Frequent Reports of Assaults in Fulton County Excite Populace.

COLORED POPULATION FLEEING FROM ATLANTA.

Flaring Headlines in Newspapers Add Fuel to the Fire—Town in Possession of Malitia—Ten Negroes Killed and Forty Injured.

Atlanta, Ga., Sept. 22.—A riot of alarming proportions began here last night and this morning, the town is in possession of eight companies of infantry with a battery of light artillery in reserve.

This condition came as the result of numerous and repeated assaults or attempted assaults upon white women by negroes. The list of an even dozen of such assaults, within the limits of Fulton county within the last nine weeks came yesterday, when four attempts at assault were reported. Flaring headlines in the special editions of the afternoon papers wrought the populace to a high pitch of excitement. The usual Saturday night crowds were largely increased by men and boys who thronged the down-town streets. There was no leader and no overt act until late in the evening.

The re-enforced police force held the excited crowd that thronged the streets under control until about 10 o'clock, from which time conditions became momentarily more alarming. Five thousand men surged the streets, attacking every negro who appeared, and those offering resistance to the order to leave were mercilessly beaten. Today the negroes are fleeing the city by hundreds.

Atlanta, Sept. 23.—During the twenty-four hours riot, which has reigned in this city, ten negroes are known dead and forty injured. The town is now comparatively quiet, but the night is feared. Gov. Terrell has notified the nearby militia to hold itself in readiness to assist in preserving order should it become necessary, and he asserts that should conditions continue he would place the entire city under martial law.

STUDIED NEHEMIAH.

Literary Department of Epworth League Met With Mrs. Davis.

The Literary Department of the Epworth League held an interesting meeting at the home of Mrs. M. L. Davis last Friday night. Miss Richardson, who is at the head of the department, assisted by Miss Nannie Bulla, had arranged an interesting musical program which was followed by the Bible study feature, Nehemiah being the topic. The study was conducted by the pastor, Rev. N. R. Richardson, who made it interesting for all. At the regular meeting Sunday afternoon the League received the report of delegates to the District Conference at Greensboro. This was also an interesting meeting. The League is growing in membership, and the leaders are making every effort to make the meetings both interesting and instructive.
