

**RANDLEMAN JUNIORS.**

**At a Recent Meeting of Council No. 31 the Following Resolutions Were Adopted.**

WHEREAS, we recognize the landing on our shores of the ignorant, the vicious, the lawless, the aged, the imbecile, the weak-minded and of poor physique, and the paupers of the old world as a constant menace to our institutions, and believe that it should be viewed with alarm by all loyal and patriotic citizens of the entire country, and,

WHEREAS, notorious abuses have resulted from careless and unlawful granting of citizenship to aliens, therefore be it

RESOLVED, that we urge upon the Senators and Congressmen the importance of the enactment of laws to restrict immigration by an increase of the head tax, the educational test, although physical examination and a more rigid inspection at the port of embarkation; and, be it further

RESOLVED, that we urge upon the Senators and Congressmen the importance of a revision of our system of naturalization by the enactment of such laws as will require uniformity of naturalization certificates, confine the jurisdiction of naturalization of aliens to the United States Courts, and permit no alien to be naturalized or entitled to the privileges of an elector until he shall have resided in the United States ten years at least and is able to read intelligently and write.

I hereby certify that the foregoing resolution were adopted at a regular meeting of the Randleman Council, Junior Order United American Mechanics, held on the 4th day of January, A. D., 1906, and that this Council has a membership of seventy-one in good standing.

**Forget Yourself.**

Forget yourself. You will never do anything great until you do. Self-consciousness is a disease with many. No matter what they do, they can never get away from themselves. They become warped upon the subject of self-analysis, wondering how they look, how they appear, what others will think of them, how they can enhance their own interests. In other words every thought and every effort seems to focus upon self; nothing radiates from them.

No one can grow while his thoughts are self-centered. The sympathies of the man who thinks only of himself are soon dried up. Self-consciousness acts as a paralysis to all expansion, strangles enlargement, kills aspiration, cripples executive ability. The mind which accomplishes things looks out, not in; it is focused upon its object, not upon itself.

The immortal acts have been unconsciously performed. The greatest prayers have been the silent longings, the secret yearnings of the heart, not those which have been delivered facing a critical audience. The daily desire is the perpetual prayer, the prayer that is heard and answered.—O S Mardin in "Success Magazine."

A reasonable amount of food thoroughly digested and properly assimilated will always increase the strength. If your stomach is a "little off" Kodol Dyspepsia Cure will digest what you eat and enable the digestive organs to assimilate and transform all foods into tissue building blood. Kodol relieves Sour Stomach, Belching, Heart-Burn and all other forms of Indigestion. Palatable and strengthening. Sold by Standard Drug Co and Asheboro Drug Co., Asheboro, N. C.

Bennett and Morgan's rectifying establishment was burned at Marion last week intalling a loss of \$30,000 with small insurance.

Indigestion is easily overcome by the use of Kodol Dyspepsia Cure, because this remedy digests what you eat and gives the stomach a rest—allows it to recuperate and grow strong again. Kodol relieves Indigestion, Belching of Gas, Sour Stomach, Heart-Burn etc., and enables the digestive organs to transform all food into the kind of rich red blood that makes health and strength. Sold by Standard Drug Co and Asheboro Drug Co Asheboro, N. C.

The soothing and comforting effects of DeWitt's Witch Hazel Salve, when applied to piles, sores, cuts, boils etc., subdues pain almost instantly. This Salve draws out the inflammation, reduces swelling and acts as a tubefacient, thus circulating the blood through the diseased parts, permitting or aiding Nature to permanently remove the trouble entirely. Sold by Standard Drug Co. and Asheboro Drug Company, Asheboro N. C.

**Every Two Minutes**

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

**SCOTT'S EMULSION**

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

We will send you a sample free. Be sure that this picture is the form of a seal on the wrapper of every bottle of Emulsion you buy. SCOTT & BOWNE Chemists 229 Front St., N. Y. 32 cents and \$1.00 All druggists

**FOR CONSUMPTIVES.**

**Some Suggestions Regarding Pulmonary Trouble.**

"Prevention is better than Cure and far cheaper."—John Locke. Consumption is not hereditary. It does not belong to our climate. It is very often cured.

Consumption is usually carried by the poison which comes from the consumptive's sputum or spit. Sick persons should take care to burn their spit or put it into the water closet.

The trouble now is that consumptives spit upon the floor or in the street. The poisonous sputum then dries and goes as dust into other people's lungs. A little spit is enough, when scattered in dust, to infect dozens of people.

**GOOD FOR WEAK LUNGS.**

Fresh air in plenty prevents consumption. Sunshine kills the germs.

Choose sunny rooms. Open the windows and let the air in. If a consumptive has moved out of a room, have the Board of Health disinfect it.

Be in the open air as often as you can be. Outdoor work is vastly better than indoor work. Keep the feet dry. Breathe with deep, long full breaths, so as to carry the fresh air to every corner of your lungs. Do this always for several minutes in the morning and at night. Breathe through the nostrils, and not through the open mouth.

Spend your money for simple and well-cooked food, good fresh meat, eggs, oatmeal, rice and vegetables, and for bread and butter, milk and fruit.

Do not spend money for beer or other liquors, or for quack medicines or "cures."

**SPECIAL CARE SUGGESTIONS.**

Do not sleep in the same bed with a consumptive.

Whenever any one of your family has been ill or seems weak or run down, build up the strength at once with nourishing food, extra rest and sleep and fresh air.

If one has a bad cold or a cough, and it does not grow better very soon, go at once to a physician. Don't wait till it is too late.—Exchange.

Mr K Kennedy was in to see us Monday. He said this was the first "white" New Year's day he had ever seen in North Carolina; that one year he was in Ohio on New Year's day and the earth was wrapped in a mantle of snow, and that the people said it portended a healthy year.—Carthage Blade.

**A TRUTHFUL OBITUARY.**  
**The Editor Probably Had To Change His Location.**

A Michigan editor grew tired wielding the whitewash brush in matters of obituaries, decided to reform and tell the truth, just once. He commenced as follows on a well known citizen: "Died aged 57 years, six months and twelve days. Deceased was a mild mannered private with a mouth for whiskey and an eye for hoodlum. He came here in the night with another man's wife and joined the church at the first chance. He owed us seven dollars on the paper, a large meat bill and you could hear him pray six blocks. He died singing, "Jesus Paid It All" and we think he was right, as he never paid anything himself. He was buried in an asbestos-lined casket and his many friends threw palm leaf fans in the grave, as he may need them. His tombstone will be a resting place for hoos ows."—Michigan Newspaper.

Mrs. Jane Currie, widow of the late John R Currie, died at her home in Orange county recently, at the age of 96 years. She was a native of Moore county, and was the daughter Archibald Black and grand-daughter of Kenneth Black, who was killed by Alston and his men on a raid during the Revolutionary war. It was on account of his death that David Fanning attacked Col Alston in his home where Mr Anderson Jones now resides, and which still shows the bullet holes.—Carthage Blade.

For coughs and colds no remedy is equal to Kennedy's Laxative Honey and Tar. It differs from all others—better because it expels all cold from the system by acting as a cathartic on the bowels. Affords immediate relief in Croup, Coughs, Colds, Whooping Cough, etc. Children love it. Sold by Standard Drug Co and Asheboro Drug Co, Asheboro, N. C.

The preliminary report of the government authorities show that North Carolina produced last year 3,694 fine ounces of gold worth \$79,400 and 2,547 fine ounces of silver worth \$1,554.

**Often The Kidneys Are Weakened by Over-Work.**

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty. If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
