which imply a fixed determination to engage in this absurd and flagition's contest, no state is bound to wait to be attacked.

him; his own's congrehas out us upon the floor; during the first session of that Congress A bold and manly course on the part of the British Government will probably not be without a good effect in the United States; animous support of the people of England,

Correspondence of the Charleston Courier,

WASHINGTON, APRIL 11. The Senate spent some time to day in dis. cussing a proposition to alter the Chamber, so as to afford greater accommodation to the public and the reporters. Mr. MANGUM withdrew his objection to the design, in consequence of an alteration made in the resolution. providing that the correspondents for the pubie press shall be accommodated as heretofore. The subject was not disposed of.

Mr. J. M. CLAYTON'S resolution, calling on he President for any further correspondence that may have taken place between the Gov-ernments of the United Saleis and of Great on content to the lowest bidder; in all of Britain, on the Oregon question, since his last
