Boost. Cooperate. Pull together. Cultivate the Graham spirit. Thanksgiving Day—Christmas next. Talk, pull and work for your town. Don't kick progress. It's a plant that needs refreshing showers. The County Commissioners will meet in regular monthly session next Monday. It is said the ultimate end of the hog is pork. During the recent cool weather many a fine porker has reached the ultimate. Graham Chapter of the Daughters of the Confederacy will meet with Mrs. J. D. Kernodle on Thursday afternoon, Dec. 7th, at 8 o'clock. "Rebecca's Triumph" is the name of a three-act play which will be presented by the "Star Literary Club" of Whitesett Institute in the Institute auditorium on Saturday night, Dec. 2nd. Music by Whitesett Orchestra. Admission free and all cordially invited. It leaks out that Graham postoffice expects to do an entire new outfit for the New Year. The matter has been kept very quiet and perhaps it was intended to spring it as a surprise. The many friends made here by Misses Ola and Edith Payne, while they are in our Graded school, will deeply sympathize with them in their great bereavement. A card announces the death of their mother at her home at Charlotteville, Va., last Sunday afternoon. Mr. L. Banks Cable, who holds a responsible position with the Erwin Cotton Mills, West Durham, came Saturday to visit relatives and attend to business. He is an Alabamian who is doing well. Prof. J. B. Robertson went to Raleigh Tuesday afternoon to attend the meeting of the North Carolina Teachers Assembly now in session. There will be several very interesting features; among them an address tonight by Hon. Champ Clark, Speaker of the House of Representatives of the United States Congress. Angel, of the De La Vergne Machine Co., was here making out the plans for increasing the capacity of Graham Ice Co. The plans contemplate an increase of production from 15 tons per day to 25 tons per day. Graham Ice has won a good name wherever used for superiority. It is made from pure deep-well water, which is distilled before being converted into ice, rendering the product as nearly free from any harmful foreign substance as it is possible to do. The great demand for Graham ice renders necessary this increase of productive capacity.

THOMPSON-SCOTT. Pretty Wedding of Popular Couple. Promptly at 10:30 Wednesday morning, Nov. 29, 1911, Miss Ione Scott became the bride of Dr. J. M. Thompson. The ceremony took place in the same town, Graham, they leased their A B C's in the same school. It was here they first claimed each other as "sweethearts," and they have been sweethearts ever since. The town of Graham turned out in full force to see the culmination of the pretty little romance. The Presbyterian church had been beautifully decorated under the supervision of Mrs. J. W. Menefee, with ferns, palms and potted flowers, and hidden in this mass of foliage were about forty candles. Mrs. J. E. Watson presided at the organ and Dr. E. C. Murray, the pastor of the bride, performed the ceremony. First came Dr. Murray, then the ushers, Messrs. Edwin Scott and P. A. Hayes down one aisle and John Scott and Dr. Henry Best down the other aisle. Following these came Mr. Don E. Scott and Mr. Grady Rankin. Next was the maid of honor, Miss Blanche Scott, sister of the bride, carrying a huge bouquet of chrysanthemums, and following her the little ring-bearer, Miss Sarah Elise Thompson. The groom, with his best man, his brother, Ernest Thompson, came from the pastor's study. The bride, leaning on the arm of her father, Hon. J. L. Scott, Jr., wearing a blue coat suit, with hat and gloves to match, made the wedding circle complete, and Dr. Murray, in an impressive manner, pronounced them "husband and wife." Dr. and Mrs. Thompson left on the 11:18 train for Washington and other northern points, and upon their return they will be at home at Mebane, N. C., where Dr. Thompson deservedly enjoys a large and growing practice. He is well known and popular with his acquaintances everywhere. The bride is one of the most popular young ladies ever reared in Graham. Her charming personality, her amiable disposition and many graces have drawn to her a host of friends whose best wishes will follow her through life. A large, varied, handsome and costly array of presents bear testimony to the high esteem in which the bride and groom are held. Ante-Nuptial Events. On Friday morning Miss June Ray Kernodle entertained delightfully in honor of the bride. Games were engaged in and quail-on-toast and salads were served. Friday night Mrs. Eugene Hunter entertained at the home of Mr. H. W. Scott, uncle of the bride-elect. The occasion was highly enjoyed by the large number of guests present. On Saturday Miss Margaret Clegg gave "Kitchen Showers" to the bride-elect. Interesting games were played, refreshments were served, and then a Liliputian obnoxious cooking ring-dinner bell and drawing an "Express" wagon loaded with all sorts of kitchen utensils came noisily into the room. The idea was unique and thoroughly enjoyed by the guests. Tuesday afternoon Mrs. A. K. Hardee brought to a close the season of entertainments with a "Linen Shower." An interesting game of six-hand euchre was played. The guest of honor's prize was a quaint little teapot. Refreshments of salads and ices were served. Just as this was finished little Miss Carolyn Parker, dressed as a messenger, drew in a small trunk, bedecked with white tulle, and presented it to the bride, who opened it and found many useful and beautiful pieces of linen. It was a happy occasion. Immediately after rehearsal Tuesday night preparations for the wedding, Mr. and Mrs. J. L. Scott, Jr., gave a reception to the bridal party and a few friends. The beautiful home was tastefully decorated with cut flowers and potted plants, the dining room being in yellow and green. Delightful refreshments of salads and ices were served. Mr. and Mrs. Scott had as their guests, Mr. and Mrs. B. S. Robertson, Mr. and Mrs. J. Elmer Long, Mr. and Mrs. Eugene Hunter, Dr. and Mrs. J. J. Barefoot, Mr. and Mrs. Chas. A. Thompson, Mrs. C. S. Hunter, Mrs. M. J. Brady, Mrs. Eugene Cannon of Concord, Mrs. Mosley Middleton of Greensboro, Mrs. J. W. Menefee, Misses Margaret Goley, Blanche Scott, June Ray Kernodle, Annie and Marjorie Montague and Catharine Wharton of Raleigh.

No Reason For It. When Graham Citizens Show the Certain Way Out. There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of kidney ailments when relief is so near at hand and the most positive proof given that they can be cured. Read what a Graham citizen says: Mrs. John Fogleman, of Graham, N. C., says: "I am sorry I did not begin the use of Doan's Kidney Pills sooner, for if I had, I would have been spared a great deal of suffering and expense. I had been ailing for a long time before I knew exactly what was the matter. There were a constant pain in my back and I slept so poorly that I was all tired out in the morning." The kidney secretions bothered me and though I took various home remedies, and other medicines, I did not seem to get any better. One day I read about Doan's Kidney Pills and getting a supply, I began their use. After I had finished the contents of three boxes, I had no further cause for complaint." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Juniors Attend Christian Church. We were delighted to have the Juniors of Graham attend our church on last Sunday morning. It was indeed a pleasure to the pastor, as well as to his flock, to greet this splendid corps of men, and to have them worship with us. It is a custom of this Order to attend some church in the body on the Sunday preceding the regular Thanksgiving day, for the purpose of giving thanks. This is indeed a splendid custom, and we were so glad to have them honor us with their presence at our church on that day. A cordial welcome is extended to every Junior and any other person, to our church, on the 2nd and 4th Sundays at eleven o'clock. Come one, come all. We shall always be glad to see you. We were also glad to greet a number of people last Sunday afternoon at New Providence Christian church. It is our purpose to preach at this church every 2nd and 4th Sunday at 8:00 o'clock. We especially invite all the people of Graham and the surrounding community to attend these afternoon services at New Providence. A cordial invitation is extended to the young people of the town, who enjoy a walk on Tuesday afternoon, to attend these services. As was His custom, Jesus went into the synagogue on the Sabbath day, and ought to have, while in the glow of youth and able to get to church. Can't we follow Jesus in this one particular? Yours for Christ, J. F. MORGAN.

Town Betterment Meeting. At 7:30 last night a goodly number of Graham's leading citizens representing every kind of business and professional interest in town, assembled in the court house to discuss ways and means of improving the business interests, sanitation, observance of the law, and generally to advance the best interests of the town. Mr. McBride Holt presided over the meeting and talks were made by Mayor J. Adolph Long, Rev. E. C. Murray, Dr. G. W. Long and W. E. Walker, Hon. J. L. Scott, Jr., Mr. J. S. Cook, Mr. G. W. Denny and others. A committee, to-wit: Messrs. J. Adolph Long, J. L. Scott, Jr., and Dr. W. E. Walker, was appointed to nominate a committee of three for each of the following purposes: On Constitution, Business, Interests, Sanitation, Publicity, Law and Order, Membership. A call for names of those who would like to become members of an organization such as had been outlined was made and about fifty were enrolled. The list is still open for members and every one is invited to join in this movement for the uplift of the town. The meeting adjourned to meet again on Friday night, Dec. 8th, to hear the report of the nominating committee, and every citizen is invited and urged to be present. Here is an opportunity for every citizen to enlist in a movement to work for the town for the promotion of everything that is good for a thrifty and desirable community. It means life and a general forward movement. If the good citizens get behind this movement in good earnest they will work wonders. The town needs it—it will broaden and elevate the citizenship. Remember: "United, we stand; divided, we fall."

Felon's Stripes for "Trust Criminals." Washington Dispatch, 15th. "Felon's stripes" as a punishment for "trust criminals" in the United States to end "commercial piracy under benevolent rules of reason" are proposed in a bill amending the Sherman anti-trust law drafted by Representative Henry, of Texas, to be introduced in the House upon the opening of Congress next month. Its introduction probably will mean its passage in the House. The bill specifically defines just what constitutes a trust, legislates from the present statute the "rule of reason" as interpreted by the Supreme Court in the Standard Oil and Tobacco decisions and provides as punishment for violation of the law imprisonment from 2 to 10 years in the penitentiary. It will be referred to the judiciary committee for deliberation.

Beware of Ointments for Catarrhs That Contain Mercury. An ointment will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reliable physicians, as the damage they will do is often hid by the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. It is taken in liquid form and is made in Toledo, Ohio, by F. J. Cheney & Co., Testimonial free. Send for the booklet. Take Hall's Family Pills for constipation.

With but one dissenting vote the American Bankers' Association, in session in New Orleans last week, gave its unqualified approval to the Aldrich plan for the reform of the monetary scheme of the United States. Congress is urged to deal with the proposition as an economic question outside the domain of party politics. Confidence was expressed that "the high purpose actuating the national monetary commission assure the working out of the details with the sound principles stated in the plan, in such a manner as to gain the confidence and support of all classes."
