LOCAL NEWS.

Dr. J. J. Bearfoot has bought a nice run-a-bout auto. During the cold snap last week quite a number of porkers were killed. The County Commissioners will meet next Monday in adjourned session. Thanksgiving Day is only a week off—Thursday, 27th inst. The Farmers' Warehouse has given all the big prizes, but one, this season—better sell your tobacco with the Farmers'. Miss Margaret Goley entertained the Young Ladies' Club last Friday afternoon and served delightful refreshments. Mr. Wm. I. Ward has bought the Robt's S. Mebane residence on W. Harden St. and is getting ready to move in. Messrs. J. Clarence Walker and Don E. Scott went to Caswell county the first of the week to spend a few days hunting. Alameda Superior Court will convene next Monday for the trial of criminal cases only. The docket does not promise to be large. Through five weeks from this day till Christmas, some of the shop windows would make you believe the festive day was much nearer. When such fine weather as this comes along it makes one forget that only a few days ago he was shivering from cold and pressing close to the fire. Tobacco is selling high. See some of the averages made by your neighbors in the big ad. of the Farmers' Warehouse, Burlington, Thornburg & Guthrie which see that you get the top price. The Western N. C. Christian Conference which had its annual session at Ramseur last week adjourned to meet with New Providence Christian church at this place on Tuesday after the second Sunday in November, 1914. Green & McClure Furniture Co. have lately added very much to their large and handsome stock. When going about to find something to remember a friend with, you can find something at their store that would please and afford comfort at the same time. The shopper for dry goods can find almost anything really needed in the household in one or more of the several well filled stores in Graham. We are not telling you which particular store to visit for your wants, as the store-keepers would doubtless prefer to do that in their own way. Esq. John M. McCracken, armed with search and seizure implements, jumped a big blind tiger in Burlington yesterday. L. C. Crater operated the joint. He waived examination and was bound over to court. Besides 45 gallons of booze many empty vessels were found.

By invitation of Graham Council Jr. O. U. A. M., Rev. J. F. Morgan will preach a Thanksgiving sermon to the order at New Providence Christian church at 3 o'clock on the afternoon of Sunday, November 24th. The Daughters of Liberty have been invited to join with the Jr. Order in attending the service.

Mr. Calvin Donnell, who has been quite sick for a week, is very much improved. Dr. W. R. Goley was on the sick list the latter part of last week and the first of this. Mrs. C. B. Irwin has been sick for several days and confined to her home. Mrs. Heenan Hughes has been very ill for the past few days. Mrs. Jno. F. Murray's condition does not materially improve.

Thornburg & Guthrie—Farmers' Warehouse (the old Brick Warehouse), Burlington want your tobacco. See their ad. and note the big averages—they are the pioneers. Sell with them and you will not be disappointed. Graham Drug Co.—Has something to say about prescriptions. See ad in another column. Green & McClure Furniture Co. are putting in an immense stock of furniture and house furnishings and want you to know about it. See ad in another column. Alameda County—All Property for sale. See ad. Southern Railway Co.—Excursion to Richmond, Va., leaving here the evening of Nov. 28th. See ad for rates, etc. E. N. Cook, Sheriff—Has something to say about your taxes. See ad. elsewhere. E. S. Parker, Com'r.—Sale of valuable lots in Graham and also water power property. Look up ad. in another column.

SCHOOL NEWS.

The awarding of prizes to the members of the Boy's Corn Club for the county will take place in Graham, Saturday, November 29th, at 11 a. m. A full programme for the occasion is being arranged. There are 50 members in the club. Mr. Charley Newlin of Newlin township, has a family of children that have made and are making a record attendance. Year before last there were six of the children in school and they carried home from the County Commencement six Honor Certificates for being neither absent nor tardy for the entire year. Last year there were five and they carried home five Honor Certificates. This year there are five in school and the five have made the record for the certificates to date. One of the children is a little 6-year-old girl, and although the school house is over two miles away over some real bad road, little Sadie goes every day, on time, and does not ask to be hauled. Several teachers have signified their intention to attend the Teachers' Assembly, which begins at 8:30 o'clock, the night of the 26. The Superintendent will leave on Monday evening to attend the State Meeting of County Superintendents in Raleigh, just prior to the meeting of the Assembly. Two dozen good globes have been received at the Superintendent's office. Any school in the county in need of a globe can be supplied at the next Teachers' meeting. Woodlawn school gave a party with refreshments last Saturday night for the benefit of the school. The proceeds amounted to \$23.50. Several other schools are planning to do likewise.

Public Meeting of the Local Relief Association.

The annual public meeting of the Graham Local Relief Association (associated charities) will be held at the Baptist church Monday, Nov. 24th, at 7:30 p. m. Winter is coming, the poor and sick will be needing help, and we should organize our work that it may be done economically and with true charity to those who really need aid. At this meeting officers will be elected and committees appointed for the coming year. We cordially invite all persons to attend and join in this good work. E. S. PARKER, JR., President.

Points The Way

The Statement of This Burlington Resident Will Interest Our Readers. Our neighboring town of Burlington points the way in the words of one of her most respected citizens: J. A. Harder, Davis St., Burlington, N. C., says: "I was troubled a great deal with backache and dull pains through my loins and sides. I often noticed that the kidney secretions were unnatural and passed too frequently. Upon a friend's advice I decided to try Doan's Kidney Pills, and got a box at the Freeman Drug Co.'s. I had used them but a short time before my kidneys were restored to their normal condition. "When your back is lame—remember name." Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same kind that Mr. Harder had—the kind backed by home testimony. 50c all stores. ANNOUNCEMENT

We have just appointed Mr. G. C. Phillips District Manager for Alameda County with headquarters in Graham, N. C. Mr. Phillips is well known in Alameda County, and has had a good deal of experience in life insurance. He is a man of excellent character, honest and upright in all his dealings, and we know will build up a large business for our Company. Mr. Phillips felt that it was to his interest to make a contract with us, as we are a North Carolina Company, the premiums collected being kept at home for investment, instead of being sent away to benefit people of other communities. We write all kinds of insurance and all ages, and are under the direct supervision of the Insurance Commissioner of North Carolina. We deposit the same amount of reserve with the Insurance Commissioner as all the large Companies, and therefore our policy holders have the same protection as the largest Company in the life insurance business. We ask for Mr. Phillips the consideration of the people, and in placing insurance with him they are aiding themselves, as we are a purely mutual Company and the policy holders are the owners. There are no stock holders, hence all the profits made belong to the policy holders and are applied to the different kinds of policies.
