

DAUGHTERS OF CONFEDERACY.

Organization of a Chapter Urged for Asheboro and Randolph County.

THE COURIER is requested to publish the following which was received by one of the Confederate daughters in Asheboro a few days ago.

To the Ladies of Randolph County.
It is earnestly desired that the ladies of Asheboro and surrounding country shall organize a chapter of Daughters of the Confederacy at an early day. The objects of the N. C. Division of United Daughters of the Confederacy:

1. To give assistance, when needed, to survivors of the war and those dependent upon them.
2. To honor the memory of those who fell in the service of the Confederate States, and to remember gratefully those survivors who have served faithfully and suffered and remained loyal to the Confederate cause.
3. To collect and preserve relics, incidents and objects of historic value, to record deeds of heroism of Southern men and women, and to unite with the Confederate veterans in the determination that the portion of American history relating to the late war shall be properly taught in the public schools of the State, and to use its influence towards this object in all private schools.

Those women entitled to membership are "the widows, wives, mothers, sisters, nieces and lineal descendants of such men as served honorably in the Confederate army, navy, or civil service; or of those men unit for active duty who loyally gave aid to the cause; also women and their lineal descendants, wherever living, who can give proof of personal service and loyal aid to the Southern cause during the war."

Seven or more ladies who are eligible to membership under the above list shall meet, name chapter desired to be chartered, sign their names to the paper as "Charter Members," and send it with \$5.00 to Mrs. Henry A. London, State President. She will endorse it and send it to the proper authorities for the charter. With the charter will be sent 100 membership blanks to the new chapter president. The organization must be perfected by the election of officers, and their names must be sent to the State President and also to the Recording Secretary, Mrs. F. Williams, of Newton. Every application must be signed by a Confederate veteran who knows of the services of the soldier under whom the lady is joining. There are now in our North Carolina Division 49 chapters and 13 children's chapters.

There were many Confederate veterans who performed wonderful acts of valor, but in our eyes every man who wore the Gray was a hero. We honor them all while living, and mark and decorate their graves with flowers when dead. Our motto is "Haud Obliviscendum" "Never to be forgotten." This chapter of Daughters of the Confederacy will assist the veterans in having their county reunions, give them "Crosses of Honor" in remembrance of their brave deeds and give help to the sick and needy. The Daughters of the Confederacy will encourage to recount their experiences and to tell the young generation the truth about the war and the causes that brought it on. And they will gladly listen to the veterans. For "not many years shall pass ere the last of those who followed the fortunes of Lee and Jackson, of Johnson and Forrest, shall have set sail on that shoreless sea, and the last tread of the old Confederate regiments whose march shook a continent shall be echoing in Eternity."

In Memoriam.

Mrs. W. B. Owens, who has suffered for several months, past away Tuesday, February 6th 1906. She suffered much, but seeming to think it was God's will, she bore it with patience. She was a true Christian and in her last hours she prayed for the people of Star. She loved her church. It was our loss and Heaven's gain. May God help us all to live the life she lived. Her influence will ever be with us and although she can't be with us in person she will be with us in spirit. Her loved ones have our sympathy in their sad bereavement and may God help them to bear their grief.

She is sleeping sweetly sleeping, in a new made grave-to-day,
We are weeping, sadly weeping for our dear one gone away;
If she is waiting, only waiting for the friends she loved the best,
She will gladly hail their coming to the mansion of the blest.
Yes happy thought, when we are free from earthly grief and pain
If in Heaven we shall each other see to never part again.

The Staley mill pond was drained on the 10th and about six hundred pounds of fish were seined out including forty four nice carp, the excellent flavor of the fish is attributed to the clear water of the pond which is from one-half to one mile below the source of several large springs.

A BANK WORTH CONSIDERING.

There are two kinds of strong banks. One has grown strong through age, through the natural growth and wealth of the community; the other through its own persistent efforts backed by ability and worth.

The Wachovia Loan and Trust Co. is twelve years old; has resources exceeding FOUR MILLION DOLLARS. It has won the confidence of the people because of its large capital and profits, (\$700,000.00,) safe methods and the character of its stockholders and directors.

This bank would have to lose \$700,000.00 before a depositor could lose one cent. It has ever been among the first to adopt methods which now characterize present day banking, looking to the
