

The Asheboro Courier

PRICE ONE DOLLAR A YEAR

Wm. C. HAMMER, Editor.

Entered at the Post Office at Asheboro as Second Class Matter.

THURSDAY, March 1, 1906. 1

It is understood that Deputy Marshal Jos Millikan, the wag of the Federal building, wishes it distinctly understood that if, as is currently predicted, the next republican state convention is to be held in the penitentiary, he is in no sense a candidate for the place of delegate and that if chosen he will positively refuse to serve.—Greensboro Telegram.

To Advertisers.

THE COURIER has spent large sums of money in working up its circulation and to-day it thoroughly covers Randolph and adjoining counties besides having a large list throughout this and other states. But we are working to build up Randolph county and the Piedmont section of North Carolina.

To this end we have built our circulation, that our advertisers and the community might secure the greater publicity. We improved our plant and enlarged our paper—all of which necessarily increases expenses.

Hence this article notifying our advertisers that after March 1st, 1906, the advertising rate is as follows:

Per inch one time 25c
" " month 20c
" " two months 17c
" " three " and over 15c

Reading notices will be charged at the rate of one cent per word. All bills payable monthly.

Our circulation is not made up of dead heads and exchanges, but paying subscribers, who send us the cash for their subscription. Few are more than six months in arrears and many are paid in advance. This shows that we circulate among a prosperous people—the class that advertisers desire to reach.

THE COURIER appreciates the patronage accorded it in the past and pledges every effort, to give value received for future business placed with us.

Our Big Clubbing Offer.

By special arrangement with The Southern Agriculturist, the popular semi-monthly farm paper of Nashville, Tenn., we are able to give our readers the advantage of a clubbing offer which we believe is the most liberal ever made by any newspaper in the South.

In the first place, we will send the Southern Agriculturist a whole year free to any new or old subscriber who pays us for a year's subscription to our own paper.

This great semi-monthly farm paper goes twice every month into 50,000 southern homes, and the regular price is 50 cent a year. It is edited by southern men and women to suit southern conditions, and is just what our farmers need. It answers free of charge any question a subscriber may ask, and its advice is given in a plain, practical way which any farmer can understand. All departments of farm life are covered, including delightful home and children's pages. Sample copies free at our office.

HERE IS OUR BIG ALL-SOUTHERN BARGAIN.

Victor to Victor.

[Frank D. Woolen in "Success Magazine."] I am so worn and weary with this life; Take, then, my shield. Defeat is better than wounding strife; Come, then, I yield. Victorious wreaths, upon your pasting breast You may enroll; For me, the vanquished, life hath lost its zest, And seeks no goal!

But, hold! I shall not so in battle fall. Once more the helm I firmly grasp and furl defiant sail! Unto that realm Where heroes bide I point my vessel's prow; And though I fall Before I win the coast, I yield not now, — Nor yield at all!

A Guaranteed Cure for Piles.

Itching, Bleed, Bleeding, Protruding Piles. Druggists are authorized to refund money if PAIN OINTMENT fails to cure in 8 to 14 days. 50c.

To every person sending us twelve subscribers at one time with twelve dollars, we will give a handsome water set the best made, or, if you prefer, a set of genuine Rodgers knives and forks, either of these sell anywhere for \$5.00 to \$6.00. Or to any person, who will send us 18 subscriptions with \$18.00, we will send both these premiums.

But that is not all, we make another offer that every body can get and that is that every worker, who will send us six subscriptions at one time accompanied by \$6.00, we will give a fine porcelain, 30 piece breakfast set or for five subscriptions we will give a handsome stereoscope and 48 colored scenes from all parts of the world. This breakfast set never sold for less than \$4.00 and it is worth \$6.00 anywhere and the stereoscope and views are worth fully as much as the breakfast set, or if any worker will send us 10 subscriptions accompanied by \$10, we will send both these handsome premiums.

We know you will wonder how we can make such a remarkable offer. To be frank with you we couldn't if we did not know from experience that three-fourths of the new subscribers obtained in this way will be turned into regular subscribers at the end of the year. We are paying you handsomely simply to get them started for us. The merit of the paper itself will do the rest and in the long run we will make a profit and you will be doing your community a good turn by inducing the people to read a paper which teaches them how to make more money from their farms and in various occupations.

To everyone who sends us as much \$100.00 for subscriptions and job work together we will give a Champion New Home Sewing Machine.

Any young man who wants a pair of "Keiths Konqueror" shoes, or a pair of celebrated King Bee shoe, or a pair of Crossett's best shoes, each and every pair sells for \$5.00 the world over, or if you want free the best railroad watch ever made you can learn how to get them free by getting subscriptions or job work for THE COURIER.

Now the facts are all before you and the contest is on. DON'T WAIT UNTIL TO-MORROW TO BEGIN WORK. Start now and keep it up, if you want one of the big prizes. We will send you sample copies, if you ask for them, but we do not furnish receipts and subscription blanks except direct to the subscribers upon receipt of the list and amount enclosed. An ordinary piece of paper will do. Don't send stamps. Put the silver dimes in an envelope and fold it up and put in another envelope which bears the stamp and address and they will not be lost. Spring Styles Are Here.

The Remnant Sale recently advertised in these columns was a greater success by far than we expected. Our customers swept our counters and shelves almost clear of all goods of this class. Believing the ladies of Asheboro and Randolph county would appreciate the opportunity to select their spring dresses and furnishings before warm weather begins we have filled our counters thirty days early with the most complete and attractive line of

Dress Goods, Laces, Embroideries, Etc,

ever shown by us. They embrace all the most popular fabric and patterns. A few we mention which are popularized in fashion centres, and will be largely worn during the coming spring and summer are Taffeta Gingham, White and Brown linen for shirt waists. For more dressy suits Lansdowne, an imported fabric of wool and silk, has taken a lead; while shadow checks and printed Silk Tissue are becoming notably popular. Besides our regular line of trimmings we have just received a large shipment of laces, hamburgs and embroideries, which were imported by New York dealers, and will only be on sale here for ten days.
