### The Orphan.

I am dreaming, sadly dreaming, Of the happy times of yore : Of the scences in youth enacted, 'Round my Father's cottage door.

I am weeping, lonely weeping. For the friends of former years, Who their last repose are sleeping, In their drear and gloomy biers,

Visions of the past are bringing, Forms that I remember yet, And my soul to them is clinging, Tho' they have in Heaven met,

A Father dear, a noble Brother, Are alike both gone from me, And a kind, devoted mother, From my gaze must ever be.

I've no peace and I've no pleasure, Naught else can I know but pain, And the only hope I treasure, Is, that we may meet again

### HOME PRODUCTION.

North State Washing Machine - Best in Use. Patented October 15th, 1867, by the Subscribers and Manufacturers, at Charlotte, N. C.

If you need anything of the kind, you will encourage home industry by purchasing one of our Machines.

It is easy to operate, occupies a small space and does not injure articles to be washed. It is strong and substantial, and does its work in a short time. It is an actual improvement on others of similar outside appearance.

In the North State Washing Machine the Clothes are placed in hot suds and while thus immersed with the air excluded, the Machine is operated, giving the Garments a rolling, rubbing pressure, and at the same time they receive the solvent power of the soap.

The Clothes are not impaired by the use of this Machine. You can make money by saving the wear and tear which your Clothes are subjected to by washing and beating in the old way.

sitting or standing. It is cheap. The price of it Mitchell's and Cornell's Geographies; Copy Books; puts it within reach of nearly every family, and pays Quackenbo's and Brookfield's Composition; all classes its cost back in the saving of garments.
