#### LOSING A HEART.

BY DAVID W BARTLETT.

other day while looking with mournful interest over the papers of a decrared friend.

It will explain itself, but the reader may when it was evening went over to Judge valled himself of the newly arrived cargo enough on State and notificing and the papers of a decrared friend.

It will explain itself, but the reader may when it was evening went over to Judge valled himself of the newly arrived cargo enough on State and notificing and the parellating are parellating to the parellating and the parella know his fate; he died a few seek since I approached! It was a clear moonlight thou have you avening, and I saw | Susan boseath the with emphasis.

a heart! You start, sad well you may, for a guileless human heartis a priceless treas her, the fathless thing-I would fly fly ure when possessed-and when once lost to the ends of the earth-and from her! I a guileless human bearvis a priceless treasnever can truly be recovered again.

Or, you start to think that I over had a heart to lose! Yet have been gaping at he away, away, and try to forget the past my wrinkled forehead, at my gray frameyet I am only a backelor of forty. You forget I was young once, and fair like your that enough bear me out.

Sit down by my table while I unlock that porticually and show you a picture. " Beautiful !"

Av. it is a beautiful pictore; never were there sweeter eyes, a fairer forehead, a sometimes consol ture before you. And here is a leek of her auburn hair-and these fingers of mine

my room in tears, or roused the passion of and skies, and fields. Latopped at the wimotor, and it grow out of, in a manuer, my The landlerd stood with me upon the steps sensitiveness, was jealousy. Whom I loved, I heard the village bell strike selemnly I loved with my whole heart, and I claimed show whole heart in return. I was easily with the property of a friend, was "Yes, Susan K is buried to day." made jealous of the leve of a friend, was careful how I formed friendships, and at the age of twenty had never leved a woman the ground. I remember nothing more for were saved.

tather's house, Judge II s pleasure country to retrieve any teat I was defending a Isverite author of line work, for the visit in serious properties, this size type) for the first inserties, and Size and Size are research and Size are represented as and Size are represented as an open of the size are represented as an open of the size are represented as a size of this work, for they any that I was defending a Isversite author of the very local form the size of the siz in A voice of subdued sweetness, and seem-Persons when sending in their sidvertisements and votes of supules sweetness, and section of the number of insertions desired or ed to express its lovely beauties upon her being during the face. I was entranced, and during the evening offered her my arm for a well out to their out of the continuous secretary.

EFF estimators are authorized to set as agent beneath the verands. She accepted with a blush of pleasure, it required to me. The er one more faithful than this poor heart a blush of pleasure, it recemed to me. The er one more faithful than this poor heart modulight was soft and enchanting, and the of mine, which ashes and the poor heart fragrance of the garden feet and the of mine, which ashes and the poor heart fragrance of the garden feet and the comments of mine.

fragrance of the garden flowers floated You may never see these lines, but if you around us. We talked of poerry and men and women, and of human sympathics and and women, and of number and trembling, to know this and yet you must not feel and yet not affectedly so, and talked to a sortowful, for I do not blame you for what low musical voice of the real wors and joys incident to life. There was little of fashionable "en all ralk" upon her lips-she was too pure and intellectual for that.

ty invited by him to visit him whenever I that I was ever ever yours. Furescill SUSAN R Susan e playing, or anything which would add to my She died of a broken heart I know pleasure. I yested there often, and the from what her father said. She pined more I saw of Satan the more truly did I away slowly, for she hoped cleary that I have her. There was a secretary about might churc back, mouth after month her her beauty which it is rare to find in this bopo graw fainter, and the silver chord the world, and her sil-position was lovely as susped saunder at last, and her heart, grew up so pure and gentle. Eaving news Ay, and my new too! There is her pid so petiod and founded from a siddhood by ture—the same beautiful face—gentle heart, her father—but her mother was a wamon I slayed ner, though she trusted in me!

One summer day we went out togother Into
