Great Bargains!

THAT WE MEAN IS ALL CREATION!!

CALL AND SEE US.

A. B. & J. S. CHUNN

Are just receiving and opening a splendid

STOCK OF GOODS,

which they are offering at very low prices, which they promise and positively declare shall be sold as low, if not lower, than any other Goods, let them come from whence they may.

It is useless to resort through the medium of an advertising agent, and promise a great many things, not expected to be performed, but we only ask a call, that we may prove how far our assertions may be believed. If you want a big load of Goods for little money, come and see us, and you shall not be disappointed.

It will be sufficiently satisfactory, we hope, to say that our stock is *general and complete*, comprising almost every article usually to be found in this country. The stock was bought selected with care and judgment, and from our knowledge in matters appertaining to this business, cannot be beaten for beauty, quality and cheapness in any store in the back country.

With due deference to our competitors, we will say we intend to beat them if we can by fair and honorable means, and if we find we can't, why then we can't.

We intend to do as much as possible a prompt business, as we intend our profits to be so low that industry and capital, we thought, not to be expected.

We kindly invite our old customers and to the public at large, and we pledge ourselves they shall not be sorry for it. Stick to us like brothers, and we assure you that no good reason for complaint shall be given, either by want of accommodation or good bargains.

A. B. & J. S. CHUNN.

N. B. All kinds of country produce will be taken in exchange for Goods, on the most accommodating terms, such as Beeswax, Feathers, Wool, Tallow, and Fur skins in proper season.
