> -----THE CHARLESTON DUEL .--- A public meeting of the citizens of St. John's, S. Carolina, was recently held, in relation to the duel between Messrs. Taber and Magrath, when the following, among other resolutions

were adopted :

81

86

1. Resolved, That the people of this 1 75, 2 00 Parish have heard, with equal surprise, indignation and sorrow, of the scene lately enacted in the Parishes of St. Phillip's and St. Goo s of our own manufacture are all Michael's which resulted in the death of Wm. R. Taber, Jr., one of the Elitors of the Charleston Mercury; and, as citizens of the same State, and equally interested in maintaining the principles for which he

2. Resolved, That the Constitutions of

South Carolina and of the United States. alike guarantee the liberty of the press, and to twenty stalks from a grain. As they 60 the right of free speech, and forbid the en-64 actment of any law restraining either ; and 68 that those instruments are virtually nullified 72 in that respect, if, by a "higher law," the 76 editor of a public journal can be held res- was found that there were on an average ponsible at the mouth of a pistol, for the twenty more grains in a head than in the publication of articles from correspondents commenting upon the political conduct of

daughter in marriage to a sooty African, then springs behind to assist the other .-who had been educated at this aboliton Institute. This man, we understand, is a State Electar on the Fremont ticket, and regards the negro as his equal. The young lady is described as being extremely beautiful, and but sixteen years of age, while her dusky lord is blacker than the darkest mid-

-----NOBLE SEXTIMENTS .--- The following extract from one of Mr Buchanan's speeches in New York cannot be too frequently or

too carefully read: "I have been abroad in other lands; have witnessed arbitrary power; I have contemplated the people of other countries; but there is no country under God's heavens where a man feels for his fellowman except in the United States. And if you could feel how despotism looks on, how jealous the despotic powers of the world are of our glorious institutions, you would cherish the constitution and Union in your hearts-next to your belief in the Christain

religion-the Bible for Heaven, and the constitution of your country for earth." ----

FREAK OF A RIVER-The New Orleans Delta learns that Red River has dammed up its own mouth and now makes its way to of the stream, and that at one time it never touched the Mississippi, but pursued the course which it has now resumed, emptying into the Gulf far to the West of the Missis sippi- The Red River is now low, and it remains to be seen whether, when full, it will not re-open the outlet to the Mississippi and again mingle with the "Father of Waters."

ANCIENT WHEAT .- Two years ago, scientific gentleman, in making archaeological researches in some of the ancient tombs in the south of France, found imbedded with some preserved bodies a species of wheat not now in existence. It was a habit in the days of the first Gallie Kings to place in the coffin of embalmed persons a stronger and more vigorous than the com mon wheat. When the grain formed, it ordinary wheat. A considerable quantity

The sinews are cut, and in half the time I have been describing it, the horse is on his side : his struggies are fruitless-the victory is won. At this signal the lookers on close in at a gallop; but the small fry of followers keep at a respectful distance, until their superiors are gorged, and then they take their turn unmolested.

POISONED .- The Athen (Tenu.) Post, avs :--

At a camp meeting at Shady Grove, in pudding, and the meanest kind at that." Jefferson county, on last Monday morndinner on Sunday at the tent of Mr J. F. nose. Shaffell were sick to the number of thirtyfive, so far as we have heard; all arc, however, recovering except one negro woman, who died, although some were dangerously sick. It is supposed that the poison was I had a distinct perception of feeling two prepared by a negro of the family.

HORRIBLE STATE OF AFFAIRS IN AFRICA -The Rev. Mr Beachman, a member of the | swift wings across the table, lauded in mad-"London Weslevan Mission," has recently am's bosom.

returned from a visit to Africa, and in a Coast and its vicinity, which we find in cratic party, under his administration, will the Gulf through Atchafalia Bayou. There the Honolulu Religious Journal, he furnishes banish the political storms that appear to is no doubt that this was the former course a picture exceeding in horrors anything we had vet believed of beings wearing the human form. Who can read without a hudder of such bloody deeds and Pandemonium customs as those which he records :

streets or market places of their villages or every dish. towns paved with the skulls of those butchered in the wars, at feasts, funerals, or as sacrifices to Bossum. When Adahausen died, two hundred and eighty of his wives just as I can discinctly recollect, it had were butchered before the arrival of his successor, which put a stop to it, only to certain quantity of wheat. Some of this increase the flow of blood and the number wheat was sown and the gentleman was of deaths in other ways. The remaining pile with her delicate feet, and commenced astonished to see sprout forth from sixteen living wives were buried alive, amildancing, jumping up and down-when, thank heasinging, and bewailing, the noise of muskets. grew, the stalks became angular and much horns, drums, yells, groans and screeches. again-that's the moral. The victims were marched along with large

knives passed through their cheeks. The executioners struggle for the bloody office, while the victims look on and endure with apathy.

"My love, my sweet, dear love," exclaimed we, soothing, "do not get angry; I'm sure it's very good if it is bread pudding."

"You mean, low wretch" fircely replied my wife, in a higher tone, "you know it's plum pudding."

"Then, madam, it is so meanly put together and so badly burned that the devil himself couldn't know it. I tell you, madam, most distinctly and emphatically, and will not be contradicted, that it is bread

It is plum pudding" shrieked my wife, ing, many persons were taken sick and as she hurled a glass of claret in my face, were found to be poisoned. All who ate the glass itself tapping the claret from my

> . "Bread pudding !" gasped we, pluck to the last, and grasping a roated chicken by the left leg.

"Plum pudding !" rose above the din, as plates smashed across my head.

"Bread pudding !" we groaned in a rage as the chicken left our hand, and flying with

"Plum pudding !" resounded the war-cry sketch of the negroes inhabiting the Gold from the enemy, as the gravy dish took us where we had disposed the first part of our dinner, and a plate of beets landed upon our white vest.

> "Bread pudding forever !" shouted we in defiance, dodging the soap turreen and falling beneath its contents.

"Plum pudding !" yelled the amiable spouse, as noticing our misfortune, she de-"Scarce any one of their bloody customs | termined to keep us down by piling upon as been abandoned since they first became our head the dishes with no gentle hand .-known to Europeans. They will even have Then in rapid succession followed the war their court-yards, palaees and even the cries. "Plum pudding !" she shricked with

> "Bread pudding !" in smothered tones came up from the pile in reply.

Then it was "plum pudding" in rapid succession, the last cry growing feebler, till grown to a whisper. "Plum pudding" resounded like thunder, followed by a tremendous crash, as my wife leaped upon the ven, we woke, and thus saved our life.

We shall never dream on wedding cake
