On Breese Acquittal.

DEAR EDITOR—I read in the Pro reeve Farmer (Editorial) the action of the United States circuit court in Richmond some weeks past, in quashing the conviction of Breese Dickerson, and Penland, the Ashville bank wreckers, I think such a disgrace to the Judiciary.—Indicted ten years ago for stealing \$100,000; getting new trial, one after another on some mere technicality until the court of the United States, turns them loose upon the public, because of one of the grand jurors involved had not paid his poll tax.

Such fantastic tricks as this played before high heaven, in the face of justice; produce hot beds of anarchy and disrespect for law among our people, and should itself be punished. Crimes, indeed, are committed, not only in the name of Liberty, but in the name of the law, and the old conception of law as a web which catches the weak offender, but lets the strong one through, widens alarmingly with such miscarriages of justice as that in the Breese case.

Let our jurists and law makers address themselves to the reforms so clearly needed, and do something to at least show that all men are not dishonest, but trying to raise mankind to a higher level.

Respectfully,
J. F. HAMILTON.

Obituary.

William M. Moser was born January 8th, 1851; died February 23rd, 1906, aged 55 years, 1 month, and 15 days. He was married to Miss Mary R. Kime on February 2, 1872. To this union there was added 11 children—seven boys and four girls—one girl and one boy preceded their father to the glory world. He is survived by his father, three sisters, three brothers, wife, nine children and a host of friends and relatives to mourn their great loss. He professed faith in Christ thirty years ago and joined the Lutheran church at Melancthon and lived a consistent member until God called them to a better world. He was quiet, dignified, strong and unassuming in character; loved his church and could always be counted upon to stand upon the side of right. His devotion to his family was beautiful, being at all times exceeding kind and thoughtful, and considerate of his wife and children. He was firm, yet gentle with his children, and with the aid of his wife, gave them that early training that has made them all useful men and women. He was a kind neighbor, beloved by the poor and the wealthy alike, and was always ready with a helping hand for the needy. He was sick for about three months with heart trouble, during which time he was perfectly conscious that he had not long in this world. Often said he was ready and willing to go.

The burial service was conducted by Rev. W. M. Pike, after which his remains were laid to rest in Moriah church yard to await the general resurrection of the dead. May the Lord of all grace bless the family by comforting their sad and broken hearts and may this dispensation of righteous Providence be a means to lead them in the paths of rectitude and finally to that blessed and happy reunion of father on the Beautiful Shores of sweet deliverance.

Best be the tie that binds
Our hearts in Christian love,
The fellowship of kindred minds
Is like to that above.

When we asunder part,
It gives us inward pain,
But we shall still be joined in heart
And hope to meet again.

Blackburn's "Psalm of Life."

(Rhankatte Roaster.)

Tell me not in mournful numbers
Holton has another term,
Nor that Holton's sleeping slumbers
While indictments make me squirm.

They are real, they are earnest
And the court is not his goal,
But I'll put him in the furnace
He has spoken of my soul.

In Carolina's field of battle
In the whiskey frauds and strife
He shakes not a baby's rattle
But a great big butcher knife.

Lives of others oft remind us
We can pay a heavy fine
Or departing leave behind us
Brickbats made of mud and slime.

Let us then be up and doing
With a heart for any fate
For we've done our best in doing
Trying to scare him off the State.

For Roads and Public Buildings.

THE COURIER has received the following communication:

Now the grand jury has recommended a new court house and new jail, we hope our able commissioners will go to work and build them, but that does not end the road question. We want to keep talking good roads and when we go to the legislature we expect to give the public a chance to vote for issuing bonds for good roads (but we forgot) the old lady says we can't go until we put up the wire around the garden, make a calf pasture and fix to keep the hogs out of the cow barn lot so we will let some one else go in our place.
