Local News.

Burlington had a bumper crowd on the Fourth and the visitors were enjoyably entertained. The papers tell us the hot wave ends to-day. That is joyful news—more so if it proves true. Mr. Chas. D. Johnston is moving to-day to the Robert L. Walker residence on E. Harden street. Next Saturday, July 8th, is last day for \$1.00 bottles of Burdock Tonic Compound at Alamance Pharmacy. The proceedings of Monday's meeting of the County Commissioners are crowded out of this issue, but will appear in next issue. Rev. Dr. P. H. Fleming, who was not a candidate for re-election to the office of County Supt. of Education, and who has rendered most faithful and effective service, was succeeded Monday by Prof. J. B. Robertson.

Children's Day Service for Foreign Missions will be held in the Presbyterian church next Sunday night at 8 o'clock and the public are cordially invited to attend. An interesting program of recitations, songs, etc., will be rendered. Messrs. Gilbert W. and Finley T. Dixon arrived here last Monday on their way to visit their parents, Mr. and Mrs. Malon Dixon, at Snow Camp. Their home is in Texas. The former has been away 30 years and the latter 20 years.

It was hoped a few weeks ago to have the street cars running by the Fourth. Though that hope was not realized, the company is pushing ahead for early operation, which is evidenced by the fact that sixteen car loads of steel rails have been received in the past few days.

Mr. J. Lee Martin, who graduated at the A. and M. College a month ago, taking the Civil Engineering course, has lately accepted a position in Southern Florida at a good salary. He is a son of Mr. John Martin of this place and is a diligent and highly deserving young man.

The County Commissioners have fixed the first Monday in August as the time for settlement with the Sheriff, which means that the Sheriff will have to have your taxes, if you owe any, before that date. We are sure he will be as lenient as he can, but he may be forced to take legal proceedings unless the taxes are forthcoming.

Mr. Robt. L. Walker, with his wife and child, leaves today for Hot Springs, Ark., where he goes to stay a while before going to Seattle, his ultimate destination. He has many kinspeople and friends here who regret to see him and family leave and follow them with good wishes and hope for him a recovery as far as possible from his afflictions.

We call the attention of our readers to the May issue of the Elon College bulletin, which is a handsome illustrated number of 32 pages. This bulletin gives cuts of the college campus and of the various buildings used for college purposes. With each picture are words of explanation which add much to the value of the publication. Advertisement of Elon College will be found elsewhere in this paper.

Throw out the Line

Give the Kidneys Help and Many Graham People Will be Happier.

"Throw Out the Life Line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute. Will you help them? Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.

J. J. Foster, Front St., Burlington, N. C., says: "I can recommend Doan's Kidney Pills just as highly now as I did three years ago when they gave me such great relief. This preparation never fails to help me when I have occasion to use it. I had attacks of kidney trouble for a long time and the worst symptom was a pain in the small of my back. The kidney secretions were also unnatural. Doan's Kidney Pills entirely disposed of my trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

They have been shut out for repairs and improvements for several weeks, during which services were held in the court house. The church looks like another building inside. Changes have been made throughout, and one hardly recognizes the old church after one passes within the doors.

Dr. Beaman, Presiding Elder of the Durham District, will preach the sermon Sunday morning at eleven o'clock and administer the Sacrament of the Lord's Supper. The public will be cordially welcomed at this and all services.

Suggestive Questions on the Sunday School Lesson.

By REV. T. S. LINSOTT, D. D.

July 16th, 1911. (Copyright, 1910, by Rev. T. S. Linscott, D.D.) Manasseh's Wickedness and Penitence. 3 Chron. xxxiii:1-20. Golden Text—Cessate to do evil; learn to do well. Isa. 1:16-17. (1.) Verses 1-3—Whose son was Manasseh and what was the character of his father? (2.) When the son of a good father becomes a bad man how do you account for it? (3.) To what extent may good parents be assured that their children will also be good? (4.) What scriptural or philosophical ground is there for the belief, that children may be so trained that they will certainly be Christians? (5.) Upon which depends most the character of children, the father or the mother? (6.) Verses 3-5—In what particular respect did Manasseh sin against God? (7.) That land was rife with idolatry, and God made strict laws against it; why did he do so? (8.) What were in those days the grave evils of idolatry? (9.) What habits, today, among Christian people, are equivalent to idolatry? (10.) What are the results of present day 'idolrous habits? (11.) Verses 6-7—What is meant by 'enchancements, familiar spirits and wizards? (12.) Why does the Bible forbid use of all such occult things as mentioned in verse 6? (13.) How do you class palmistry, looking into the tea-cup for signs, thirteen slitting at the table, unlucky Friday and similar 'signs? (14.) How do you estimate a witch, or a wizard, that is a bad person supposed to have the power of exercising, mentally, an evil influence upon another? (15.) What is your estimate of those that have 'familiar spirits? persons who claim to communicate with the spirits of the dead? (16.) Verse 8—How long did God say that the Israelites should possess the land of Canaan, and on what conditions? (17.) Which of God's promises if any, are absolute or unconditional? (18.) Verse 9—When good people become degenerate, are they or not generally worse than those who have always been bad? (19.) How did God probably speak to Manasseh and his people, and how does God speak to sinners to-day? (20.) Verse 11—God here said to have brought the army of the king of Assyria to war with Israel, and to take Manasseh prisoner as a result of his sin. Does God in these days punish sin in any such material way? (21.) Verse 12-20—What is the general effect of punishment upon sinners? (22.) Why did not Manasseh know that the Lord was God before his punishment and repentance? (23.) God freely forgave Manasseh the moment he repented; does He always at the same way with sinners? (24.) Were all the effects of Manasseh's sins blotted out, as well as the sins themselves? (This is one of the questions that may be answered in writing by members of the club.) Lesson for Sunday, July 23rd, 1911. Joshua's Devotion to God. 3 Chron. xxiv:1-13.

The Peltan. No one would be likely to imagine that so heavy and, in fact, apparently unguinely a bird as a peltan is a king among soaring birds. After much hopping when these great birds have spread, and in majestic circles they mount skyward, with only an occasional flap of the wing, often passing beyond the range of one's vision.

Permission was granted by the Inter-State Commerce Commission Tuesday to the Carolina, Clinchfield & Ohio Railway and connecting carriers to make rates on coal which, in some instances, are less for longer than for shorter distances over the same lines and in the same direction. The order affects coal shipments from mines at Dante, Clinchfield and Harrison, Va., to points in North Carolina, South Carolina, Georgia, Alabama and Florida. By the terms of the order differentials favorable to the Virginia mines are established on coal shipped to points throughout the Southeastern territory, thus enabling them to compete with the Coal Creek mines in Tennessee.
