

CALL FOR COURIER CLUB RAISERS.

Enter Your Name On Our List at Once and Win One of the Premiums Offered. Hundreds of Dollars will be Distributed in Presents During the Next Few Weeks.

In arranging this contest we have endeavored to offer a reward to workers sufficient to make them enthusiastic and at the same time make the work of securing subscribers easy, so they could not fail to win prizes. Every one who pays one dollar IN ADVANCE will get free with THE COURIER one of these prizes: one year, the Woman's Magazine, The Metropolitan and Rural Home, The Southern Agriculturist, or the Farm and Fireside for one year.

This contest begins NOW and will close July 1, 1906. The person who sends us the largest number of subscriptions during that time will receive as a prize a handsome National Sewing Machine, which sells for \$65.00.

To the person who sends in the second largest list of subscribers we will give a Champion New Home Sewing Machine, price \$65.00.

To the person who obtains for us the third largest list of subscribers we will give one Carolina Cook Stove with "B" list with pipe, including full and complete cooking outfit which sells everywhere for \$18.00. This stove is on exhibition at the Lewis & Winslow Hardware Company.

To the person sending us the fourth largest list we will give a genuine American movement ladies' watch made by the New York Standard Watch Company, fitted in a gold filled hunting case, warranted for 20 years. It is a stem-winder and stem-setter, and in every way a reliable time keeper. Each case is handsomely engraved.

To the worker who sends us the fifth largest list we will give a watch with movement like the foregoing description except a ten year guarantee case.

To the person sending us the sixth largest list we will give a pair of Queen Quality Shoes worth \$3.50. These shoes are on exhibition at Messrs Wood & Morning's Store.

The person sending us the seventh largest list will receive a pair of the celebrated White House Patent Leather Blucher Ladies' Shoes worth 3.50. These shoes can be seen at anytime at the Morris-Scarboro-Moditt Co's Store.

The person sending us the eighth largest list will receive a pair of the popular Woman's College Walking Shoes, worth 3.50. It can be seen at Mr. W. J. Miller's store.

The worker sending us the ninth largest subscription list we will give free a beautiful 52-piece porcelain breakfast set.

To the person sending us the tenth largest subscriptions we will give a handsome water set worth \$6.50.

The person sending us the eleventh largest list of subscribers will receive a 14-piece combination American Beauty Rose silver set, consisting of 1 dozen Tea Spoons, Sugar Shell and Butter Knife to match, pure coin silver plated over nickel plate on hard metal base, packed in fancy box.

Every dollar sent we count one subscription. It will take two fifty

cent subscribers to count one subscription in the contest.

Now here are the "sure things" prizes—those you KNOW you can get whether you win one of the other prizes or not.

To every person sending us twelve subscribers at one time with twelve dollars, we will give a handsome water set the best made, or, if you prefer, a set of genuine Rodgers knives and forks, either of these sell anywhere for \$5.00 to \$6.00. Or to any person, who will send us 18 subscriptions with \$18.00, we will send both these premiums.

But that is not all, we make another offer that every body can get and that is that every worker, who will send us six subscription at one time accompanied by \$6.00, we will give a fine porcelain, 30 piece breakfast set or for five subscriptions we will give a handsome stereoscope and 48 colored scenes from all parts of the world. This breakfast set never sold for less than \$4.00 and it is worth \$6.00 anywhere and the stereoscope and views are worth fully as much as the breakfast set, or if any worker will send us 10 subscriptions accompanied by \$10, we will send both these handsome premiums.

We know you will wonder how we can make such a remarkable offer. To be frank with you we couldn't if we did not know from experience that three-fourths of the new subscribers obtained in this way will be turned into regular subscribers at the end of the year. We are paying you handsomely simply to get them started for us. The merit of the paper itself will do the rest and in the long run we will make a profit and you will be doing your community a good turn by inducing the people to read a paper which teaches them how to make more money from their farms and in various occupations.

To everyone who sends us as much \$100.00 for subscriptions and job work together we will give a Champion New Home Sewing Machine.

Any young man who wants a pair of "Keiths Conqueror" shoes, or a pair of celebrated King Bee shoe, or a pair of Crossett's best shoes, each and every pair sells for \$5.00 the world over, or if you want free the best railroad watch ever made you can learn how to get them free by getting subscriptions or job work for THE COURIER.

Now the facts are all before you and the contest is on. DON'T WAIT UNTIL TOMORROW TO BEGIN WORK. Start now and keep it up, if you want one of the big prizes. We will send you sample copies, if you ask for them, but we do not furnish receipts and subscription blanks except direct to the subscribers upon receipt of the list and amount enclosed. An ordinary piece of paper will do. Don't send stamps. Put the silver dimes in an envelope and fold it up and put in another envelope which bears the stamp and address and they will not be lost. Address all letters to THE COURIER, Asheboro, N. C.

Jamestown Exposition.

The Jamestown Exposition to be held next year, promises to be one of the best ever held from both commercial and recreative points of view. The acceptance of President Roosevelt's invitation to foreign powers to participate, and many will upon a large scale, means much for the success to be attained.

The Washington Post says: "To state the case briefly, we may say—as is the simple truth—that this is the first celebration of any consequence to be held upon the seashore. The location, therefore, is ideal. There is no heated, overcrowded city in the neighborhood, where the patrons will be herded in capacious caravansaries, fed on "refrigerated" food, compelled to travel long distances in swarming and uncomfortable street cars, and charged extortionately for a maximum of discomfort. The Jamestown-Exposition is to be situated far out in the midst of a salt water breezy environment. Hampton Roads, Chesapeake Bay, the Atlantic itself on every side. If there were nothing else, the visitors would at least have a seaside outing at one of the most desirable points on the Atlantic coast. Thousands treat themselves to that recreation every summer with no extra inducement, so every additional attraction will be that much to the good.

All the great nations have accepted President Roosevelt's invitation to participate. It is, therefore, safe to count upon a naval and military display of surpassing splendor and importance. It will constitute, indeed, a spectacle the like of which has not been witnessed in this or any other land."

Ten Rules for Success of an Employer Toward an Employee.

1. Always set a good example.
2. Do not lie to your clerks and expect them to tell the truth to you.
3. Command the respect of your employees by the integrity of your business methods.
4. Have confidence in the ability of your employees until they prove themselves unworthy.
5. Pay a just amount for labor performed. A cheap man is a poor investment.
6. Treat those beneath you with respect and they will return the compliment.
7. Do not waste your breath in swearing and storming around the

office. The same amount of energy expended towards improving your business may make you a wealthy man. No amount of swearing ever sold a dollar's worth of good or improved the work of an employee.

8. Be courteous and considerate to all of your employees if you wish them to be courteous to your customers.

9. Do not be continually finding fault. A little encouragement will often do more good than any amount of fault finding. Let it be known that when you give a reprimand it is for just cause. Do not reprimand for the same mistake repeatedly. Get rid of that employee if one has not been sufficient. A number of cheap, useless hangers-on clog the wheels of business.

10. Be just and honest in the office, as well as out-side of it, and the success that crowns work well done will be yours.—Printers' Ink.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars to any case that it fails to cure. Sent for list of testimonials. Address: F. J.
