

DO YOU GET UP WITH A LAME BACK?

Many Trouble Makes You Miserable. Almost everybody who reads the newspaper is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will find relief for you. It has been tested in so many ways, in hospitals, work and in private practice, and has proved successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. Write for this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty-cent and one-dollar bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Birmingham, N. Y., on every bottle.

CHURCH ORGANS.

I happened to think a few days ago that I had not spoken to the Courier, (to use a musical phrase) for some time, and since last winter possibly you have seen some of the organs I have on all the hills upon their thousand leaves. I know I am a crude and unskilled workman. I lack those classic symphonies which make many of my organs of the first class. I say this by way of apology for writing, knowing that a lame excuse is better than none.

"They've got a brand new organ here." "Ain't it ever your voice?" "To praise the Lord by now."

While reading these old verses some time ago I fell into a train of thoughts which led me quite a distance from the organ trade.

In the first place I fell to arguing the advisability of using the organ in our churches and by organ I do not mean the grand pipe organ, which is a beautiful part of the church, and without which the service would be almost a failure, but I mean some call harmonium, and which amount to just simply a source of excitation in the church and Sunday school for strange to say, I have seen many of these organs in our churches, and in other places, and I am sure that they are doing more harm than good.

"Oh! what visions of glory excite around this organ!" I have seen many of these organs in our churches, and in other places, and I am sure that they are doing more harm than good.

But it takes so little to make some people happy and so many to render someone unhappy. I have seen many of these organs in our churches, and in other places, and I am sure that they are doing more harm than good.

The Boys Who Work.

You feel, young fellow, that you have a hard time? You hours are long. Your task is hard and the wages rather small. The contents of your weekly pay envelope will scarcely carry you over the week. Sometimes you must wear patched trousers or a frayed coat. Your employer expects a great deal more from you. Other fellows dress well and always have money. They have cunning fathers or mothers, while you toil six days a week to make a living.

Never mind, young man. You are way ahead of the boy who has every luxury at home. You are getting experience that he must get somehow later on. Be patient, sooner or later, he must fight the real battle of life for himself. And you have the advantage. While life has been made easy for him, he lacks the drill and discipline which every life soldier must go through. He may go in without preparation. Work is a great blessing. You cannot see it now, but some day you will say that you were fortunate in your boyhood, because you were compelled to work, because you cannot get power to do things save by doing them. Look over the successful men you know. Get their history. Nearly every one was compelled to work in boyhood. They toughened their muscles by hard work and sharpened their wits by looking out for themselves.

Work makes men. Luck usually fails. Pinch never always wins. To succeed in anything one must overcome obstacles. Force and fiber are built up by hardships. Often they are helps. You will understand this better in twenty years. Meantime permit me to advise you in this:

Hang onto your job until you are sure of a better one. Dependable boys are in demand. And no boy can be depended on who does not finish the task he sets his hand to do.

However disagreeable your work, do it thoroughly. Do it better than the average boy will do it. In that way you will come to be known as a dependable boy. And mind you this: Men everywhere are looking for capable, honest, gritty, dependable boys. The sooner you let people know that you are that kind of a boy, the sooner you will get a better job.

And don't be in a hurry to give up the work you already have. Be sure something better is offered. Wait awhile. Do your work well. Promotion will come. And do not envy the boy who has an easy time. You would much better pity him. He has a good time now, but some day he must "make good". With his flabby muscles and his easy habits and his money wants he stands a far poorer chance than you. Remember above all, young fellow, you are making a man of yourself.—Palatka News.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. Buy It Now.

Now is the time to buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is certain to be needed sooner or later and when that time comes you will need it badly—you will need it quickly. Claud Bernard, the traducer of innocent virtue, the despoiler of a home, has put space between himself and a bullet, while Dockery, no better except that he is younger lies weltering in his lecherous blood called to account by an irate father, drives to desperation and madness by the act of a man who cries out when caught up with, "I was not the first." While in the young women, almost children in years, acted unwisely to my taste, yet he would believe a word by either Bernard or Dockery with reference to the virtues of women.

CHOLERA INFANTUM.

Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey, of Agnewville, Va, was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it until before she had taken the half of one small bottle she was well." This remedy is for sale by Standard Drug Co Asheville Drug Co Asheville, W. A. Underwood Randlemann.
