Alamance Superior Court convenes on Monday next. Judge Kerr will preside.

Died in this county on Wednesday 3rd inst., Martin Moser. The deceased was a man passed middle life, a substantial citizen and good man.

Go to see "Uncle Bob Hamner" at the store of W. G. Harden & Co. "Uncle Bob" can't suit you at first he'll put on his specks and try he does. What he tells you is so; "you bet."

There were services in the Presbyterian church of this place on Sunday night the 31st ult., by the Rev. Dr. Lyman, Assistant Bishop of the Episcopal Church for the Diocese of North Carolina.

We call attention to the Graham High School, to be found in another column. This is a deservedly popular institution of learning, and is liberally patronized.

The Rev. D. A. Long, Principal of the Graham High School informs us that Judge Kerr will one night during the next term of Alamance Superior Court, deliver an address in the Chapel of said School.

OUR TOWNS.—In our county we have no town of considerable size, Company Shops, so called from the location of the Shops of the old North Carolina Railroad Company, being the largest. And even this, has not, so far, applied for a charter recting wards and bestowing city privileges and dignities. Had it been as ambitious as some towns in the State probably it would have done so before now. Graham is regularly laid out, and beautifully located, with some of the handsomest residences, of any village of its size in the State. It is pleasant and healthful; and, but for the operatives, and railroad employees at Company Shops, would exceed that place in population. Both places do considerably in the way of selling goods and buying country produce, and both places have energetic fair-dealing merchants who give as much and take as little, as any to be found. Mebaneville near the Orange line is a pleasant village where are several stores. Near this place is located the Bingham School. These are we believe all the incorporated towns in the county, though a stranger coming to one of our factories would unhesitatingly conclude that he was in the midst of a considerable country village; and his mistake would be pardonable, as the number of buildings connected with the factory itself, together with the houses erected by the proprietors for homes for their employees are well calculated to deceive one into the opinion that he is in the midst of a town, instead of in the private property of one of our countrymen. At all of these are to be found stores filled with goods. The merchants of our towns, and those of our county, who have stocks they wish to sell, will notify the public of what they have and what they want to buy, from time to time through the columns of the GLEANER.

LEGISLATIVE SUMMARY.

Before the recess, there was a committee appointed by the Legislature, to confer with the creditors of the State, with a view to effecting some compromise and settlement of the State debt. A few of the creditors met the committee, and others wrote letters, all appearing liberally disposed; but nothing definite and practical has yet been done. To pay debts without money is a trick our legislators have not yet learned. The bill on the public debt has, by order, been made special order in the Senate for to-day.

The bills introduced before the recess, for the call of a Convention, it is understood, will be brought forward for consideration this week. The pent up eloquence of legislators will then be aired. The matter has been thoroughly discussed. Let the call be made without incurring half the cost of a Convention in passing the bill. The usury bill has passed its second reading in the Senate and will be read a third time on Monday next. It provides for six per cent, and allows eight by contract, and for violation, makes the penalty a forfeiture of the whole amount of the debt, and party guilty of a misdemeanor, to be punished by fine or imprisonment. This is Mr. Holton's bill, Senator from this county and Guilford, and is a good bill if Holton is a radical. No more important law for the prosperity of the country could be enacted.

The bill incorporating the Deep River, Saxapaha and Reidsville Railroad Company has been amended, by motion of Mr. Boyd, making Danville the terminus of the road. This amendment might be a good one in the event the road is ever built. We hope we may live to see it completed. The bill requiring magistrates to give bond in the sum of \$250, for the faithful performance of their duties, has passed the Senate and two readings in the House, and will doubtless become a law. There is a bill pending, allowing persons in bringing suits to execute mortgage on real estate and deposit in lieu of giving prosecution bond, with what chances of becoming a law we are unable to state. There are several bills for the establishing of new counties that are of local importance, and in some respects of general interest, among these are the bills to erect the county of Pender, out of a portion of New Hanover, and the county of Cohara out of portions of Johnston, Wayne and Sampson. Too many people we think want to fill county offices.

It occurs to us we have about counties enough. This contains disturbance of county lines, may work to the liking and convenience of a few, but in our opinion, should unless in extraordinary cases not be allowed. There are quite a number of bills before the two Houses. The members seem hard at work. We hope there labor may redound to their glory and the peoples good.

ADVERTISEMENTS. VINEGAR BITTERS.

FREE FROM ALCOHOL PURELY VEGETABLE DE WALKER'S CALIFORNIA VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The Properties of DR. WALKER'S VINEGAR BITTERS are a Perfect Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Laxative that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.
