

Romance of the Ballet.

Last winter a wealthy Cuban conceived an extravagant passion for quite a pretty young woman dancing at a leading Broadway (New York) theatre; wrote to her and solicited an interview.

He poured his passion out in burning words, and offered to pour out his gold as freely; but she informed him, as the celebrated English did her opulent admirer, that the way to her bed-chamber lay through the church.

Too proud to follow him, she went back to the stage, and during the month of May a clerk in a commercial house down town fell in love with her, and went through the same experience as the Spaniard.

Esmeralda declined to have anything more to do with the rogue, and released him unconditionally. The merchant was so much struck with the woman's spirit and beauty, that although he knew she had twice consented to marry in cold blood, he proposed matrimony to her, and for the third time she accepted.

Her fiance is nearly forty, and has long been sought as a husband in modish circles to no purpose. His liver seems to have struck now, and there is little doubt he will wed Esmeralda this winter, and snap his fingers at emerald and criticism.

She will join Grace Church; be passed upon by Brown; ride to morning service with gold-clasped hymn-book, and look ten times more as if she was born to it than many of her sex who prate of blood and breeding.

NOTICE.

The Notes of the Estate of James B. Wallace, dec'd, have been used for some time. Those concerned are requested to come forward and settle with the Administrator between this and the 15th day of December, as I am determined to settle up the Estate as soon as possible.

M. B. WALLACE, Administrator. November 25, 1867.

HOME PRODUCTION.

North State Washing Machine—Best in Use. Patented October 15th, 1867, by the Subscribers and Manufacturers, at Charlotte, N. C.

If you need anything of the kind, you will encourage home industry by purchasing one of our Machines.

It is easy to operate, occupies a small space and does not injure articles to be washed. It is strong and substantial, and does its work in a short time. It is an actual improvement on others of similar outside appearance.

In the North State Washing Machine the clothes are placed in hot suds and while thus immersed are rubbed and scrubbed, and the action of the rollers, giving the garments a rolling, rubbing pressure, and at the same time they receive the solvent power of the soap.

The clothes are not impaired by the use of this Machine. You can make money by saving the wear and tear which your clothes are subjected to by washing and heating in the old way.

This Machine gives the advantage of using boiling suds and of confining the steam. It can be worked sitting or standing. It is cheap. The price of its parts is within reach of nearly every family, and pays its cost back in the saving of garments.

Try it! Try it! Buy it! Manufactured and sold by BARNHARDT & HOUSTON, Charlotte, N. C. Nov 25, 1867.

CERTIFICATE. Charlotte, N. C., Nov. 22d, 1867. Messrs. Barnhardt & Houston—After a fair trial of your Machine, I feel fully convinced that it is the best I have ever seen.

I have had five or six different Machines since I have been a housekeeper, but always found the servants averse to use them, high on account of the labor and as they are so difficult to operate, and the "wreaks of dirt" out of the clothes. This Machine is so easy in its operation and so perfectly cleans the clothes that I find no difficulty in getting them to use it. No family ought to be without one. Sincerely wishes for your success.

Yours respectfully, Mrs. M. A. BURNELL, Charlotte Female Institute. Charlotte, N. C., Nov. 30, 1867.

Messrs. Barnhardt & Houston—Sir: I have tried your Washing Machine, and fully concur in everything that Mrs. Burnell says in regard to it. Yours Truly, Mrs. Dr. J. M. MILLER. Charlotte, N. C., Nov. 30, 1867.

Messrs. Barnhardt & Houston—Sir: The North State Washing Machine is really more than I expected, and can with candor say that there is no humbug about it. My servants say that it does its work as well as can be done by hand. And I take pleasure in recommending your Machine to my friends, and all who desire a labor-saving machine. Best wishes for your success. Respectfully yours, Mrs. DAVID PARKS. Charlotte, N. C., Nov. 30, 1867.

Double Marriages.

The National Intelligencer says the following announcement was made at St. Aloysius' and other Catholic churches in Washington last Sunday:

"A Catholic man was lately married to a Protestant lady in this church, with the necessary dispensation of the Most Reverend Archbishop; the intention of these parties to appear afterwards before a Protestant minister, there to be married again, not being known either to us when they married here, or to the Archbishop when he gave the dispensation to the man to marry a Protestant."

By order of the Most Reverend Archbishop, regret is hereby publicly expressed for what occurred at that late marriage, and required this public announcement, lest it should pass into a precedent, and that all Catholics may understand that such marriages are contrary to the discipline of the Church. Thus far, the order of the Most Reverend Archbishop. We may only add, reminding the people, that according to the laws of the Church, any of the faithful who presume to get married out of the Church, by the very act incur excommunication."

The Combination Sewing Machine. The Proprietors, as a further inducement to parties purchasing this celebrated Machine, offer the following:

The price of the Machine is reduced Ten Dollars. Parties purchasing will be instructed gratis to execute any work upon it. They warrant the Machine for twelve months, and guarantee it to do any work which can be done by any in the world. And in addition, make a perfect any of Eyelet-hole, embroidering edge or whipping on. The Machine is always in operation at the agency. A. SINCLAIR, Springs Corner. Nov. 18, 1867.

Claims collected anywhere in the State. April 2, 1866.

A RADICAL VIEW OF A POLITICAL PREACHER.—We are glad to see that the House of Representatives is still to enjoy the invaluable services of Rev. Mr. Boynton as chaplain. It is that gentleman's habitual practice to thank the Almighty pretty regularly for whatever may have been done in Congress which accords with his own views of political and party propriety, and in this way the members are properly posted as to his opinion of their acts.

As the chaplain has no other mode of making political speeches in the House, not being a member thereof, it is exceedingly clever in him to have discovered so excellent a dodge. We observed that in Thursday's opening prayer he offered a resolution of thanks for the establishment of universal negro suffrage.—New York Times, (Radical.)

He will fix it so it will not stop. He warrants his work all for a year. When it is used with proper care, He will do it as long as you can be alone, and "As God will, so will it be sure to run." June 24, 1867. Gm

Health for the Southern Invalid, Found in the use of KAY'S WORDSWELL'S Vegetable Restorative Pills, imported by A. H. ERWIN & CO. These Pills supercede the use of Blue Mass, Colonic and all dangerous medicines; are most effective in Chills and Fever, and will renew and invigorate the body. As we have been disfranchised by the Yankees let us turn distrustfully all Yankee trash medicines and Yankee nostrums. This Medicine can be had at Dr. Scar's and Walker & Brother's, Charlotte, and at Dr. G. H. Powell's, Salisbury, and of A. H. ERWIN, Sept. 30, 1867. Lincolnton, N. C.

I have used some of the above mentioned Pills, (Kay's Wordswell's Vegetable Restorative Pills), and can honestly say that regard them as a safe and efficient remedy for many disorders incident to our country. L. G. JONES, M. D.
