—This is clean-up week. The cleaning begun Monday and will last till Saturday night.

-There was frost and a little ice Sunday, Monday and Tuesday mornings and it is feared that the prospects for fruit are not near so good as before.

-Mr. Lemuel M. Johnston, near Long's Chapel, is very feeble. He is confined to his bed. His son, Mr. Chas. D. Johnston, spent last night with him and reports him growing weaker day by day.

-Esq. Sil Spoon of Patterson township was in town yesterday. Inside a month from now he will be 89 years of age. He is still active on his farm and with his own hands s prepared the land for planting otton and corn crops.

Mr. Grant Estlow, who is traveling the State on business at this time, returned home yesterday. He brought with him some handsome and excellent white counterpane which were manufactured by the French Broad Mfg Co. at Elk Mountain. The cotton was spun, bleached and woven at this mill. They are splendid goods. He also brought back some silk hose made and dyed at Old Fort. It seems that our mountain sections are keep-ing pace with the other sections of the State in real progress, a fact that lots of people are not aware of.

# The M. E. Meetings.

Under the preaching of Rev. E. T. Liddell, Evangelist, great interest is manifested in the meetings at the M. E. church. Each night the church is filled to its capacity. Scores have indicated that they de sire henceforth to live a better life;

Last Sunday afternoon he preached a plain sermon to a fine congregation of men—old, middle-aged and young. Doubtless many went out of sheer curiosity, but they received a message which afforded them something to think about and act upon.

Next. Sunday afternoon Mr. Liddell will-speak to women and girls.

The meetings have been attended by many out-of-town people—some as far as 20 miles away.

Mr. Liddell concludes his labors here on Tuesday night, April 18th. He then goes to Raleigh to assist Rev. Dr. McCracken, and on May 11th he goes to Batesville, Ark., to a church of 1200 members.

# RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve votar general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and upbuild your strength.

— cott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.
