# DEFERRED ARTICLES.

CLARK MILLS AND THE EQUESTRI-AN STATUE OF GEN JACKSON.

The most of our readers have seen some account of the inauguration of the Equestrain lars to make an equestrian statue of General Washington. The statue of Jackson was The history of Clark Mills is a most extraordinary one. He gave it to the senior editor of the Patriot himself six or seven

> his narrative in regard to his own life and talents. He told us he was a good house

plasterer in Charleston, and did not know by a door where a Phrenologist had hung not charged for the examination of their

beads. This induced him to go in and have his bumps examined. The Phrenologist said to him, " You have the organ of sculpture in a very eminent degree, and if ye

were to cultivate your talent you would be a very distinguished artist." Mills replied to him, "You have confirmed me in my skepticism. I never had any confidence in your pretended science, but if I had, your account of my own head would utterly de-stroy it. I am, sir, a house plasterer, and will warrant their work to be made of the best maknow nothing about sculpture whatever," The Phrenologist replied, "I don't care for fol degree and should cultivate your talent." Mr. Mills said the idea that he possessed a rare and valued talent which he was not conscious of, haunted him night and day. But still he never thought of trying his tal-ent, for he did not know how to begin. One ent, for he did not know how to begin. One day he saw an Italian going through the WORK always on haad. street of Charleston with a bust of Napolcon in plaster, and he asked him how it was moulded. The Italian promised to show him, and did so. He caught the idea instantly, and was enraptured with it. First he commanded a likeness in plaster of his

it. He then commenced taking busts, as he was doing when we formed his acquaintance. Next he chiseled in heautiful where he might study sculpture, and culti-"That's right," he said again ; " always vate his genius. For this purpose they provided him with funds, and as he was pass-
