The annual meeting of the stockholders of Graham Home Building Company was held in the court room Tuesday night. A good number of shareholders were present and an interesting meeting was held.
The report of the Board of Directors showed the association to be in excellent condition and making fine progress. The books of the Secretary, however, were not audited. It is gratifying to know that our Association was reported, and commented upon as being in excellent condition to the extent that it is a credit to the Board of Directors, commending the company upon its condition and showing made, was read by the President.

This week, until today, has been enough like spring to tempt some to begin gardening. A number planted garden peas and Irish potatoes. A cool rain has been falling today.
Mr. Hardy J. Stockard and family of the Eastern part of Newlin township moved here last week to make their home. Mr. Stockard recently bought the cottage next to Mr. Z. T. Hadley on E. Harden St.
Miss Cora Pearl Jeffcoat, Supervisor of Rural Schools, who has been at her home in Coble township for several days recuperating, returned today and is again at her post in the County Superintendent's office.
A number of young ladies and young men of Graham attended a dance at the Piedmont Hotel in Burlington last Friday night. It was given by the young men of both towns complimentary to the visiting young ladies in the two towns.
An old time Friends meeting was held in court room Monday night. The Friends, some of them from the Northwest, have been engaged in a meeting at Spring Meeting house in Newlin township, and several of them took part in this meeting here.
Last Friday night at Mr. A. Lacy Holt's the Juniors of the High School gave a reception to the Seniors. At the same time it was commemorative of Washington's birthday and the guests were dressed in costumes suggestive of Colonial days.
Mr. Wm. I. Ward returned yesterday morning from a week's stay in Washington. Speaking of his visit, the Washington correspondent of the Greensboro News of last Friday said: "Mayor Ward and H. B. Bates of Graham called at the White House today to shake hands with the President and to tell him that North Carolina is for him."
The pulpit at the Presbyterian church was filled last Sunday morning and night by Rev. Dr. E. C. Murray, former pastor for a number of years, but now of Alamance church Southeast of Greensboro. While here from Saturday until Monday, he was the guest of Mr. and Mrs. J. K. Mebane. His many friends here were glad to greet him again. Dr. T. M. McConnell, pastor of the church here, is in Greensboro aiding a revival service.
Miss Bessie May Dudley of Richmond, Va., gave an informal recital in the County Superintendent's office this afternoon. Her audience consisted of about a dozen who happened to be in the court house at the time. She was to recite at Glenhope school, north of Graham station, tonight, but on account of the weather the engagement was called off. She is a young woman of prepossessing appearance and recites with ease and effectively. Though still in her teens her recitations are her own composition.

GRAHAM HAS MADE THE TEST

Graham People Will Get the Benefit.
There's nobody in Graham any better than W. W. Garrett and in giving his experience with Doan's Kidney Pills for the benefit of Graham kidney sufferers, he has nothing whatever to gain.
Why experiment with unknown or imitation kidney remedies when you have such a good reason to try Doan's?
Prof't by the test Mr. Garrett has made for you.
W. W. Garrett, proprietor restaurant, S. Main St., Graham, N. C., says, "About a year ago I had a bad attack of kidney colic. I suffered severely. I thought my back was broken and I was laid up for days at a time, unable to help myself. My kidneys were weak and caused me a lot of trouble. Doan's Kidney Pills did more for me than anything I had ever taken. They strengthened my back and my kidneys acted properly. When ever I notice my kidneys are out of fix now, a few doses of Doan's Kidney Pills give me relief."
Get a bottle at all dealers. Don't simply ask for a kidney remedy, get Doan's Kidney Pills—the same Mr. Garrett had. Foster-Milburn Co., Props., Buffalo, N. Y. adv.

Prospective Power Development.

Between two and a half and three miles north of Graham the old Sellers Mill property on Haw river. It was bought two years ago by Jas. N. Williamson & Sons Co. It is below the old Big Falls, now Hopedale, owned by this company. Mr. W. B. Trogdon and his son, James S. Trogdon, civil engineers of Greensboro, have been there for several days, taking measurements for prospective development. If it shall be decided to develop the power, a dam will be built at the Sellers Mill place 25 ft. high. This will do away with the dam at Big Falls from 150 to 1,000 horse power will be developed, and the pond will cover about its acre. This would be a fine development and we trust the result of the survey, will warrant its being done. This writer has known the older Mr. Trogdon since our school days. He is an expert engineer, practical and dependable.

Sixty-nine Papers for Registration.

The 22nd, though the 184 anniversary of the birthday of the "Father of His Country" was a busy day in the office of the Register of Deeds, Chas. D. Johnston. On that day he filed for registration 69 deeds, 39 mortgage deeds and deeds in trust and 32 chattel mortgages. Many such papers come in for registration, but rarely such a deluge as this on a single day, and it means lots of work to dispose of them.

Two Residences Burned Saturday Afternoon.

Last Saturday afternoon about 4 o'clock two residences were burned in this county: That of Mr. Claude Spoon in Patterson township, an account of which is given in our "Southwest Alamance Letter;" the other was the residence of Mr. W. E. Lowe of Elon College. Nearly all the furniture in each was saved. The former was insured in the Alamance Branch of the Farmers' Mutual, and about half the loss is covered; the loss on the latter is estimated at \$1,000, partially insured. Mr. Lowe had left his home less than an hour before the fire in an auto for Greensboro.

Held in Memory of Mr. Irwin.

Last Sunday morning the services at the Baptist church were in memory of Mr. Chas. B. Irwin, who died on the evening of February 14th. The Pastor, Rev. Jas. W. Rose, conducted the services and used as a text for the occasion Philippians 1:21. His subject was "The Ideal Life." Among the hymns used was "Land of the Unsetting Sun," one of Mr. Irwin's favorites. It was a very appropriate and fitting service. Mr. Irwin was devoted to his church and for seven years he had been Superintendent of the Sunday school.

Basket Ball.

Among the High Schools as well as the colleges, basket ball seems to have taken a strong hold. Saturday afternoon Chapel Hill High School and Graham High School played a double header here. The former won both games. Score 25 to 9 and 22 to 8. The visitors played Greensboro Saturday night and lost 11 to 40. Last night Friendship High School and the Boy Scouts of Elon College played here, the score being 35 to 11 in favor of the former. The Scouts were outclassed, the Friendship quint being both older and heavier than their opponents.
