

MIKE WRITES PAT.

Greensboro, N. C.,
March 12, 1906.

Deer Pat—I've just returned from Randolph where I spent several days on business. I've been hearing some of the republicans brag about how they are going to carry Randolph at the next election, but if a man will go down there and talk with the Randolph people he will get to think the republicans will carry the county mity heavily on their left shoulders. I found the people awfully afraid to talk to the conditions that existed under the Pop-Li-Can-Ring-A-he-Jee-me Young rule, and they are in no notion of trying the "same old crowd" either in the county or state. They don't want any more 2 thousand dollar insolvent tax lists, an you cant make em believe that there wasen't sumthin rong that year when the Re-Pop-lican county commissioners accepted an insolvent list with more than a thousand poll taxes on it, thereby cutting over \$15 hundred dollars out of the public school fund. The folks don't want the county in debt again. They say the democrats are running things alright an they are not for turnin out the party, for a party that has been wade an found wantin—wantin off without lookin out for the people's interests.

The Re-Pop-lican pie counter scrap has culminated in the indictment of E. Spenser Blackburn, Squire, the drummer boy who hails from "de Ate, but dont know whether he lives in de Ate or in Greensboro. They've got him indicted for tryin to sell federal offices or federal franchises or sumthin. The trouble with the drummer boy is he dont behave to suit the bosses, and they've tried and tried to make him swear by Mary Ann, Rollings an de organization, but he wont bow his knee to anything except Teddy an sum of them stillers up in de Ate.

People is a talkin a site about it, and most of em think that Holton indicted Spenser because Spenser tried to keep the United States Senate from confirmin Holton's nomination for reappointment as destrict attorney again. Holton has been a sayin that he knowed a year or more ago that Spenser had been practisin before the departments at Washington an acceptin fees for his services, and people dont understand why he waited till Spenser got to fightin his confirmation as destrict attorney to indite him. If Spenser has did rong Holton ought to have indited him when he first found it out instead of waitin till Spenser was makin it warm on his confirmation at Washington. We haint got a thing to do with this radical row, but we dont think that Uncle Sammy ought to have to pay the expenses of courts when the destrict attorney indites folks for pare spite an nothin else. I dont know whether Blackburn is gilty or not gilty, but it looks like Holton is a doin the whole thing for spite.

I think Judge Jeter C. Pritchard is the man to try Blackburn. If experience counts for anything in a man's work Judge Pritchard, according to reports, is well up on the gravity of the offense of practisin before the departments at Washington while a member of Congress, for they do say he acknowledges that he done the same thing when he was in the United States Senit.

I dont care nothin for Blackburn, but if they dont let Judge Pritchard try his case I'm a goin to stand up for Blackburn hereafter. I believe in gettin men who are best qualified to do a thing, especially ought we to get experienced judges for big trials like Blackburn's will be, and as they say Pritchard has had experience in practisin before the departments at Washington while he was a United States Senator, I think he is specially qualified for tryin Blackburn's case.

No wonder Teddy holds his nose when he gets to tryin to break up this radical row in North Carliny! Its enuff to drive all the buzzards out of de Ate! When the row gets over he'll haft to send men to North Carliny to bury the putrid corps of what they said had started out to be "a respectable, lilly-white" (Geo H White) republican party, for already the thing stinketh.

I've about closed a trade with a feller down in Randolph, an if I do I'm a goin to move down there.

Your brother,
MIKE.

One would think the Laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for Coughs and Colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Cough Syrup, the best known remedy for Coughs, Colds, Croup, Whooping Cough, etc. Tastes good and harmless. Sold by Standard Drug Co. and Asheboro Drug Co., Asheboro, N. C.

To Advertisers.

THE COURIER has spent large sums of money in working up its circulation and to-day it thoroughly covers Randolph and adjoining counties besides having a large list throughout this and other states. But we are working to build up Randolph county and the Piedmont section of North Carolina.

To this end we have built our circulation, that our advertisers and the community might secure the greater publicity. We have improved our plant and enlarged our paper—all of which necessarily increases expenses.

Hence this article notifying our advertisers that after March 1st, 1906, the advertising rate is as follows:

Per inch one time 25c
" " " month 25c
" " " two months 50c
" " " six months 1.00
" " " and over 1.50

Reading notices will be charged at the rate of one cent per word. No reader accepted for less than 25c.

All bills payable monthly.

Our circulation is not made up of dead heads and exchanges, but paying subscribers, who send us the cash for their subscription. Few are more than six months in arrears and many are paid in advance. This shows that we circulate among a prosperous people—the class that advertisers desire to reach.

THE COURIER appreciates the patronage accorded it in the past and pledges every effort to give value received for future business placed with it.

so many of our family have been sick. I have badly needed another Oxydonor. These on whom I used the Oxydonor got along fine. Others had to resort to medical aid and having lost one Oxydonor. The consequences were the loss of one of our babies. I shall always regret the use of medicines. I hope I shall never be forced to call another doctor.

I have found great benefit from the use of Oxydonor. I was cured of a severe case of Rheumatism which has never returned. Oxydonor has been a general benefit in our family. Respectfully,
