

We want a public library for Asheboro. A small subscription from everybody would establish an immense library.

Many men become suddenly very poor the first of June—tax listing time.

The Catawba County News, one of the State's best semi-weeklies edited by ex-State Superintendent of Public Instruction, C. H. Mebane, has completed its third year.

The man who swears falsely to his tax returns is guilty of perjury. A man who is reckless in his swearing improperly or carelessly about the valuation before the list taker commits perjury, and the list taker who fails to swear each person listing does not realize the most important duty he has sworn he would do.

The town of Whitney was laid off last week on the Stanley county side of the Yadkin, a mile or two square, a mile or two above Palmersville and the Narrows and some two miles below the big dam at the Hall mill. The Whitney Company declare that there will be in a few years at Whitney the largest city in the state.

Sam Jones says Mr. Bryan is the most popular man in America that he will be elected President next term if Roosevelt is not a candidate. A few years ago when Mr. Bryan was in need of help and aid the Rev. Sam was running around over the country saying "Great is Diana of Ephesians." Great is Grover Cleveland and greater is the doctrine he promulgates.

The Moore county Democrats are having their troubles too. There is some opposition to the old ticket. The present clerk of the Superior Court has held the office for twenty years and is a candidate for re-nomination. His predecessor, Col. A. H. McNeill held the office for 32 years. A remarkable record—fifty-two years, more than half a century, and only two persons holding the same office.

Again has the country witnessed a surrender by the President. He went over bag and baggage to the camp of the enemy of railroad rate reduction when he accepted an amendment which practically makes the rate bill measure a dead letter. This amendment establishes the broadest possible court review including the right of the courts to grant preliminary injunctions in favor of the railroads. It makes the legislation practically abortive, if not unconstitutional. It goes farther than Knox or Spooner, or Foraker proposed to go. On the same day this surrender was made President Roosevelt, like the scuttling fish proceeded to muddy the waters by making an attack on the Standard Oil Company.

As tax listing times comes round our mind reverts to tax dodgers. While assessors and tax listers are in the main honest and square but too often it is they let matters pass easily almost anyway. The law expressly provides that every person who lists his taxes must sign the list or make his mark, and the list taker who fails to swear each person listing is guilty of misconduct as a public official. We are informed that some of the list takers in this county have at times failed to require persons listing to be sworn. There are many good officials among the list takers but we call attention to one. Last April when Henry Caudle, so long the foreman of the Courrier office, was unable longer to perform the arduous duties of the office, was appointed list taker for Asheboro township, Mr. Caudle went about the business like he did at everything else, to do it right. He helped everyone to make out his list.

BOULDIN-GENTRY

Beautiful Morning Marriage Celebrated at Archdale last Week.

Archdale, June 2.—The marriage of Miss Lula Bouldin and Mr. John J. Gentry took place at the beautiful country home of the bride's father Wednesday morning, May 30. Rev. Eli Reese, pastor of the friends church of High Point, performed the ceremony.

It was the purpose of the contracting parties to have a private marriage solemnized in the presence of the immediate family and a few of their close friends, but the popularity of the young couple and the ideal May morning resulted in bringing out quite a company to witness this event in the lives of these young people. Parties were present from Reidsville, Winston, Greensboro, High Point, Archdale and the surrounding country. The many useful and beautiful presents received attest the esteem and merit placed upon the bride and groom.

At 10:30 o'clock Miss Bessie Lambeth of Reidsville, began the wedding march, and immediately afterwards Miss Maggie Cox and Mr. Carl Bouldin entered and took their places to the right and left. Following close in the rear came Miss Mildred Harmon and Mr. Tom Gentry, taking their places beside the bride and groom, forming a right and left line, they followed the bride and groom, assuming their places at the head of the column. The solemnity of the occasion was very forcibly realized by the rendition of "Meditation" by Miss Bessie Lambeth during the ceremony. So sweet and weird was the music that it almost made us feel like we were in the land of dreams.

Refreshments were served, consisting of salads, pickles, crackers, cake and cream. The party amid the benedictions and showers of rice, left in time to meet No. 56 going north, destined for Washington and other northern points.
