Doe on d mise of Jesse Dickson, vs. Reuben P. pers, from Asie, judgment affirmed. E. & J. Ludwick vs. Solomon Farr et u from Cabarrus, judgment affirmed. D on demise of E. B. S. Pheris et al. Roe and John Irwin, from Meckleabu judgment affirmed. H. B. Williams Alexander Springs et al, from Meckle burg, judgment affirmed. Caleb Osburg va. Baker Batlew, from Ashe, judgment reversed and renire de novo. State, to the ase of W. M. Dola, vs. W. Laws et al, from Wilkes, judgment reversed and venire. de novo. Hamio Thompson vs. L. D. Childe from Lincoln, judgment affirmed Willie Gaither vs. Enjah Teague, from fredell, judgment for plaintiff afficmed."

Due un demise of the Bank, &c. vs Roe and Wm. Davidson et al, from Meck. agodgment affirmed. B. F. Haw

le shall assemble to Baiting Gen. Taylor for the Pre Vice Presidency, and that the members of those, of freemen, vist their devotion to the Constitution and the Laws of the Uni-ted States, and to the clearly ascertained will of the people.

A memorial to Congress states that Orefive thousand barrels of flour for the use of our Pacific squadron, three the barrels of boef and two thousand of pork. Lumber, tar, pitch, flax and hemp can be bereafter supplied, if & demand should created for them. It asks for confirmation of locations already made, for grants of innde for educational purposes, and for a steam tow-boat on the Columbia and economiends a rail road to the States. The wind blows down the river five mo of the year, and ressels are said to be two oths in sailing up 100 miles, whilst the difficulty could be easily overcome by steam, and a large trade opened with the

The Oregon treaty, by which the bound ry was settled with Great Britain, scens not to be very popular with the American

Stanton, Loco, is cleaned in the Mem phis District, by from 30 to 50 votes ma jority. The Congressional delegation will therefore stand, six boos to Sve whigs,-The whigs have 8 majority on joint ballot in the Logislature. The whig majority for Governor is between 800 and 900.

The notorious Thomas W. Dorr, of R Island, is dead.

ELOPENERY A clergyman of Virgini has just cloped with a young girl, leaving his wire and shidden behind. The parties are said to be in Baltimore at the present

QUEER DIVIDEND .- The first dividend of the Portsmouth N. H. Steam Factory, was paid at the office of the Agent on the 18th ult., in the form of a Dress Pattern to each stockholder

A Georgia paper says -- A lady recently have the most respectable witness, now in

husbels of corn on one farm!

Another Letter from Major Downing. ON THE ROAD TO THE WAL,

August -, 1847. Mr. GALES & SERTON:

The President gave two or three hard charge upon his end of tobacco, and says he, yes, Mojor, that's too true, it must be conferred; and it amoys see beyond all patience. But then I have to torgive it while he sent for Mr. Buchaman and Mr. and overlook it, because Mr. Ritchie dont Marcy to fix up my private instructions, mean it. The old gentleman is always While he was gone, Mr. Ritchie fixed me sorry for it and always willing to take it up a nice fittle bundle of private instruc-

I, how is it they are so ill paper all the time!

At that he gave mo now that's oftentimes the way with old ort fighter, I give him the command I a newspaper battery here to delend my ake as hwas when I sem Taylor into Mex-co; I did at know my men. No matter that forces was gathering to overthrow my n to see 'em; no matter how hard they say, "Mr. Ritchie, the air smells of federalism; you may depend upon it there is federalists abourd somewhere," in a minute chatham is still fondly remembered by all as distinctive, of the American Obneral; may be you've no idea with what fury the old who read with interest the stirring events the cocked but and grey surtout, aftergentleman flies round, and mounts his of that remarkable period. His name, at wards became of a character far less ad-béaviest guns, and sots his paper battery one time, was venerated in his country in a roar. His shots fly right and left, and with an eachusiasm amounting almost to The deep impression made upon his mind sometimes knocks down friends as well as idolatry. Panegyric exhausted itself in his by the great qualities and long soul of our

the President would not let me call, he said I was getting quite soo thick with you, when he speck about the letters, he look when he spake about the letters, he look a kind of red and showed considerable.

Says he, Major Dawning, I have put a good deal of confidence in you are a friend of my administration; and if you are a friend of my administration; and if you are a friend to it, you must let Gales and Seaton alone; keep nut of their way and have not the letters way and have not their two with them; they are dangerous, right to Santa Anna and knock up a bar.

I med once to send Col. Benton on for the that it was the only war in which he could not rejoice to hear that his countrymen were victorious—to crown all, he fell like a warrior on the field of battle, on the very a warrior on the field of battle, on the very are unit of his frequent triumphs lifting his warrior on the field of battle, on the very are unit of his frequent triumphs lifting his

think Major Downing is just the man form the declared on the occasion that at the staunch democratic republican; and the "British Nation was an animal dead; names she has given to history, allow him winatover he does will go to the benefit of but that the vermin which fed on her carwith the same of the stand of the same of

Right off to night, says the President or taker, in the morning before daylight or taker, in the morning before daylight or taker, in the morning before daylight — before any body in Washington finds out that he has got back from Downingville, I have forbid his calling at the Intelligen because they think folks want to know hat's going on Mr. Ruchie sometimes find out or mistrust that he's here. If they are things into her paper that folks think should get wind of the movement, they would be sure to throw some constitutional

before Scott does, and if I only

have been looking over my private in-tructions. They are fast rate, especially Mr. Ritchio's.

private Embasseder, MAJOR JACK DOWNING.

In reflecting upon the wide scope of this newly invented offence, to which it is imsible to apply any other definition than in the heart, and saying openly, that the Administration is wrong ter the Creator. This man, at the open-in the whole affair of the present war, it is ing of the Revolutionary war, still in the impossible not to take into review the im. If wer of his youth, grew famous in demonstration not of nameless individuals douncing the tyranay of that country in merely, but of persons who have been distinguished by their patriotiem, whom it could necessarily embrace. It is impossifired at me, he didn't seem to floar it; and bles likewise, to resist the conclusion that race, even to the hour of his death. No when I told him to fire back, he would if the inventers be in the right, every man occasion did he neglect during this long, rouse up and touch off a few squibs with in every age, who has acted in opposition and, to England, most disastrous and he about as good aim as the boys take when the public they fire off crackers on the 4th of July, and did about as much as received and that history in presenting found off a way that I could make the old veters a fight like a Turk and hold on like a building. It was by giving him a has done a sersous injury to the cause of a matchless desired. with federalists. Since I made that dis- go no farther back, we will select a few. To such a pitch did his admiration of that covery he's been more help to me. When characters in England and this country, great man whom America hails with the ever I see the enemy entrenching himself who have figured on the great stage of the endearing appellation of Father ascend. around me, and bringing up his batteries to world since the commencement of that that even in the midst of the deadly srugfire into my administration, all I have to war, which severed these States from the gle, in the House of Commons itself, he mother country, and established their pohabitually presented himself arrayed in the

fies. To be sure they don't make a very praise; eulogy seemed to flag when it had mighty countrymen, was developed twenthe 42nd year of her great impression upon the enemy; but not him for its subject; volumes were write ty years in an eulogy delivered by him in don't kill of beat off the enemy, he keeps his memory. He had, before he stepped ter, which takes the highest rank among children. Rather a hard story, but we the administration so perfectly covered up forth as the friend and peculiar champion all that have appeared upon this inexhaus ave the most respectable witness, now in our to the time where to fire at us. On the whole, Mr. Ritchie is a valuable man to atranger since the days of Godelphia and rights, the unwerving friend of civil lip.

The Alexandria Gazette says that a re-The Alexandria Gazette says that a retent letter from the Hon. H. Ellaworth,
of Indiana, formerly Commissioner of the
Patent Office, states that he has 1000 acres
in corn, from which he expects to make 55
bushels to the acre. Think of 55,000

destroyed her ficets, crippled her commerce, and turn from her an Empire. It
the ministers who had advised the wardeshould come in but Mr. Ritchie himself.—
As he opened the door he ketched the two
last words the President was speaking.

Was he a "Moral Traitor?"

But let us leave the shores of England,
and come to our own country. We have
been accustomed to record chie; says he; "what have you got someth, inched to that glorious virtue. Yet Lord been accustomed to regard (and we see ing more of Scott and Taylor's blunders Chatham was the most vehement, as well nothing to after our opinion) the list we us among the most able, of those illustri, with England, as the most just, the most Nothing more to day, says the President ous Englishmen, who at the dark period boly, the most necessary war ever enter-I was only telling Major Downing how of our Revolutionary struggle, raised his ed into by any free nation, for purposes their blunders there have come pretty valed in the cause of this country, which new runing the country, and how it is he regarded as synonimous with the cause. It may indeed be said to have had that My Dear old Friends: I spose you'll absolutely necessary to get the staff out of freedom, in every quarter of the globe. I make the first had been described in the season of the season

ted, in a most favorable point of view, with more than a passing notice here. Was the history of America, and with the events. John Randolph guilty of "Moral Treswhich separated her from England. From son?" the very moment of the determination to tion, he raised his voice against it, and never ceased, throughout the war, to declaim on all occasions, both in the House of Commons and out of it, against the folly man come under the definition of "Mon and misrule which had severed the Empire Treason?"
in twain. Did he come within the purview But why
of the statute of "Moral Treason?"
trine be tri

repropert of the extension of the prerega-tive, was the consistent friend of the Col. more absolute, than are those of Francisco throughout the struggle. He saw the and England. An enterprising Exercise folly which had produced the struggle, and who meditates a vital infringement of the opponent of the extension of the prernga-

the war more severely than General Bur-goyne habitantly did in the House of Com-mons, on his return after his capture.— Did these denunciations amount to More ai Treason?"

Last of this famous throng, and in some respects, most illustrious of them all, was Churles James Fox, the champion of the English Constitution, the defender of English rights, the friend of man, the staunch advocate of human freedom, with whom haired of fyranny in all shapes was a pra-sion, and whose sylfish and uncafculating philiathropy, ambined in its wide scope every created being that was fashioped a

ein, but work his way in Mexico, and go right to Santa Anna and knock up a bar-misching to do with thein; they are dangerous, misching to do with thein; they are dangerous, misching to do with thein; they are dangerous, misching to do with thein; they are dangerous, and weathers. Let give with him. I don't care what he gives. The fact is Mr. Ritchie, the country more deeply in the contest by the mast unfincing opposition to the American war. The whole store of his inexhaustable memory, they are sure what it will.

An excellent lidea, says Mr. Ritchie; an excellent lidea, says Mr. Ritchie; an excellent plan, sir. I'm for peace at all hazards, if it is to be found any where in Mexico—that is, if we can get hold of the must broublescene customers an administration ever bud; here ye come praction, the true patriot, disching the wise statesman, the true patriot, disching the rule patriot, disching the wise statesman, the true patriot, disching the rule patriot, disching the wise statesman, the true patriot, disching the rule patriot, disching the wise statesman, the true patriot, disching the rule patriot, disching the rule patriot, disching the wise statesman, the true patriot, disching the wise statesman, the true patriot, disching the rule self to think, in the most secret recesses of his heart, that John Marshall was a "Moral Traitor?" Far exceeding him in bitterness of

vent the war, stood John Randolph. The to the whole war policy is too well known to the majority of our readers, to require

The present Secretary of State, the Hon, James Buchanan himself, denounced the war as a miserable abortion, and stigmatized Mr. Mailison as the degener successor of Washington. Does Mr. Buch

But why multiply examples? If the dattrine be true, that, in time of war, the con-Henry Saymour Conway, the gallant duct of the Executive is not even to bequestiolity, the tried patriot, the unwavering tioned, then is our Government not only
