

HERE AND THERE.

We clip the following from the Cincinnati Enquirer. With all the professed love for the negro, the northern stomach is squeamish on the subject of miscegenation, and the laws interpose to prevent it.

Frank Miller, a German, indicted for marrying Mary Sims, a negress, and Rev. Jesse Bass, colored, indicted for performing the ceremony, were arrested in Albany, Indiana, Saturday night and committed to jail. Yesterday the parties were taken before the Criminal Court and the case continued until next term.

Now see what the Convention of 1868, which put the present Constitution in force did.

That Convention to the disgust of all decent people declared the marriage of A. G. Thornton, white, to a negro woman, both residents of Fayetteville, by a solemn enactment to be valid and binding.

The Radical claque resolved, "that an extended discussion of the Civil Rights bill is deemed inadvisable, but the Republicans should never admit that the bill is wrong in principle or that it will be disastrous in its operation, &c."

By no means. There is much use for the Civil Rights bill in the future if the Radical party have the opportunity to use it. During the session of the Supreme Court, two men were admitted to the bar, whose only qualification was that they were colored. Negro Lawyers are watching their turn to go on the bench. The party has use for the negro vote, therefore it will not "do to admit that the Civil Rights bill is wrong in principle."

LOG CABIN AND HARD CIDER DAY.

We were shown yesterday, at the office of the Clerk of the Superior Court, a relic of the past in the shape of a campaign scrap book of 1840, which was originally the property of the grandfather of Mr. Heaton, the clerk. The book includes much matter of interest especially to those now living who fought in the exciting campaign which resulted in the triumph of "Tippacaboo and Tyler too," including campaign songs, &c. Among other things we find the following paragraph under the head of the "Origin of the terms Hard Cider and Log Cabin," which were so much in vogue at that time.

"The Washington correspondent of the Baltimore Republican, a prominent Van Buren paper, alluding sneeringly to Harrison, says: 'Give him a barrel of Hard Cider and settle a pension of \$2,000 a year, and our word for it, he will sit the remainder of his days contented in a Log Cabin.'"

A YORKTOWN RELIC.

[Norfolk Evening Times.] We were shown this morning, at the office of O. E. Maltby & Co., a portion of the wreck of the English man-of-war Charon, consisting of copper bolts and braces, beams and a portion of the cut-water, which latter is covered with lead, between which and the wood is woolen felt in a perfect state of preservation. This vessel was the flagship of the squadron from which Lord Cornwallis landed at Yorktown. She was afterwards burned by hot shot from the French batteries at the siege of Yorktown, and sunk about a mile below the war at Yorktown now. A portion of the cut-water Mr. Maltby intends to send to the Philadelphia Centennial, and will undoubtedly prove a grand curiosity in the way of relics.

Will the people note the fact how many office-holders in the Republican party are out, active canvassers against the Convention, some as volunteers, some as candidates—these latter pledged to adjourn if they find themselves in a majority. Does not this prove the interest these office-holders have in the present Constitution, and that their hostility to convention is selfish?—The truth is the whole opposition originated in office-holders, and is instigated by them.

WHITE MEN, LISTEN.

Judge Thomas, a leading Republican from this State, in the United States Congress, voted for Civil Rights. He is a Radical candidate for Convention. Can you trust such men as he to help make a constitution, in which civil rights may be engrained in schools as well as other things?—Dolphin Record.

A philosopher asserts that the reason why ladies' teeth decay sooner than gentlemen's is because of the friction of the tongue and the sweetness of the lips.

The Financier says the amount of coin and bullion now in the Bank of England is the largest ever known.

Secretary Canfield, of the Treasury Department, is hopelessly insane in California.

It is claimed that the census of New York city, now in progress, will give a population of 1,200,000.

RADICAL PROGRAMME.

The following resolutions show so plainly the necessity of the Republican leaders, and their intention to mislead and deceive the people, if they can, that we shall keep them standing for a while as an evidence of their desperation to regain supremacy in this State. The Civil Rights bill is not wrong, the Usury bill must not be honestly discussed, and Republicans must never do anything to defeat the payment of the bonds, with which they fraudulently saddled the people, by acts of the two, and only two legislative bodies over which they ever had control. The people have about concluded that they are not at all able, nor very willing to pay these bonds. Read their programme, and then ask yourself, if upon the evidence of their own resolves they are entitled to confidence:

Resolved 1, That it is deemed by this association good policy for Republicans to support none for Delegates to Convention but those who will pledge themselves to advocate an immediate adjournment of that body, in this manner, defeating the purpose of those who compelled this call for Convention contrary to the wishes of a large majority of the voters of North Carolina, and saving a vast outlay of money to the people.

Resolved 2, That the State Executive Committee is hereby respectfully requested, by an address or otherwise, to recommend this policy to the voters opposed to Convention; and that the Newspapers connected with the association will heartily uphold the policy herein indicated and use every endeavor to disseminate this idea among the people.

Resolved 3, That there is no more effectual guide to political sentiment than an outspoken and independent press, and that it is incumbent upon office-holders who are peculiarly benefited by the success of their party, to the sustenance of their party papers.

HELP ME CASSIUS OR I SINK!

Resolved 4, That the Chairman of the Executive Committee of each Congressional District of North Carolina be requested to solicit the office-holders of the District, both State and Federal, to subscribe for a greater or less number of the Republican journals of his District to furnish the Post-office address and names to the Editor, with a view of circulating such newspapers among the people. The Secretary is instructed to send a copy of this resolution to the Chairman of each District Executive Committee.

Resolved 5, That this Association will oppose the appointment to office of men who are unwilling to contribute to the support of Republican Newspapers; and under proper circumstances, will use its influence to oust office-holders who show such liberal spirit.

OFF WITH THEIR HEADS!

Resolved 6, That the Association condemns the employment in Federal offices of those who are unwilling to vote the Republican ticket, and that the employment of such persons will be deemed a sufficient cause, when ascertained, to impel this association to use its influence for the removal of the heads of officers who thus abuse the confidence of the Republican party.

THE USURY LAW TO BE USED FOR THE ADVANCEMENT OF THE REPUBLICAN PARTY. Resolved 7, That the passage of the Usury Law is of doubtful utility and that it is likely to cause much distress to the people; and that while it is not recommended that the Republican Press shall take decided grounds for or against it, it is deemed advisable to take such advantage of an unpopular law as will ensure to the advantage of the Republican party.

MUM OR REPUTATION.

Resolved 8, That no true Republican ought to advocate repudiation of the State debt but it is deemed most fitting that Republican Newspapers should not at present discuss the question.

CIVIL RIGHTS A LIVING ISSUE.

Resolved 9, That an extended discussion of the Civil Rights Bill is deemed inadvisable, but that the Republicans should never intimate that the bill is wrong in principle, or that it will be disastrous in its operation, and it is believed that it would materially assist such building up the North Carolina System from Morehead City to the Tennessee line.

A RAILROAD POLICY (ONE OF THE CONSPIRATORS, A RAIL ROAD ATTORNEY.)

Resolved 10, That the attacks of certain Democratic Newspapers upon the Judges of the Supreme Court because of the gauge decision, is infamous and ought to be condemned without qualification, by Republican Newspapers.

SQUIBS AND POP GUNS.

Resolved 11, That Republicans are in favor of Consolidation and that they do not regard a change of gauge detrimental to that project but believe it carried out in good faith in its full scope, that would materially assist building up the North Carolina System from Morehead City to the Tennessee line.

OUR ARE THE PLANS OF FINE DELIGHTFUL PEACE."

Resolved 12, That the Republican Newspapers represented in this Association, whether by letter or personal representation, will cooperate so far as possible in matters of common interest, and that they will especially refrain from disagreements and quarrels with each other, and so far as is consistent with right and truth they agree to stand by one another.

HELP ME, AGAIN.

Resolved 13, That this Association appeals to the Chairman of the Executive Committee to urge upon the Chairman of District Conventions and office-holders the urgent necessity of sustaining the Republican Press of the State, leaving the matter of solicitation to his judgment.

Resolved 14, That copies of these resolutions be forwarded by the Secretary, together with the proceedings of this meeting to every Republican Newspaper here represented, and to every editor who has responded to the call by letter; and it is understood that these proceedings are not to be published, but the resolutions are for the "confidential" use and guidance of the editors concerned.

A GENTLEMAN.

Show us the man who is ever ready to pity and help the deformed, show us the man who covers the faults of others with a mantle of charity; show us the man who bows as politely and and gives the street as free to the poor sewing girl as to the millionaire; who values virtue, not clothes; who shuns the company of such at public places to gaze at the fair-sex, or make unkind remarks of passing girl, show us the man who abhors a libertine who detest ridicule of his mother's sex, and the exposure of womanly reputation; show us the man who never forgets for an instant the delicacy due to woman, as a woman, in any condition or class—and you show us a gentleman.

It may seem paradoxical, but the best newspapers get the most cutting treatment from their brethren of the tripod.

AN ACT TO CALL A CONVENTION OF THE PEOPLE OF NORTH CAROLINA.

Below we publish the act of the late Legislature calling a Convention of the people of the State. For convenient reference we shall keep it standing until the election. As the election draws near, disputes as to its provision will naturally arise, and besides, people will take greater interest and desire in informing themselves accurately as to what it really contains.

WHEREAS, The present Constitution of North Carolina is, in many important particulars, unsuited to the wants and condition of our people; and whereas, in the judgment of this General Assembly a convention of the people is the only sure, and is besides the most economical mode of altering or amending it, and believing the end in view utterly impracticable by legislative enactment—on account of the great number of discordant and conflicting provisions of the Constitution as it now is, now therefore.

SECTION 1. The General Assembly of North Carolina do enact, (two-thirds of all the members of each House concurring,) That a Convention of the people of North Carolina, be and the same is hereby called, to meet in the City of Raleigh, on Monday, 6th day of September, A. D. 1875, for the purpose of considering and adopting such amendments to the Constitution as they may deem necessary and expedient, subject only to the restriction hereinafter provided.

Sec 2. The said Convention shall consist of one hundred and twenty delegates, and each county shall be entitled to the same number of delegates that it has members of the House of Representatives under the present apportionment, and the said delegates shall have the qualification required of members of the House of Representatives, of which qualifications the convention shall be the judge.

Sec 3. On the 1st Thursday of August, 1875, the sheriffs of the State shall open polls for the election of delegates to the said convention from their respective counties, and the election aforesaid, and the registration for the same, shall be held and conducted; the officers thereof, including registrars and judges of election, appointed; the votes counted and compared, result proclaimed, and certificates issued in the same manner as is provided by law for the election of members of the House of Representatives of the General Assembly.

Sec 4. The said delegates shall be called to order at 12 o'clock on the day fixed therefor, by the Chief Justice or one of the Associate Justices of the Supreme Court or Secretary of State, who, if there be no quorum, shall adjourn them to the same place, and from day to day, until a quorum shall appear; and on the appearance of a quorum he shall administer to each of them the following oath:

"You, A, B, do solemnly swear (or affirm, as the delegate elect shall choose,) that you will faithfully maintain and support the constitution of the United States and several amendments thereto, including the 13th, 14th and 15th amendments; and that you will neither directly nor indirectly evade, or disregard the duties enjoined nor the restriction imposed upon the convention by the act of the General Assembly authorizing your election. So help you God."

And no delegate shall be permitted to sit or be entitled to a seat in said convention, or as a delegate thereto, until he shall have subscribed the above oath or affirmation; and as soon as a majority of the delegates elect shall have thus appeared and been sworn-in, they shall then proceed to elect their own presiding officer, and such other officers and servants as they may deem necessary, shall find necessary; and if vacancies shall occur, they shall be filled in the same manner as the like vacancies are filled by law in the case of vacancies in the General Assembly. Said convention shall have no power to consider, debate, adopt or propose any amendment to the existing Constitution or ordinances upon the following subjects:

The Homestead and Personal Property Exemptions, the mechanics' and laborers' lien, and the rights of married women, as now secured by law, nor to alter or amend section 3 or 5, article V, of said constitution, nor change the ratio between the poll and property tax as therein established; nor shall the said convention have power to propose or adopt any amendment or ordinance vacating any office or term of office now existing and filled or held by virtue of any election or appointment under the existing constitution and laws, until the same shall be vacated or expired under existing laws; but the said convention may recommend the abolishment of any office when the present term therein shall expire or vacancies occur, and they may provide for filling such vacancies, otherwise than as now, and limiting the terms thereof. Nor shall the convention adopt or to propose any plan or amendment of emancipated slaves, nor for the payment of liability or debt incurred wholly or in part in aid of the late war between the States, nor for the restoration of imprisonment for debt; nor shall they require or propose any educational or property qualification for office or voting; nor shall said convention pass any ordinance legislative in their character, except such as are necessary to submit the amended constitution to the people for their ratification or rejection, and to convene the General Assembly.

Sec 5. The constitution, as amended, shall be submitted to the people for ratification or rejection, and shall not be binding until the same shall have been ratified by the qualified voters of the State, and the convention shall present to the State whereby the sense of the people therein shall be taken and recorded.

Sec 6. There shall be printed immediately after the passage of this act for each member of the General Assembly, and one hundred copies within thirty days after ratification for each board of county commissioners, and the use of the registrars and judges of election in their respective counties; and this act shall be in force and take effect from and after its ratification.

Ratified the 9th day of March, A. D. 1875.

WORK! WORK!

The radicals are earnestly at it, with money, with circulars, with speakers. Let the Democrats be up and doing. There is no time to lose. If they have no money, they have the time and they have the talent. In every county there are enough young men who can do important service in rousing up the people. Information is wanted and interest must be aroused. With the radicals, it is a struggle for the revival of their party rather than the defeat of Convention. Let the people remember that as down goes Convention, up goes radicalism; and then for the days of 1868 again.

ADVERTISEMENTS.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in the relief of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious. Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell; provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blistches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
