CEDAR FALLS. A Plea for Education and Good Roads—Personal. Mr G N Tillman spent Sunday with friends at Gulf. Miss Mamie Free visited Miss Annie Brady Sunday. We had another little wreck on the Southern near town Friday morning but no damage done. The train has been wrecked at this place several times heretofore, but Capt Peak is doing a special job of work at this point which he hopes will prevent any future trouble. Mr John W Glass, of Wilson, N C, has been spending a week with his mother and friends. He returned Monday to resume his duties as book keeper for the Pierce-Whitehead Hdw Co of that place. We are having a good school here, although our teacher has had so many drawbacks. We have a good modern school building, erected principally through the efforts of that grand old man Mr O R Cox, who is always interested and anxious to encourage and help young people whom he sees trying to do some good. But the people, or some of them at least, do not appreciate their good teacher nor the nice comfortable school building for there is only one boy from the lower part of this little village attending school now and he is a little negro and is going three or four miles in the country to attend a school. And another thing I want to say, any farmer that isn't in favor of better roads in this county—well he isn't very progressive—that's the mildest dose I have. Ramseur Items. Mr Thomas L Jones died at his residence January 17th, aged 41 years. Mr A K Wilson died at his home in Ramseur January 19th, aged 50 years. A grave silence was cast over Staley Monday evening when the death of Mrs C P Fox was announced. She died about eight o'clock having endured much suffering without a murmur during her illness. She leaves a husband and two daughters, and many relatives and friends to mourn their loss. There was a large attendance at the funeral services Tuesday. The interment was in the new cemetery recently located here. The family and many friends note with sadness her departure but they realize that she has passed from this earthly house to the house of many mansions on high. Long will her motherly tenderness and affection live in the hearts of her children. Mrs Fox was the daughter of Mr Oram Welch of Chatham county. B.

BEST BLOOD PURIFIER ON EARTH.—A TESTIMONIAL FROM A MINISTER. Lenoir, N C, June 5, 1901 During the past ten years I have had occasion to use Mrs Joe Person's Blood Purifier in my family several different times and always with the very best effect. While real estate is advancing from natural causes yet it is not policy for the holder not to attempt to increase its value; and there is nothing that will enhance the value of real estate more rapidly than a judicious selection of fruit, shade, and ornamental trees, vines and plants. They are continually at work, converting properties in the air and soil into a cash value. In making a selection, native trees, which have been tested and known to be hardy, should be planted. One Of The Results of liberally using our fertilizers, is to pay off a mortgage on the old farm. Read the following from Messrs. It was then considered so low because worn out twenty years before, but by liberally using Virginia-Carolina Fertilizers under pens and velvet beans, we can now grow almost anything, and have been offered \$200 per acre for the place. We experimented with a great many brands of fertilizers, but had the highest per cent. cheaper." Ayer's Hair Vigor Falling hair means weak hair. Then strengthen your hair; feed it with the only hair food, Ayer's Hair Vigor. It checks falling hair, makes the hair grow, completely cures dandruff. And it always restores color to gray hair, all the rich, dark color of early life. My hair was falling out badly and I was afraid I would lose it all. Then I tried Ayer's Hair Vigor. It quickly stopped the falling and made my hair all I could wish it to be. HERSCHEL E. ALLEN, Elmhurst, N. J. \$1.00 a bottle. All druggists. J. C. AYER & CO., Lowell, Mass.
