STATE FAIR.

Great Feature For This Year--Madame Nordica Oct. 19th.

The next State Fair, Oct. 15 to 20, will be the best ever held in North Carolina.

There have been great improvements in the grounds and buildings, particularly in the accommodations for the agricultural and live stock displays.

The feature of the displays will be the competitive County exhibits in handsomely decorated booths.

The general displays, particularly of labor-saving farm machinery will repay anyone's careful inspection.

On the Midway there will be no gambling games, but it will be packed with high class shows and amusements.

The trials of speed will be fast and exciting, and the open air attractions, featuring Dare Devil Doherty Leaping the Gap, Balloons, and Platform work.

Hon. Harvey Jordan will address the Cotton Grower's Convention on Wednesday night in the Hall of Representatives.

The annual meeting of the Society is held on Thursday night and on Friday night Madame Nordica, the world renowned singer will give a concert, and afterwards will be held the Grand Marshals' Ball.

CONVENTION CALL.

Woman's Christian Temperance Union at Winston Salem, Nov. 3 to 6.

The twenty-fourth annual convention of the North Carolina Woman's Christian Temperance Union is called to meet in Winston-Salem Nov. 3-6 inclusive.

Mrs. Naomie Curtis, of Texas, who has much experience in the work, and who is called "the silver-tongued orator" and winner of all hearts, will be with us.

Entertainment will be provided for all delegates, and it is most earnestly desired that there be a full delegation.

Honorary members and friends of the cause throughout the state are cordially invited to attend, and visitors from far and near are truly welcome.

Local Unions will not be unmindful to appoint delegates early and make every needed preparation for their attendance at Convention, and send names of delegates, as soon as appointed, to Acting President.

Let us look to Him from whom our help cometh, and then may we do greater and better things for our own and the world's uplift.

Yours for God, home and humanity. Miss ELLENBETH MURPHY, Acting State President. Miss NOBLE M. JOHNSON, Corresponding Secretary. Mrs. MARY E. WHITE, Recording Secretary. Mrs. ELLEN J. Y. PROFFER, Treasurer.

Judge Bynum's Arraignment.

At no time in the history of the Republican party has it been so completely under the domination of office-holders and little men who have no conception of politics except such as is dictated from Washington.

"The time has come in the tide of Republican politics in North Carolina when one of two things must be done.

Either the Federal office-holders must own, control, and manage the party absolutely, as they seem to be doing at this convention, or they must abdicate and allow the party to be managed and its policy shaped by those whose policies and principles are governed by other considerations than office-getting, greed, grab, and graft.

"William Durant comes from a fine line of Indian ancestors," says the Muskogee (I. T.) Times-Democrat. "In his veins runs the blood of the chiefs of his race. He was a member of the Choctaw council and is therefore familiar with all that was done in a tribal way.

Speaking Out in Meeting.

From The Concordia Empire. (Rep.)

We have been invited to send a dollar contribution to the Republican campaign fund that is being raised by popular subscription and to which President Roosevelt recently subscribed.

"Mr. Durant went into detail in regard to the cutting down of the royalties on coal in order to favor the corporations who were then charging higher prices for mined coal than had ever been known in this section of country."

I shall be on the market from now until June 1, 1907, paying top prices for nice cattle. Call and see me or write. S. E. COBLE, Climax, N. C.

NULLIFYING THE LAW.

The Administration Defies the Labor Unions.

The immediate employment of 2,500 Chinese coolies to work on the Panama canal was endorsed by President Roosevelt on the 13th of August.

Secretary Taft not long ago dispensed with the Chinese exclusion act as to the Philippines in the case of twenty-five Chinamen, and it is evident that the entire Republican administration is committed to the policy of admitting Chinese in violation of the exclusion act and the alien contract labor law.

It is characteristic of the Republican party that it should prohibit the purchase of the cheaper material and equipment for the construction of the canal in any foreign market and at the same time insist on using the cheapest labor to be found in the world to do the work on the isthmus.

"We hold that the most efficient way of protecting American labor is to prevent the importation of foreign pauper labor, and as labor makes the wealth of the country we demand the passage of such laws as may be necessary to protect it in all its rights.

Government by dispensation of the executive is as bad as government by injunction. The Democratic party is opposed to both.

ROBBING THE INDIANS.

Exposure of Grafting Government Officials.

A full blood Choctaw Indian was a speaker at a Democratic barbecue at Muskogee, I. T., on Aug. 23, and his impassioned utterances were the feature of the occasion--in fact, William Durant is an orator whose renown is now heralded all over the territory.

"Mr. Durant is a splendid specimen of his race. He began to speak slowly at first, but as he progressed the intensity of his utterances led him to put words together so rapidly that it was with difficulty that the two most rapid stenographers in the city kept up with him.

"Mr. Durant went into detail in regard to the cutting down of the royalties on coal in order to favor the corporations who were then charging higher prices for mined coal than had ever been known in this section of country."

Sadly Retained.

The Iowa Idea has been considerably battered by the apostecism of Governor Cummins, the standpatism of Cannon and the big stick of the president, but it is still in the ring and in the hearts of the Iowa voters.

RAILROAD THROUGH YADKIN.

Citizens of the County Expected to Vote Bonds For The Enterprise.

The question of building a railroad was discussed at a meeting held in Yadkinville last week.

A proposed route is from Mouth of Wilson, Va., via Sparta, Elkin, Yadkinville, Winston, High Point, Asheboro and to the coast.

The route would develop a fine section of country and is regarded by many as the best one that has yet been mapped out.

Somebody said it is better to be beautiful than to be good. But it is certainly better to be good than to be ugly.

Kings and thogs may abash the amateur in the art of pleasing but the artist is at home with them.
