Dr. HOSTETTER'S BITTERS have received the warmest encomiums from the press and people throughout the Union. As a valuable tonic for the cure of Dyspepsia, Flatulence, Constipation, and general nervous debility, it cannot be approached. Every day new cases of its great effect are chronicled throughout our principle journals. There is nothing equal to the enjoyment, to that which the afflicted experience when using this valuable specific. Its mild tone, its sure and vigorous action upon a disordered stomach, and the cleansing of the entire human body, should recommend it to all classes of our community—All that will be necessary to convince the skeptical of its healthy effects, is to purchase a bottle and be convinced.

Sold by Druggists everywhere, and by HOSTETTER & SMITH, Sole Proprietors, 58 Water and 58 Front Streets, Pittsburgh, and by Hutchinson & Gibbon, Charlotte, N. C.

CHARLOTTE HOTEL,

BY

J. H. HORNESS

CHARLOTTE, N. C.

THE Proprietor of this Hotel is still at his post ready to fulfil the duties of "mine host" to the travelling public and others who may call on him, and he flatters himself that as comfortable quarters can be found with him as any where in this vicinity. Being situated nearly in the centre of Charlotte, Business Men will find this Hotel a most convenient and desirable location. He has been engaged in the business at this stand nearly eighteen years, and in that time he has made several additions to his former house, and it has been greatly enlarged and improved, presenting in front a two story VERANDA 100 feet in length by 12 feet in width, handsomely shaded by trees on the side-walk, affording a pleasant promenade at all hours of the day.

The House has been thoroughly furnished throughout, and in every part of it creature comforts are abundant and tangible, especially in the DINING ROOM, where the "inner man" is "crammed" day by day.

Connected with this Hotel are Stables affording room for 100 horses, abundantly furnished with grain and provender, attended by faithful and obliging hostlers.

The Proprietor feels confident that with his long experience and many new advantages added to his house to please, he is prepared to offer his friends and the "rest of mankind," as many comforts and as much good cheer as will be found anywhere, perhaps a little more so.
