to the bereaved husband and children our sympathy.

The Grub house cost Davidson county $2,024.43.

WOOD'S Seed Potatoes
IN COLD STORAGE
For Late Planting.
Planted in June and July, these yield large crops of fine potatoes ready for digging just before cold weather comes on, carrying through the winter in first-class condition for either home use or market. By our methods of carrying these Late Seed Potatoes in cold storage, we are enabled to supply them unsprouted and in first-class, sound condition, just when they are required for late planting.
Book your orders early so as to get the kinds you want, but don't order shipment until you are ready to plant, as the potatoes commence to sprout very soon after being taken out of cold storage. Prices quoted on request.
We are headquarters for Cow Peas, Soja Beans, Millet Seed, Sorghums, etc. Seasonable Price-list telling all about seeds for summer planting, mailed on request.
T. W. Wood & Sons, Seedsmen, RICHMOND, - VIRGINIA.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F J CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.
Take Hall's Family Pills for constipation.

Randleman Items.
