WHY IS IT

That Charlotte is now the most fashionable village in North or South Carolina? The reason is this, that A. BETHUNE, by his untiring perseverance and his superior talents in his profession, has placed Charlotte in a position far superior to any town or village in North or South Carolina for FASHION or FINE DRESSING. He is the only man now in Charlotte or the Western part of North Carolina that sells FINE GOODS and manufactures them himself. You now can find at his Establishment, one door east of Spratt & Allison's store, as FINE and as FASHIONABLE GOODS as can be found in any Merchant Tailoring Establishment in New York. He being a regular member of the Merchant Tailor's Association of New York, and having a direct communication with some of the largest dealers in CLOTHS, CASSIMERES and VESTINGS, and all kinds of goods usually kept in a GENTLEMAN'S FURNISHING ESTABLISHMENT, those that wish fashionable goods made up in a superior style would do well to call and leave their measure and select the goods. If they do not suit don't take them.

ROWAND'S TONIC MIXTURE, &c.

The Publisher of this paper has been appointed Agent for Dr. Rowand's valuable Medicines. He has now on hand his Tonic Mixture, a valuable remedy for Fever and pegue, his compound Syrup of Blackberry Root, for Cramp, Colic, Cholera Morbus, Diarrhœa and Dysentery, and his Purgative Telegraph Pills, which he now offers to the public for sale.

ANOTHER SCIENTIFIC WONDER! IMPORTANT TO DYSPEPTICS.—Dr. J. S. Hough's PEPSIN, Tasteless Digestive Fluid, or Gastric Juice, prepared from RENNET, of the FOURTH STOMACH OF THE OX after directions of Baron LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D., Philadelphia. This is truly a wonderful remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT CONSTIPATION and DEBILITY, curing after Nature's own Method, by Nature's own Agent, the GASTRIC JUICE. Pamphlets, containing Scientific Evidence of its value, furnished by the Agents gratis. See notice among the medical advertisements.
