afraid that the next offer would be to give...
away the whole, voted with about two...

was left, rejoicing that the timidity and...
cowardice of the Administration had not...
surrendered up the whole, for it was to be...
the whole or none. From the fact that...
Loco Focism yielded more and more to...

LOCO FOCO CLAIMS TO PATRIOTISM.
This is short and may be briefly stated.
Of all the Loco Foco who strove to this...
war I remember none who were patrio...
tically. They waited for high appointments...
with which they dazzled in the field of...
battle, more pleased with the applause of...
Executive favor than influenced by a dis...
interested love of country. I need not re...
count their deeds on the field of battle.
The most distinguished of them, Butler of...
Kentucky, nearly lost us the glory of Mon...
terey by his rashness. If I remember...
any other case of a Loco Foco distinguish...
ing himself I would mention it.

There is one case, however, in which I...
more particularly wish to direct public at...
tention, because it sets forth in its true...
light the claims of the head of Loco Foc...
ism to the country's gratitude. James K...
Polk and his Loco Foco advisers, seeing...
that the Whigs had rendered our enemies...
powerless that they were ready to see for...
merry, took pity on their condition, and...
prepared to give them "aid and comfort."
Did Mr. Polk wish to take sides with Mex...

When orders were issued to the...
commander of our naval forces in the Gulf...
on the 15th of May last, the day on which...
the existence of the war was recognized by...
Congress, to place the coasts of Mexico...
under blockade, he was directed not to ob...
struct the passage of Santa Anna to Mex...
ico, should he attempt to return.

There is the acknowledgment of Mr. Polk's...
intrigue with Santa Anna written with...
his own hand and signed with his own...
name. I desire to record the fact in a...
paragraph by itself, and in italics.

The very day that Congress voted ten...
millions of money and fifty thousand men...
to fight against our Mexican enemy, that...
day James K. Polk issued an order for the...
plunge of a daring and treacherous tyrant...
to lead his army against us, to expander...
those ten millions and to butcher those fifty...
thousand volunteers, to create a want for...
other thousands of men and other millions...
of money, and who now sneers before Hea...
ven and in the face of Christendom, that...
while an American soldier remains on Mex...
ican soil, more millions shall be expended...
and more thousands shall bleed and die.

Yet this is the man who has the assur...
ance to come before a betrayed people to...
prate flippantly of affording "aid and com...
fort" to our enemies! That craft and im...
pudence of the man who, to prevent the...
discovery of his criminal manipulations in...
his neighbor's pockets, makes the cry of...
"stop thief" across the nation is a Sisy...
when compared to the practices I have...
been describing.

And yet he has his supporters: what ty...
rant ever failed to have! Notwithstand...
ing the clearness of these Whig and Loco...
Foco claims to patriotism, there is a ken...
nel of care howling on the Whig track...
calling the Whigs "Bonds to Mexico," while...
they are fighting against Mexico on every...
battle field, with their blood rolling a red...
torrent of contradiction to the charges, and...
while Mr. Polk is furnishing the Generals...
to lead the armies of our enemies against...
these Whig patriots, and but for the in...
terference of Whig Senators, would furnish...
the commander-in-chief two millions of...
aid and comfort, by which to deride Mex...
ican rivers with American blood, and to...
fill our country with widows and orphans.

But there is an end to all things, and...
there will be an end to this injustice.—
"Truth crushed to earth will rise again,"...
victories over demagogues and lying...
climberation. Impartial History will yet...
write the record of this war; that while...
Loco Focism needlessly and ingloriously...
commenced it—while it would have fur...
nished the enemy money to conduct the...
war against us, and to furnish him the...
means to lead his armies against us...
Whigs were found ready to fight for...
their country and sustain her glorious flag...
—to rush to her assistance without figur...
ing whether she was right or wrong; yet...
while the blows fell heavy on our ene...
mies, even in death, they wished to be...
understood as protesting against the wrongs...
which Loco Focism had committed; while...
the last drop of their blood flows for their...
country, their last words were to be rec...
orded in the cause of justice and truth.

Let the sponsors of party councils at...

Gen. Taylor has received orders from...
