

**MARRIED IN THE WEST.**

Report of the Marriage of a former Randolphian in Kansas—Cox-Carey Nuptials.

The Wichita (Kan.) Eagle of September 9th contained the following notice of the marriage of a former Randolphian who has met with success in the far West:

"One of the most beautiful and impressive ceremonies ever witnessed in that part of the city was that which united Mr. James Amos Cox and Edith Elma Carey as husband and wife on last Wednesday evening in Russell hall, Friends university. On account of the prominence of these young people more than ordinary interest was taken in the nuptial proceedings. For several years Mr. Cox has been connected with the university, first entering as a student, then becoming professor of the commercial school and registrar of the university. Miss Carey had also been a student there, graduating from the normal department, since which time she has been a teacher in the public schools of Wichita. Both are well known for their sociability, their gentility, and their genuine worth.

"Promptly at 8 o'clock, to the strains of the wedding march played by Miss Leona Wright, the new professor of the music school, the party entered, headed by D. W. Binford and L. J. Stanton, ushers, and J. Edwin Jay and Oscar Moon, ministers. Then came the bride, attended by Miss Stella Allen, the maid of honor, the groom following attended by John J. Wheeler, also a professor in the university. Reaching the platform, which was beautifully decorated with palms and flowers, and after a brief prayer by Rev. Moon, the solemn vows were made. Rev. Jay, professor of the university Biblical school officiating. Immediately the bridal party repaired to the newly furnished home at No. 200 1 West Douglas avenue, where dainty refreshments were served to the immediate relatives and intimate friends. Many beautiful and valuable presents were received as tokens of the good wishes of their many friends."

**Throat Coughs**

A tickling in the throat; hoarseness at times; a deep breath irritates it;—these are features of a throat cough. They're very deceptive and a cough mixture won't cure them. You want something that will heal the inflamed membranes, enrich the blood and tone up the system.

**Scott's Emulsion**

is just such a remedy. It has wonderful healing and nourishing power. Removes the cause of the cough and the whole system is given new strength and vigor.

**Social Favorite Believed as Murderer.**

The grand jury of Johnston county Superior Court last week returned a true bill of murder in the first degree against Charles Peacock, a social favorite of Smithfield, for the murder of Alonzo Jones, a merchant of Smithfield, on the night of July 13th. Congressman Pon, of counsel for defense, stated to the court that Peacock was at his home prepared to surrender to the officers if wanted, but when they arrived he had escaped. Robbery is supposed to be the motive of the murderer.

No one would buy a sailboat with sails that could not be reefed. There is always that possibility of a little too much wind that makes a cautious man afraid to go unprovided. The thinking man, whose stomach sometimes goes back on him, provides for his stomach by keeping a bottle of Kodol For Dyspepsia within reach. Kodol digests what you eat and restores the stomach to the condition to properly perform its functions. Sold by Standard Drug Co. and Asheboro Drug Co., Asheboro, N. C.

A bath cleanses the skin and rids the pores of refuse. A bath makes for better fellowship and citizenship. Not only should the outside of the body be cleansed, but occasional use of a laxative or cathartic opens the bowels and clears the system of effete matter. In these days of rush and hurry courtesy is often forgotten. In the mad, pell-mell rush of our life little things are done to offend that we rather remained undone. A hastily eaten meal and its resultant headache may cause us social or financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol For Dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by Standard Drug Co. and Asheboro Drug Co., Asheboro, N. C.

**The Cause of Many Sudden Deaths.**

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
