In numbers, in our Cause, we are vastly superior to the adversary -shall we make the most cowardly surrender recorded in the annals of Time!

Let us work for success, and we will win it. Let us all lay to and make "a long pull, a strong pull, and a rull all To-GETHER, and triumph awaits us.

With much respect

WHITE-WASHING EXTRAORDINARY The Rev. James Williams, the well-known and philanthropic missionary, so long resident in the South Sea Islands, taught the natives to manufacture lime from the coral of their shores. The powerful effect pro. Tuesday Afternoon, January 3, 1854.

duced upon them, and the extraordinary uses to which they applied it, he thus facetiously described:

burning, which they believed to be to cook the coral for their food, what was their ustonishment when in the morning they found shouted and screamed with joy. The whole which ensued after they got possession of week. Christmas, &c., was the cause, the brush and tub baffle description. The bon tan immediately voted it a cosmetic and a swarthy coquette consider herself could she enhance her charms by a dab of the white brush. And now party spirit ran high, as it will do in more civilized countries, as to who was or who was not best entitled to preference. One party urged their superior rank; one had got the brush and was determined at all events to keep it; decisred another dividend at 24 per cent. and a third tried to overturn the whole, that they might obtain some of the sweepines. They did not even scruple to role washed infants.

A SIGHT NOT OFTEN SEEN .- A foreign that his name was William Robinson. correspondent, writing to the New York Evening Post, says:

- and I rather guess the same God hears their senses away. the prayers of both. I was astonished to find this fact, for the Aarsu people had been described to me as very intolerant Protestants, and the Catholics there as grous difficulties in Switzerland, the joint wit: use of the church was not endangered by Robert Show, Sobiler and Harmon Maker, has the prevailing high projudices. I was told always on hard a large and splended associatent that it was not. I frankly expressed to the of everything in his line of ligious sects: "Well," as to that, said be, moduled to everything that is nex and fine. the people of Aaran are neither very real.
