

RAIL ROAD MEETING

A rail road meeting was held at Greenville, S. C., a few days since. The records of the road, in Greenville District, seem to be sanguine of its completion, and we trust their expectations will be realized. The interests of our own people are extensively concerned with the proposed road, and we think it is not saying too much to assert that no improvement which has been projected for many years, is not so far off as it appears.

The following, among other resolutions, were adopted at the meeting above referred to:

- Resolved, That our interest in the proposed Rail Road to Greenville, as well as our hopes of its success, have greatly increased with the increasing prosperity of the country, and the ability of our fellow citizens to engage in such an enterprise.
- Resolved, That we pledge ourselves individually, to use all our influence in obtaining subscriptions to the Greenville and Columbia Rail Road, and that we will use such in the same to the extent of our means, confidently believing that it will be a profitable investment of our capital.
- Resolved, That we feel assured the State will aid in this great enterprise, after our Company is organized and three-fifths of the stock has been subscribed by the people, which we think may be easily done to the following proportions: Greenville, \$150,000—Laurens, \$150,000—Newberry, \$200,000—Columbia, \$100,000—Charleston, \$100,000—North Carolina, \$100,000—Lexington, Asheville, Anderson and Spartanburg, uncertainty as to the amount of their subscriptions.

The bill to regulate the appointment of Field Officers for the North Carolina Regiment, is still before the Legislature, and it is as yet uncertain what disposition will be made of the matter. The Governor would not be surprised if the appointment should ultimately be given to the Governor.

SUCIDE

We have been informed that a young man named Wilson Simon committed suicide on Mills River, in Henderson county, on Wednesday, the 6th inst., by hanging himself. He was not found until five days after he had committed the crime. The unfortunate man had for some time previous to his death given evidences of derangement of mind.

We learn from one of the Raleigh papers that the Legislature would probably adjourn on the 15th inst. (5th-morrow.)

We have the great speech of Mr. Rowan, on the Re-Districting Bill, on file.

My dear friend, I scarcely know how to reply to your kind letter toward me and mine especially. In beginning my imperfect narrative, one great mistake seems to accompany me: my pen will never keep pace with my feelings. You will have been aware of Mr. Chase's indignation, agreeable to the decree of the 20th of May last, and in compliance with which he had only twenty-four hours' notice to embark, or eight days to retire into the interior. He recently chose the former, and embarked on board of the S. V. Mary's, the steaming vessel of the Bar of Thompson, being some eighty thousand dollars in store with no other protection than what he could afford, and two clerks of whom you are a member.
