GRAHAM, N. C., April 20, 1916.

FINAL WORD TO GERMANY.

President Wilson Speaks It—Next Move Is Germany's Whether Diplomatic Relations Will Continue.

Yesterday President Wilson delivered his final warning to Germany and spoke it in an address to Congress in joint session.

The President in part said: "The lives of non-combatants, passengers and crews have been destroyed wholesale and in a manner which the government of the United States cannot but regard as wanton and without the slightest color of justification."

The roll of Americans who have lost their lives upon ships thus destroyed has grown month by month until the ominous toll has mounted into the hundreds.

The government of the United States has been very patient. It has been willing to wait until the facts were unmistakable and were susceptible of only one interpretation.

The use of submarines for the destruction of an enemy's commerce is utterly incompatible with the principles of humanity.

Unless the imperial government should now immediately declare and effect an abandonment of its present methods of submarine warfare against passengers and freight carrying vessels the government of the United States can have no choice but to sever diplomatic relations with the German empire altogether.

The County's Public Roads.

Alamance has joined with the other counties of the State for the maintenance of that part of the Central Highway running through the county.

The County Commissioners met in special session Monday to hear Mr. E. W. James, Chief of the Division of Maintenance, Mr. W. S. Fallis, State Highway Engineer, and Mr. W. L. Spoon, of Government Department of Roads, who were on an inspection tour of the central highway.

Under a proposition of \$50. per mile, adopted by every county traversed by the Central Highway, the Highway Commission takes charge of the maintenance, which assures expert attention at the proper time to all roads under its charge.

The price is considered cheaper than the county could do the work.

Sixth District Meeting Daughters of the Confederacy.

Today the district meeting of the Sixth District of the United Daughters of the Confederacy is in session here with Graham Chapter.

The meeting is being held at the home of Mrs. J. A. Long. Delegates and visitors from Lexington, Greensboro, Reidsville, Leaksville, Spray and Burlington have advised that they will be present.

There is more Ostrich in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable.

It is difficult to make out whether Congress has its ear to the ground or had buried its head in the sand, Ostrich like.

Letting babies die for lack of proper care and nourishment is stupid, if not criminal. Civilized communities ought to know and do better.

Though Mr. Bryan does not think much of preparedness he would hardly go so far as to take away a man's umbrella in a rain-storm.

Some Congressmen think it dangerous for the eagle to scream and want to teach it to coo in a meek low, plaintive mollycoddle tone.

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses its concentrated form the very food elements to enrich their blood.

It changes weakness to strength; it makes them sturdy and strong. No alcohol.

Graham Wins In State High School Debate

Last Thursday morning there was a big exodus of Grahamites for Chapel Hill to take part in and witness the State High School Debate and the Athletic contest.

Graham waited patiently but anxiously for the news Friday, when it would be determined who would contest in the final debate for the Aycock Cup.

In Memorial Hall to a packed house and enthusiastic audience the young debaters spoke and when they had finished, there was little doubt about the result.

History of these Debates.

Last Friday evening Graham's Affirmative Debating Team won the Aycock Memorial Cup given by the Literary Societies of the University at Chapel Hill.

These debates and annual track meets were first held in 1913. That year the question debated was "Woman's Suffrage."

These debates and annual track meets were first held in 1913. That year the question debated was "Woman's Suffrage."

The Winners—Miss Myrtle Cooper and Mr. Boyd Harden.

such honor to the town and school, and they should be grateful to the Superintendent and teachers.

Honors to Winners.

Saturday evening at 6 o'clock the visitors returned from Chapel Hill. They were met at the station by a large crowd and procession of about 25 automobiles headed by the Oneida Band.

The debaters, Miss Myrtle Cooper and Mr. Boyd Harden, were driven uptown in a machine decorated in their honor.

The parade stopped at the court house where a large crowd had gathered. Mr. J. Dolph Long made a timely talk in well chosen words.

Then Mr. Lynn Williamson, in behalf of Mr. L. Banks Holt, owner of the Oneida Mills, presented Miss Myrtle Cooper a beautiful gold wrist watch.

Mr. Holt has always taken a deep interest in the Graham Graded School and wished to show his appreciation of the honor that had been brought to the town.

Then Mr. J. Dolph Long, representing the citizens of the town, presented a gold watch to Mr. Boyd Harden.

He stated that this was a token of the pride the entire town felt in the debaters. Nothing for several years has aroused more enthusiasm than the splendid record made by these two young debaters.

The GLEANER did not have space to say all it wanted to say this week. It has more material for next week, composed of what others have had to say.

Then, too, there was the athletic contests in which Alamance won first place, and Graham was second to the best—Friendship.

Told That There Was No Cure for Him.

"After suffering for over 30 yrs. with indigestion and having some of the best doctors here tell me there was no cure for me, I think it only right that I should tell you for the sake of other sufferers as well as your own satisfaction that a 25c bottle of Chamberlain's Tablets not only relieved me but cured me within two months, although I am a man of 65 years," writes J. L. Grobein, Houston, Texas. Obtainable everywhere. adv.

The Republicans have no hope of defeating Mr. Wilson this fall; they only hope to elect the House of Representatives, but they will get fooled in that.

Splendid for Rheumatism.

"I think Chamberlain's Liniment is just splendid for rheumatism," writes Mrs. Dunburgh, Eldridge, N. Y. "It has been used by myself and members of my family time and again for the past six years and has always given the best of satisfaction."

The quick relief from such aches and pains which Chamberlain's Liniment affords is alone worth many times the cost. Obtainable everywhere. adv.

Try It! Substitute For Nasty Calomel

Starts your liver without making you sick and cannot salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver is taking its place.

Calomel is dangerous and perfectly safe and gives better results said a prominent local druggist. Dodson's Liver Tonic is personally guaranteed by every druggist who sells it. A large bottle costs 50c, and it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tonic is a pleasant tasting purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine, no biliousness, sick headache, acid stomach or constipated bowels. It doesn't grip or cause inconvenience at the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work. Take Dodson's Liver Tonic instead and feel fine, full of vigor and ambition. adv.

OPENING OF THE CHERO-COLA BOTTLING COMPANY Saturday, April 22, 1916 GRAHAM, N. C.

We Invite You to Come to See Us AND

Inspect Our Chero-Cola Sanitary Plant

The big idea in offering Chero-Cola to mankind is to provide a perfectly delicious, refreshing beverage, that is absolutely pure and wholesome.

In order to be sure the real goodness of Chero-Cola gets to the consumer, it is sold only in the original bottle, sterilized, carbonated and sealed at the plant. No Chero-Cola syrup is sold in bulk.

It is not on sale anywhere except in a Chero-Cola bottle with the label on it. Each bottle bears the Chero-Cola label that prevents the possibility of substitution. You get what you ask for.

Each bottle is sterilized and filled by machinery. The contents are clean. The Syrup has not even a chance exposure to contamination or adulteration.

Each bottle is absolutely uniform in flavor. The syrup and the carbonated water are accurately measured by machinery. There is no guess work in the manufacture of this beverage.

When you drink Chero-Cola from the original labeled bottle—through a straw—you have the satisfaction of knowing your drink is as pure and clean and refreshing as it can possibly be made.

Many families are serving Chero-Cola in their homes. They keep it in the refrigerator at all times—a real treat for every member of the family and for the unexpected guest.

Keep Chero-Cola in your home. Buy it by the case from your dealer.
