OXYGENATED BITTERS.

WORCESTER, June 27, 1854.

Gentlemen.—After suffering much for two years past from Dyspepsia, I was induced to purchase of your Agent in Worcester, a bottle of your *Oxygenated Bitters*, and after a trial of less than two bottles, I find myself radically cured.

I hate not the least hesitation in recommending them to all who are afflicted with this distressing complaint. You are at liberty to use this as you think best to further the sale of this excellent medicine.

Yours truly,

JOHN GREY.

Any Individual suffering from weakness and derangement of the stomach, nervousness or debility in any form, can be *cured* by this medicine.

SETH W. FOWLE & Co., 138 Washington Street, Boston, Proprietors. Sold by their agents every where, and by E. Nye Hutchison, & Co., Charlotte, N. C.

☞ Dr. HOSTETTER'S BITTERS have received the warmest encomiums from the press and people throughout the Union. As a valuable tonic for the cure of Dyspepsia, Flatulence, Constipation, and general nervous debility, it cannot be approached. Every day new cases of its great efficacy are chronicled throughout our principle journals. There is nothing equal to the enjoyment, or to that which the afflicted experience when using the valuable specific. Its mild tone, its sure and vigorous action upon a disordered stomach, and the cleansing of the entire human body, should commend it to all classes of our community—all that will be necessary to convince the skeptical of its healthy effects, is to purchase a bottle and be convinced.

Sold by Druggists everywhere, and by HOSTETTER & SMITH, Sole Proprietors, 58 Water and 56 Front Streets, Pittsburgh, and by Hutchison & Gibbon, Charlotte, N. C.

Joy to the Admirers of

A FINE HEAD OF

RICH GLOSSY HAIR.

As a matter of luxury, it cannot exist without a free growth of hair, then read the following, and if you are poor, see circular around each bottle, and be convinced.

PROFESSOR WOOD'S HAIR RESTORATIVE. We call the attention of all, old and young, to this wonderful preparation, which turns back to its original color, grey hair—covers the head of the bald with a luxuriant growth—restores the scurf off, itching, and all unpleasantness—causes a natural flow of the natural oils and tissues, if used as a regular dressing to the hair will preserve its color, and keep it pliable to extreme old age, to all its natural beauty. We call them upon the bald, the grey-headed or sandy, to use it, and surely the result will be, as they enjoy the flowing locks, waving curl, ever be without it. Its use is from the league of thousands.

An Agent for Prof. Wood's Hair Restorative in Richmond, Va., received the following letter in regard to the Restorative, a few weeks since:

DEAR RIVERS, Conn. July, 22, 1856.

Mr. LEONARD WOOD—SIR: I have been troubled with dandruff for some time, and my hair began to come out, scurf and hair together. I was in a New Haven paper about your Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased a bottle to try it, and I found to my astonishment it was the thing; it removed the scurf, and my hair began to grow; it is now free of dandruff, and is growing in length where it was all off. I have used but little of it. I wish you to send me two bottles by Mr. Post, the bearer of this. I don't know any of the kind to send in this place, and I have a market for many bottles after it is known here.

Yours with respect, RUFUS PRATT.

PHILADELPHIA, Sept. 9, 1856.

PROF. WOOD—DEAR SIR: Your Hair Restorative is truly beneficial to me. The front and top back part of my head almost lost its covering fast gone. I have used but two small bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its full. I have tried other preparations without benefit whatever. I think from my own personal experience, I can endorse many others as to it.

Yours respectfully,

D. B. THOMAS, M. D.

No. 464 Vine street.

VINCENNES, Ia., June 22, 1853.

PROF. O. J. WOOD—As you are about to commence vending your recently discovered Hair Restorative, I will state, for whatsoever it may benefit, that I have used it and known others to use it. I have, in several cases, been in the habit of using other Hair Restoratives, and that for years vastly superior to any other I know, speedily cleanses the head of dandruff, and with nature's proper use will restore any person's hair to its original youthful color and texture, and a healthy, soft and glossy appearance; all this, without discoloring the hands that use it, or the dress on which it drops. I use it, therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,

WILSON KING.

Intendant's Report.

THE INTENDANT of the Town of Charlotte for the year A. D. 1858, would submit the following as his Report, for the present Financial Year, ending the 1st day of December instant, and would beg reference to the Report of the Treasurer of the Commissioners of said Town.

By which it will be seen, that there has been a large amount of old outstanding debts against said Town met and paid off by the order of the Commissioners for the present year, which has reduced the liabilities to the nominal sum of $1,530 63, of which said sum there are owing and due to the following named persons, viz: To Agnew, of Philadelphia, $500 for five hundred feet of Hose for the Fire Engine; a balance still due to Sam'l. McNeely, for stone work on streets, done in 1854, of $218; to Miller & Porter $62 06; to Watchmaker & Bowes $60 50; to W. J. Yates for Printing $78 63; to the Charlotte and Taylorsville Plank Road Company $210, being Ge 10 per cent. per annum, allowed to them for the use of the Plank Road in said Town; also, a balance due David Parks as Intendant and a order due S. A. Harris, for services rendered.

And would further beg to say, that in addition to the foregoing outstanding debts which are now due and will have to be paid during the ensuing year. There will be due in January and July next, $800, the annual interest on Bonds given by the Town for the Male and Female Colleges of this place, and a further sum of $600 will be due during the said next year for lighting the town with Gas, as per contract entered into by the present Board of Commissioners, so that the actual existing debt against the Town for the present year, and that which will fall due in the next year amounts to $3,430 63.

In addition, your Intendant would further Report, that there are accounts in the hands of the Commissioners of the Town of streets of Taxes uncollected for the years 1854, '55, '56, '57 and '58, amounting in the aggregate to $771 28.

How much of this amount may be collected, I am unable to say, but would suggest that one-half of the above amount might be found good; and further, there belongs to the Town a two-horse wagon and one pair of mules, which if sold now, would bring two hundred dollars and about one hundred and fifty dollars in notes, taken for taxes due.

In conclusion, I would say that I have tried to do my duty as an Officer of the Town of Charlotte to the best of my ability. If I have failed to meet the expectation of all, I can only say in reply that I am sorry for it, as I did what I conceived my duty. And further, I feel under many obligations to the citizens generally for their kindness in according to me their aid at any time desired, for the purpose of keeping the peace of the Town, and for their promptness in observing the regulations, as ordained by the Board of Commissioners.

All of which is respectfully submitted.

DAVID PARKS, *Intendant.*

Mecklenburg Bonds

SEVEN per cent. per annum.

THESE BONDS are unquestionably the safest investment that can be made, and are really preferable to any State Bonds.

The county cannot repudiate.

They bear seven per cent interest payable semi-annually, with Coupons for the same.

They are of the denomination of $100, which will make them more current and useful for domestic purposes.

The coupons will prove a convenient medium for paying county taxes.

The citizens of the county should possess them, and they are now offered to them. Proposals left at either Bank in Charlotte or with Captain John Walker will receive prompt attention.
