A wreck more distant and difficult fields. Who then would shed a gloom on every republican would dare to advocate a disarming of the heart-it would be a mighty triumph to the opponents of popular rights.

It would be almost equivalent to a failure strip the citizen of those rights which under of one of the State republics; and would his mind, to enlarge his ideas, and to digni- as the first of a series of explosions that are to cover this magnificent continent with the During the settlement of this country the distual rains of freedom.

To all good mon, then, I make my apthey dospise the people. Come out, and by ties around them ; their position was such the strength of your numbers, by your praymode of treatment would do ; but he spoke The stranger, after taking a careful survey And think you good men of all parties, that from the start each one had practical ors and by your number, by your number your hanners to the breeze and your trust in God, and you will not he disappointed !

Behold who stands before you-it is the called on to adjudicate, to legislate, to coun- of all our institutions which has not yet

a few minutes, and I gave him my views of sallow, and awry, with a pait like a hangas armed by a committee of boohies-that is to the case, and stated what I had done and roo. One day he was a hunting and on one say, by a committee of that dear people why I had done it. We then proceeded to of the mountain roads he met a man on fost whom you began by praising. And now,

and blistered !" asked the wife surjously, saying a word, B---- raised his gun and help them to have a good School ! fy his character. Dr. S. thought a moment, and then said, deliberately levelled it at the stranger .- "These wretched schools never will be colonists all went to school, and Nature and

tend, as best they could, with the difficul-

T. H.MABCH. J. A. BLACK, JR. was firm in my resolution not to do any of the cause of his supposed illuess.

I wished to make a call of importance in UGLY vs UGLY .-- In the eastern part of in its stead, are the wretched Schools of
