GOVERNOR'S MESSAGE.

EXECUTIVE DEPARTMENT. RABBIOH, Nov. 17, 1556. To the Honorable the General Assembly

ment, as the Business of the firm must and shall of the State of North Carolina : GENTLEMEN: You have been elected by the people of the State to represent them in this General Assembly. They have confided to you powers, the highest and most important known to our government and laws. Coming as you do from the great body of your fellow citizens and from every section of the State, it is supposed that you are acquainted with their wants and necessities, and that these will be provided for, so far as it can be done by wholesome and Under set to provide enlightened legislation. I doubt not that to disappoint these reasonable expressions. For my own, allow me to assure you that F & W. Plankroud bale my aid, however feeble, shall at all times be

given towards facilitating your labors. Before touching upon matters concerning Do Before touching upon matters concerning Do do du, more especially our own State and polity. The foregoing are allow me to congratulate you upon the happy teg stered bonds: termination of the exciting political contest. The following are contermination of the exciting political contest through which the country has lately passed. For the first time in our history we have seen an attempt seriously made by one see-If Remember the accrest Hotel to the Deput tion, or more properly speaking, by a political party of that section, to get the control of the different departments of the general government, with the determination expressed to administer that government on strictly sectional grounds. It was virtually an attempt to degrade one section and to endanger its institutions, and to deny to it, those equal rights and privileges to which Do do do. all the States in the Union are entitled, and Do do eo, which hitherto they have enjoyed

which hitherto they have enjoyed. Do Do True it is, that all this was sought to be Do done according to the forms of the constitu. F. & C. Pienkroad tion. But the attempt was not the less bids running twen-

atrocious for that reason. The general government was intended by F & Warsaw Plank its framers to operate for the protection and safety of all, and if properly administered, Tarrives, indexactor will only be felt in the most beneficent manner. But whenever it is seized upon, even uning thirty seems, under the forms of the constitution, by one Laurent Arrive both, section of the country and so wrested, and towing he years, percented from its legitimate purposes as to Atlantic see N. C. Rail. ecome an instrument of oppression or degradation to the other, he knows very little of the Southern people who believes that they would submit tamely and ignominiously to such a government and to such an Duton, dulgence will not be given. As the largest num. however dear one of a different kind may Bonne for mancy cirber of said Notes and Accounts have now stand too be, and, I trust and believe, is to all. What need to puld ever may have been said to the contrary. we of the South have not sought to control Band for money better. Grocery Store of Spring & McLeud's, Charlette; we of the South have not sought to control or at the Store on Rocky River, where the time, the affairs of the country or its government, news well be continued, and settle the same forth, so as to advance our own peculiar views and so as to advance our own peculiar views and interests at the expense of any other section.

All we have asked for in to be protection the right alone, in the right alone, in their advances of the Union that the common Territories of the Union that this amount about More than this we have not sought to oh SON have just received thin. Less, if true to ourselves, we will
