Mr John M. and left Jast night for his home in West Salem. Le Crue son in V. Wissensin, after spanding some time base.

Jer Median's father was born and exist near the forth ground, but he foreself but these been on Gailford soil until within the last few date.

He had some difficulty in finding any of his relatives, but by inquiry at the office of the register of deeds he found that there were some McCaiv's in and near Ashebors So he went down there. Mrs McCaiv, the perfect the some found to be a consint finis by marriage. And he found several blood relations in the form of cousins more were less responsed.

ctions in the form we rises removed.

Mr McCain expects to come back ast to live. The will seithe either a Virginia or in North Carolina. Die climate here is what attraction, accustomed us he is to the flered to the weak of the company of of t the crimate nery is what attracts than, accussioned as he is to the fierce rigors of the Wisconsin winters. He says that all that is needed to start a stream of immigration into this country from the great northwest is simply to convince the people there how much milder the climate is down in these parts.—Greensboro Telegram

Mr McCain is also related to ex sheriff McCau of Stanley county one of the best sheriffs any county in the state over had.

Public School Examinations.

The next public examination for toochers certificates will be held at the court home in Ashebero October 17 14. The 17th and 13th will be for white teachers; the 14th, for colored.

For the convenience of these who live a long distance from Ashebara I will hold public examinations at the following time sund places: Liberty, October 23th, Ramesur, October 25th, Why Mot Academy October 27, Randleman, October 28th I hope that all who expect to beach will meet me at one of these examinations, as it is necessary to

examinations, as it is necessary to have a certificate before making a have a certificate before making a contract to reach a public action. Before beginning the schools it will be necessary for teachers to have a clear understanding of the use of the new public school registers and blanks, and more especially, the course of study to be treed in the public schools. These will be a gourse of study to be used in the public reducels. There will be a teachers' meeting in the graded school building at Ashebess on the 14th of October, and every public school teacher will be required to at-tend. The programme will be an-unanced in the county papers later on.
