

CALL FOR COURIER CLUB RAISERS.

Enter Your Name On Our List at Once and Win One of the Premiums Offered. Hundreds of Dollars will be Distributed in Presents During the Next Few Weeks.

In arranging this contest we have endeavored to offer a reward to workers sufficient to make them enthusiastic and at the same time make the work of securing subscribers easy, so they could not fail to win prizes. Every one who pays one dollar IN ADVANCE will get free with THE COURIER one of these papers one year, the Woman's Magazine, The Metropolitan and Rural Home, The Southern Agriculturist, or the Farm and Fireside for one year. This contest begins NOW and will close July 1, 1906. The person who sends us the largest number of subscriptions during that time will receive as a prize a handsome National Sewing Machine, which sells for \$65.00.

To the person who sends in the second largest list of subscribers we will give a Champion New Home Sewing Machine, price \$65.00. To the person who obtains for us the third largest list of subscribers we will give one Carolina Cook Stove with "B" list with pipe, including full and complete cooking outfit which sells everywhere for \$18.00. This stove is on exhibition at the Lewis & Winslow Hardware Company.

To the person sending us the fourth largest list we will give a genuine American movement ladies' watch made by the New York Standard Watch Company, fitted in a gold filled hunting case, warranted for 20 years. It is a stem-winder and stem-setter, and in every way a reliable time keeper. Each case is handsomely engraved.

To the worker who sends us the fifth largest list we will give a watch with movement like the foregoing description except a ten year guarantee case.

To the person sending us the sixth largest list we will give a pair of Queen Quality Shoes worth \$3.50. These shoes are on exhibition at Messrs. Wood & Morning's Store.

The person sending us the seventh largest list will receive a pair of the celebrated White House Patent Leather Blucher Ladies' Shoes worth 3.50. These shoes can be seen at anytime at the Morris-Scarboro-Moffitt Co's Store.

The person sending us the eighth largest list will receive a pair of the popular Woman's College Walking Shoes, worth 3.50. It can be seen at Mr. W. J. Miller's store.

The person sending us the ninth largest subscription list we will give free a beautiful 52-piece porcelain breakfast set.

To the person sending us the tenth largest subscriptions we will give a handsome water set worth \$8.50.

The person sending us the eleventh largest list of subscribers will receive a 14-piece combination American Beauty Rose silver set, consisting of 1 dozen Tea Spoons, Sugar Shell and Butter Knife to match, pure coin silver plated over nickel plate on hard metal base, packed in fancy box.

Every dollar sent we count one subscription. It will take two fifty

cent subscribers to count one subscription in the contest.

Now here are the "sure things" prizes—those you KNOW you can get whether you win one of the other prizes or not.

To every person sending us twelve subscribers at one time with twelve dollars, we will give a handsome water set the best made, or, if you prefer, a set of genuine Rodgers knives and forks, either of these sell anywhere for \$5.00 to \$6.00. Or to any person, who will send us 18 subscriptions with \$18.00, we will send both these premiums.

But that is not all, we make another offer that every body can get and that is that every worker, who will send us six subscription at one time accompanied by \$6.00, we will give a fine porcelain, 30 piece breakfast set or for five subscriptions we will give a handsome stereoscope and 48 colored scenes from all parts of the world. This breakfast set never sold for less than \$4.00 and it is worth \$6.00 anywhere and the stereoscope and views are worth fully as much as the breakfast set, or if any worker will send us 10 subscriptions accompanied by \$10, we will send both these handsome premiums.

We know you will wonder how we can make such a remarkable offer. To be frank with you we couldn't if we did not know from experience that three-fourths of the new subscribers obtained in this way will be turned into regular subscribers at the end of the year.

We are paying you handsomely simply to get them started for us. The merit of the paper itself will do the rest and in the long run we will make a profit and you will be doing your community a good turn by inducing the people to read a paper which teaches them how to make more money from their farms and in various occupations.

To everyone who sends us as much as \$100.00 for subscriptions and job work together we will give a Champion New Home Sewing Machine.

Any young man who wants a pair of "Keiths Konqueror" shoes, or a pair of celebrated King Bee shoe, or a pair of Crossett's best shoes, each and every pair sells for \$5.00 the world over, or if you want free the best railroad watch ever made you can learn how to get them free by getting subscriptions or job work for THE COURIER.

Now the facts are all before you and the contest is on. DON'T WAIT UNTIL TO-MORROW TO BEGIN WORK. Start now and keep it up, if you want one of the big prizes. We will send you sample copies, if you ask for them, but we do not furnish receipts and subscription blanks except direct to the subscribers upon receipt of the list and amount enclosed. An ordinary piece of paper will do. Don't send stamps. Put the silver dimes in an envelope and fold it up and put in another envelope which bears the stamp and address and they will not be lost. Address all letters to THE COURIER, Asheboro, N. C.

EROM STOKES COUNTY.

Germanton to have School—Old Jail Being Tora Down—Crops Injured

At a mass meeting of the citizens of Germanton, Stokes county, it was unanimously decided to build a good school house at a cost of \$1,500, whether a vote is taken to make it a graded school or not.

The old jail building at Germanton is to be torn away. This old building has been used as a dwelling house since Stokes and Forsyth counties were divided in 1848.

Frost nipped the early beans, potato s and other early vegetables here on the 24th inst. The thermometer registered as low as 35 degrees.

RECEIVERS APPOINTED.

For the Montgomery Mining Company of Candor, Montgomery County—G. R. Gaither and H. M. Ridgeley Receivers.

In the Federal court at Greensboro Thursday Judge Boyd appointed receivers for the Montgomery Mining Company, of Candor, Montgomery county. The order was signed upon the application of Julian Leroy White, who claims the company owes him \$7,669, of which amount over \$5,550 is over due. He also claims that the company owes \$40,000 besides his claim. This indebtedness was admitted by the president of the company, Geo. R. Gaither. Judge Boyd then appointed as receivers, the president, Mr. Gaither, and Buxton M. Ridgeley, fixing their bond at \$10,000.

Your Boy Handicap.

Be careful how you pamper your boy.

There's a man inside of him if you can get it out. But manhood is made up by putting flesh and blood and soul up against sharp corners. It is a cruel process, but the only one.

It is natural for a parent to try to shield his child from the hardships the parent went through. And so the boy sleeps late and finds fault with his breakfast and talks impudently to his mother. The home is padded for him. His schooling costs him nothing. There is money in his pocket that he never earned. Everything is done for him instead of by him. And an estate is accumulating for his use.

All this is fatherly but it is not wise. Sometime, somehow he must grow strong by striving. He will never learn to swim without breasting the swift current.

You can save him suffering. But character is perfected by suffering. Unless he meets and masters difficulties he will always be a flabby weakling. And you may leave him money, but he will not know how to use it or save it. He will lack fiber. You cheated him of the chance to get it. He will lack sympathy for the striving touch with those who climb upward because you shielded him.

Life will give no man his own. He must climb up and take it.

Hard lines for your boy? Yes, for all. Self-reliance is at the base of all that is good and strong.

Don't pamper your boy. Let him use himself to make himself. The greatest handicap to the child of the well-to-do is that he has too much done for him. Give your boy a chance. Let him make a man of himself, by himself and for himself.—Ex.

To Advertisers.

THE COURIER has spent large sums of money in working up its circulation and to-day it thoroughly covers Randolph and adjoining counties besides having a large list throughout this and other states. But we are working to build up Randolph county and the Piedmont section of North Carolina.

To this end we have built our circulation, that our advertisers and the community might secure the greater publicity. We have improved our plant and enlarged our paper—all of which necessarily increases expenses.

Hence this article notifying our advertisers that after March 1st, 1906, the advertising rate is as follows:

Per inch one time 25c
 " " " month per issue 20c
 " " two months " 17c
 " " six " and over " 15c
 Reading notices will be charged at the rate of one cent per word. No reader accepted for less than 25c.
 All bills payable monthly.

Our circulation is not made up of dead heads and exchanges, but paying subscribers, who send us the cash for their subscription. Few are more than six months in arrears and many are paid in advance. This shows that we circulate among a prosperous people—the class that advertisers desire to reach.

THE COURIER appreciates the patronage accorded it in the past and pledges every effort to give value received for future business placed with it.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Standard Drug Co., Asheboro, W. A. Underwood, Randleman.

This sudden announcement caused a burst of applause and a large number of ladies in attendance rushed up and shook Judge Goff's hand.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by Standard Drug Co., Asheboro, W. A. Underwood, Randleman.

And so, should you return a verdict of guilty under these conditions I would at once set it aside. It is therefore useless to have you go through the formality of considering the case; or returning a verdict.

Cleanse your system of all impurities this month. Now is the time to take Hollister's Rocky Mountain Tea. It will keep you well all summer. 35 cents, Tea or Tablets, Asheboro Drug Company.

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

A DASHING AUTOMOBILE STORY

A Motor-Car Divorce

By LOUISE CLOSSER HALE

A BREEZY and deliciously humorous motor-car romance—the fact that the hero and heroine are man and wife makes it no less a romance.

Mrs. Ward, a believer in the theory of the ten-year marriage contracts advanced by George Meredith, goes with her indulgent husband on an automobile tour through France and Italy for the purpose of securing a divorce on the grounds of "incompatibility of temper," which, in reality, do not exist. It takes another woman, several accidents and the automobile to bring Mrs. Ward to her proper senses.
