

TARIFF REVISION.

Why a Republican President and Congress Stand Pat.

When the present congress meets again for the short session the question of the Philippine tariff bill, the president assures congress in his letter, will be forced upon their attention.

But as the stand patters will control, if the Republicans continue to have a majority in congress, they will be the judges, and not President Roosevelt and Speaker Cannon, and all of them declare that the Dingley schedules are as perfect as they could be made.

The fact is, the Republicans dare not discuss the tariff, for they know their position will not stand the full light being thrown upon it, and at the last session of congress they were completely unshorn by Mr. Williams, the Democratic leader, and other Democratic speakers.

IGNORING THE LAW.

The Administration Caters to Wall Street.

The present management of the United States treasury is doing all possible to perpetuate the government debt. The secretary of the treasury is entirely ignoring the long standing law for setting apart enough of the customs receipts as a sinking fund each year to pay off 1 per cent of the debt.

Still Another Trust.

The cereal trust is now getting all powerful by eliminating competitors. The American Cereal company has been transferred to the Quaker Oat company.

Price of Silver Advancing.

The United States statistical abstract quotes the annual price of silver per ounce in London, which is the world's market for silver, as follows: In 1902, 52.79 cents; 1903, 54.25 cents; 1904, 57.87 cents; 1905, 61.02 cents.

WANTED: By Chicago wholesale and mail order house, assistant manager (man or woman) for the country and adjoining territory.

PENSIONS THIS YEAR \$275,000.

Old Veterans Waiting for the Arrival of Their Money at Christmas Season.

The State pension authorities have just completed their estimates of the amount that will be available this year for the old soldiers and their widows.

The amount is found to be \$275,000, which will afford a nice sum to veterans just before Christmas, when it is distributed in the various counties.

There are four classes of pensioners, receiving \$50, \$48, \$35 and \$18, the amount of the pension depending on the seriousness and nature of the wounds received in battle.

Wrenched Her Knee Joint—Cured by Sloan's Liniment.

Miss Emma Carter, Black Rock, Ark., writes: I consider myself very fortunate in meeting your agent, Capt. Collins, at such a juncture.

Before he arrived in our town, while riding horseback, my saddle turned so as to wrench my knee joint very severely. I was confined to my bed with the painful joint. One application of Sloan's Nerve and Bone Liniment prepared me for duty the next morning.

Death of Little Jewel.

Little Jewel, the infant daughter of Mr. and Mrs. Ezekiel Hudson, of Julian, died after an illness of three weeks with bronchitis. She was so bright and loving and so dear to our home, all who knew her, knew nothing but to love her.

When we see a precious blossom that we tend with such care, kindly taken from our bosom, how our aching hearts despair!
