LOCAL NEWS.

Mr. and Mrs. Percy Homewood moved Monday to Winston-Salem where Mr. Homewood will work for the Chero-Cola Bottling Co.

Mr. Ben J. Williamson is at the Stokes-Whitehead Sanatorium in Salisbury for treatment. His ailment is of such a nature that he will probably be carried to Baltimore.

The crop of fruit tree blooms which usually appears as early as this is still lacking. The cold has kept them back. Some are of opinion that much of the fruit has already been killed in the bud, but we are hoping it is a mistake.

The first game of baseball of the season at Graham Athletic Park will be played Saturday afternoon at 8:30 between Sylvan of the Southern part of the county and Gilliam's Academy of the Northwest part of the county.

The first of the week was a sparkling Wednesday, there was a slight fall of rain, after which it commenced turning colder. Yesterday afternoon and last night it was blizzard weather—only the snow lacking.

Lately severe colds have been unusually prevalent. Also there has been much grip, such ailments may float around in the air—last of the theory. The many extreme changes in the weather have operated to aggravate and intensify these forms of sickness.

It has been noticed that for the past two years, at least, March winds have been absent, likewise they did not come to these parts. However, judging from the past few days the windy month has lapsed into the old groove and old Boreas has howled around with peculiar shrillness.

Mrs. J. Dolph Long and Master George returned Saturday from the Sanatorium at Dr. Heaves, specialist, of Greensboro, where they spent a week on account of an injury to the boy's eye. He was operated upon last Thursday. Mrs. Long carried him to Greensboro against the advice of the doctor, dismissed the case. So successful was the operation that the injury will, it is believed, leave no impairment of the sight nor disfigurement of the eye.

Among the Sick.

Mr. J. B. Montgomery was sick the first of the week.
Mr. Chas. D. Johnston's little son, Charles, is quite sick from pneumonia.
Mr. C. E. Robertson of Coble township, father of County Supt. J. B. Robertson, who was stricken with paralysis more than two years ago, is reported as greatly improved.

Mr. Peter R. Harden has been sick since Tuesday from an attack of grippe.

Auto Wrecked and Occupants Hurt.

Sunday night, so the report says—no definite information, an automobile was wrecked just out of town on the road to Saw River. A tire collapsed and before anything could be done the machine turned over, whirling around to the side of the collapsed tire. The right rear tire struck Mr. Kimrey, who took the injured persons in and cared for them. There were four men said to be from Durham, and leaving the scene of the wreck, two of whom were from Durham, and three of whom were reported daily hurt, one very seriously.

It is learned this morning that all have been moved to Durham.

Provide Homes for Destitute Children in Alamance County.

Adjutant and Mrs. Leslie M. Herlan of Durham, N. C., will be in this city this week on a special mission in the interest of the emergency home for the providing of homes for destitute children and girls of Alamance county. The work is supported by voluntary contributions. The people of Burlington have responded liberally toward this cause and during the two months the work has been operating in this section much good has been done. The County headquarters of the organization is 210 Main St., Burlington. The national organization is the American Rescue workers; with national headquarters at Philadelphia, to which these officers belong. It is an incorporated society.

Woman's Club of Graham Pass Paresness Resolutions.

Be it Resolved, that whereas, the glory of any country in its final analysis rests upon its homes. And whereas, the first part of any country to feel the biting effects of war is its homes; and whereas, recent events have shown that the country which is best prepared for war is best able to protect its homes; and whereas, the women of this country are first and vitally interested in its homes, and believe that it is the duty of those in authority to be prepared under all circumstances to protect their homes; therefore it is resolved: That it is the belief of the Woman's Club of Graham, North Carolina, that it is the duty of our government to spend such sums and take such steps as will make the army and navy of the United States able to meet any foe which may come against the homes of the United States.

That those who represent us in the Senate and Congress of the United States be requested to use their influence and to cast their votes for such laws as may bring about this state of preparedness.

That the Secretary of this Club be instructed to send a copy of these resolutions to Hon. F. M. Simmons and Hon. Lee S. Overman, United States Senators from this State, and to Hon. Chas. M. Stedman, member of Congress from this Congressional district.

MRS. E. S. PARKER, JR.,
MRS. F. W. MOORE,
MRS. C. W. RAINEY,
Committee.

The Girl and the Game at The Mexican.

"The Girl and the Game" will be shown at "The Mexican" beginning Thursday, March 23. This is one of the greatest railroad pictures ever produced. Miss Helen Holmes plays the lead in this great film novel which is told in chapters. The story is of a girl whose father is killed and she is swindled out of her inheritance and is forced to work in a railroad station to make her living. She makes good and all ends well.

See trains wrecked—trains blown up. This is one of the greatest pictures ever produced.

On the same night the last chapter of "The Diamond from the Sky" will be run.

The Spoilers at The Mexican, Tuesday, April 11, Matinee and Night.

"The Spoilers" is a thrilling, red-blooded story of strong men battling for supremacy with all their power of mind and muscle—alert for every cast of chance.

The picture with the punch anything. This picture is a rugged romance of Alaska with splendid imagination that grips and holds the sympathies.

"The Spoilers" presents the most stubborn, strenuous and exciting fight ever pictured—the acme of realism.

See the whole town dynamited! A volcanic earthquake extraordinary! A wonderful drawing power!

This great picture will be shown at "The Mexican" Tuesday, April 11th—don't forget the date.

One of the reports coming from the recent meeting of the State Democratic committee in Raleigh is that District Attorney Hammer may resign and run for Congress in the seventh district, and that ex-Lieut. Gov. Newland would be Hammer's successor as district attorney.

MAKE WORK EASIER

Graham People Are Pleased to Learn How It Has Been Done.

It's pretty hard to attend to duties with a constantly aching back. With annoying urinary disorders. Doan's Kidney Pills have made work easier.

So thousands have gratefully testified. They're for bad backs. They're for weak kidneys. Graham people gratefully recommend Doan's Kidney Pills.

Mrs. A. R. Flintom, South Main St., Graham, says, "While I was doing my house work, I often had such awful pains across my kidneys that I couldn't move. Sometimes when stooping I had to scream out loud and had to catch hold of something for support. I couldn't turn over in bed and mornings I had to have assistance in getting up. My kidneys acted irregularly and I felt all run down. I got a supply of Doan's Kidney Pills and I soon felt better in every way."

Price 50c at all dealers. Don't simply ask for a kidney remedy—ask for Doan's Kidney Pills—the same Mrs. Flintom had. Foster-Milburn Co., Props., Buffalo, N. Y.

To the Democratic Voters of Alamance County.

I take this means of announcing the fact that I shall be a candidate for the State Senate in the coming Primary. In this connection I desire to thank the Democratic party for the honor it conferred upon me in electing me to the House of Representatives in 1911 and 1913. I shall appreciate your support.

J. ELMER LONG.

Death.

Mrs. Elizabeth Ward, relict of Alfred Ward of Co. H, 6th Reg. N. C. State Troops, died at her home at Bellemont last Saturday evening about 6 o'clock, aged 80 years. She was the grandmother of Mess. Wm. I. Ward and John A. Forlines of this place. The interment took place about noon Monday.

Health and Sanitation the Theme of Resolutions.

The following recommendations were made by the Health Committee at the last meeting of the Woman's Club, and they met with such hearty approval that we have been requested to publish them for the benefit of all those interested in the private and public health and welfare of our community:

We, your Health Committee, realizing that the education of the general public to the risks of neglect and to the advantages and ways of healthful living is necessarily a slow process, recommend:—

First. That we see that our own premises and outbuildings are kept clean and in a sanitary condition, as an example of what we wish to teach others.

Second. That a "clean up" week for the whole town be appointed at an early date.

Third. That during the months of March and April the campaign against flies be commenced by properly screening all doors, windows and porches, as far as practical, and by killing out all left over winter flies. And that all scattered or covered and sprinkled with borax, and that stalls and other places where flies breed be sprinkled with powdered borax, which is said to kill the larva. We realize that the reduction of flies is due in a large measure to the winter campaign and to the vigilance of the tidy housekeeper in "cleaning up" and destroying all the "left-overs" in the early spring. One fly that survives the winter may become the parent of myriads next summer.

Fourth. That we recommend, and get as many members of the Woman's Club as possible to install some form of sanitary closet, as has been recommended by the State Board of Health, for outside closets.

Fifth. That we keep the laws of sanitation and hygiene and the mode of healthful living continually before our people: 1st, By recommending that the Health Bulletin be in the home of every member of the Club, and that it be read as regularly as the Bible, as a guide in ways of healthful living, remembering that "cleanliness is next to Godliness," but should come before for no one can be Godly who is not clean. 2nd, That a paper setting forth some of the laws of hygiene and sanitary living be read at stated times before the Club by a member of this committee, and that the same be published in The Alamance Gleaner.

Sixth. Looking forward to the time when it will be possible for us to have the "whole time" health officer, to make popular the cause of health and open the eyes of the public to the necessity of sanitation.

Any further suggestions from the Club will be appreciated by your committee.

HEALTH COMMITTEE,
Graham, N. C., March 9, 1916.

The case of Herbert C. Chaffin and his wife, Mrs. Mary Chaffin, against the Langren hotel, Asheville, has been settled by compromise, Mr. and Mrs. Chaffin were ejected from the hotel, charged with being persons of immoral character. They brought suit for damages and were awarded \$10,000. The compromise was for \$7,000.

County Commissioners' Proceedings.

The Board of County Commissioners met on 6th in regular monthly meeting, with the following members present, Geo. T. Williamson, Chairman, W. H. Tarrentine, Chas. F. Cates, M. T. McBane, and the following business was transacted:

Ordered, That this Board appropriate the sum of four hundred dollars for the typhoid campaign to be put on in this county. The doctors in Alamance county will be allowed the same amount per patient to vaccinate up to December 1st, 1916, as it costs under the campaign per patient. It is further ordered that the doctors who vaccinate will be required to report to the State Board of Health as per rules and regulations laid down by the State Board of Health.

The Board appropriated the sum of thirty-five dollars toward building a bridge on Tom's creek between Union Ridge and the Dolph Garrison place.

The petition of citizens in Morton township asking for a sand-clay road from the end of the macadam near Altamahaw to Caswell county line was filed and the Supt. of Roads and W. H. Tarrentine were instructed to investigate this road and report to this Board at its next regular meeting.

The report of E. C. Darby, Engineer, in regard to the curve in the road at Mr. Fred Howard's was accepted and approved, and it was ordered that said curve in said road be built as per his report and recommendation as filed with the Board.

Daniel Soets and wife were allowed \$3.00 per month for three months.

The official bond of G. Ab. Fogleman as Supt. of Roads in the sum of two thousand dollars was accepted, and ordered recorded and filed.

Ordered, That notice be given to those liable for road tax in lieu of two days work that the \$1.25 tax is now due and payable on or before the first day of April, and it is further ordered that lists of those paying and those not paying be promptly furnished the Supervisor on the first day of April. The law provides that the tax is payable only to the Treasurer of Alamance county.

Ordered, That Alamance county surface a road connecting the Alamance county improved roads with the Orange county improved roads in keeping with Orange Central Highway road and acceptable to the State Highway Commission.

Ordered, That the State Road Engineer and the U. S. Office of Good Roads be requested to examine the different routes across Alamance connecting with the roads of Orange county and report to this Board the most feasible route to be surfaced first.

Chance for Government Jobs.

Civil Service examinations will be held in Asheville, Charlotte, Durham, Goldsboro, Greensboro, Raleigh, Salisbury, Washington, and Wilmington, April 14th, for income and tax deputy collectors, inspectors and agents.
