VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
A highly valuable preparation, capable from the promptitude of its action, of clearing the system in a few hours of every worm.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
The exceeding small quantity of this medicine required to effect the cure, and its operation in a few hours, together with its great safety of effect, constitute it one of the most brilliant discoveries of the age. It seldom necessitates repetition, and never to be followed by any other purgative. Therefore, in urgent cases, as those of ITES, SPASMS or CONVULSIONS, caused by worms, its unrivaled superiority is manifested. Few medicines are better calculated to improve the health of children, even when no worms exist, as it improves those states of cruditie that line and excite the stomach, and counteract every variety of indigestion. Though prompt and certain in its operation, and not applicable to the young, it is perfectly safe, and adapted to the tenderest age.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
The following is from a recent Physician, who has used it in many cases, and with the most successful results.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
Dr. H. H. Perry—I take great pleasure in recommending to the public your valuable Vermifuge, properly called "Dead Shot." I have been using it for many years. Nothing of the kind has ever before been given such universal satisfaction.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
Extract from a letter received from a Merchant in Kentucky.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
Dr. H. H. Perry—I received the medicine (Dead Shot) sent me a few weeks since, and it is all gone and the worms are all dead. I have never before seen such a cure.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
Extract from a letter received from Dr. Wharton, Newcastle, Va., Jan 23, 1844.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
Dear Sir—I have a child of the "Dead Shot" you left me for the purpose of testing its merits, to a friend of mine, who introduced it to me in his family by giving it to a patient selected as a suitable case.

VERMIFUGE OF "DEAD SHOT,"
FOR WORMS.
This is to certify that I have used the Vermifuge (DEAD SHOT) prepared by Dr. H. H. Perry, for the cure of worms, and have seen its efficacy in many cases.
