**LOCAL NEWS.**

The farmers are busy planting corn these fine days.

Graham Township Sunday School convention meets in Graham Sunday, April 30th.

Mr. J. D. Vaughn and family have moved to the Thos. A. Albright residence on E. Elm St.

The buds are a little tardy in bursting, but a few days more of warm sunshine will put a different aspect on nature.

The Priscilla Club will meet with Mrs. McBride Holt on Friday, April 28th, at 3:30 o'clock p. m.

The "Sock Social" given last Saturday evening by Graham Chapter U. D. C. was well patronized and netted the Chapter a nice little sum.

Every preparation is being made for County Commencement Saturday. Nothing is being left undone that will contribute to the pleasure and comfort of the visitors.

The Graham Choral Union will sing at Graham Christian church next Sunday morning. The Union meets regularly for practice and their singing is excellent.

We have done our best to fix the weather so that the County Commencement will have a pleasant and agreeable day Saturday. If the day shall be adverse it will not be our fault.

Mr. Thos. A. Albright, who moved back to his home here from near Cedar Grove, Orange county, with his family just before last Christmas, has bought a farm about a mile and a half south of Mebane and moved to it a few days ago. He will build a new residence on his farm.

Mrs. Geo. S. Rogers came near meeting with a serious accident here yesterday afternoon about 5 o'clock when her horse became frightened at an automobile. Her horse turned almost completely around and broke nearly every piece of harness on him, but fortunately he did not run and Mrs. Rogers sustained no injury.

**Selling Out.**

The "old reliable" implement house of N. S. Cardwell is going out of business. There will be regretted by his friends in Alamance and adjacent counties. His ad. appears on our fourth page. He has bargains for you.

**Among the Sick.**

Mr. J. B. Montgomery, who has been quite sick for several days is about well again.

Mrs. Rebecca Foust is still sick, though slightly improved, at the home of her daughter, Mrs. W. R. Klapp.

**Prof. John W. Webb Dies in Tenn.**

On April 15th, Prof. John W. Webb, brother of Mr. Saml H. Webb of Oakes, died at Senoia, Tenn., in the 64th year of his age. Prof. Webb was a graduate of Chapel Hill and a Conocochee veteran. After the war he and his brother founded the military school at Senoia, one of the best known military schools in the South. Prof. Webb was a teacher in the school of Dr. A. M. Shipp, a Professor at Chapel Hill and later at Vanderbilt. Prof. Webb's son, Prof. A. M. Webb, is a teacher in Trinity College and is professor of French, German and Spanish.

**Dr. J. O. Atkinson.**

The Christian Sun, published at Elon College, whose editor is Dr. J. O. Atkinson, prints a statement this week from the Doctor's physician, Dr. Charles L. Minor, at Asheville, who says he is "very glad to say" Dr. Atkinson's trouble is a very light one and the outlook very favorable. Says he is gaining weight rapidly, and that he "can send him back to the College with the opening of the Fall term in good shape to continue his work." This is good news that Dr. Atkinson's friends everywhere will be glad to hear.

**Graham Chero-Cola Plant in Full Blast.**

The Graham Chero-Cola Bottling Co. is housed in a new brick building 30x100 feet on W. Elm St. Everything is new, spick and span. The building has concrete floor and is as clean as a lady's parlor. The outside openings are completely screened and there is further screening on the inside. Every precaution for cleanliness appears to have been provided. Every bottle is soaked in a disinfecting solution, after which it is scrubbed inside and out and washed thoroughly in pure clear water. This is done by automatic machinery, so there is the least possible handling by hand. The capacity of the plant is about 400 dozen per day. The company has two nice auto delivery trucks, and began bottling and delivering last week. A good beginning is reported. Saturday is the company's "opening day" and every caller will be given a drink of their delicious beverage and a souvenir. They invite you and insist on your calling.

**County Schools Big Event.**

Saturday is the big day for the Public Schools of the County—County Commencement. This event is looked forward to with the keenest interest by pupils, teachers, parents and all interested in public education. Supt. J. B. Robertson and Miss Jeffcoat, Rural Supervisor, have been unremitting in their efforts to make the day a complete success. On our fourth page appears the programme of exercises. The whole town of Graham bids everybody in the County a cordial welcome.

**Meeting at M. E. Church Closed Tuesday Night—Large Congregation—More than 130 Converts.**

After preaching more than two weeks, Evangelist E. T. Liddell closed the meeting at the M. E. church Tuesday night. Throughout the services large congregations attended. From the first the large auditorium of the M. E. church was filled and on a number of occasions many stood on the outside and listened through the services.

Mr. Liddell is impressive in his earnestness. He speaks clearly and rapidly. He has his message prepared and there is no halting in its delivery. He has his sermons written with the manuscript before him, but he does no droll reading. His denunciation of every form of wickedness is forceful and clean-cut—no mincing of words. He is a Methodist, but he is no apologist for his or any other church. His is not dry inanimate preaching. Often he says witty things which cause a ripple of laughter to run over his congregation, but they are injected for illustration. To say the least, he is an unusual preacher, and his preaching has reached many that no other preacher has ever reached.

During the meetings more than 130 indicated that they were going to change their manner of life and serve the Master.

Mr. Liddell left here yesterday morning for Raleigh where he will hold a meeting, and from there he goes to Batesville, Arkansas.

**DEATHS.**

Rev. Geo. W. Tickle died last Sunday morning about 9 o'clock at the home of his father, Mr. Levi R. Tickle, about one and half miles North of Elon College. He was taken with acute indigestion Saturday afternoon. He was a quiet and devout young man.

Mrs. M. E. Morrow, widow of the late D. F. Morrow, died at six o'clock Sunday morning in Burlington. She was taken ill Saturday and had a stroke of apoplexy. She was about 65 years of age and is survived by three sons and two daughters.

**TRUTH TRIUMPHS**

Graham Citizens Testify for the Public Benefit.

A truthful statement of a Graham citizen given in his own words, should convince the most sceptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney pills use a tested kidney medicine. A Graham citizen tells of Doan's Kidney Pills. "Could you demand more convincing proof of merit. I, N. H. Clendenin, retired farmer, 8, Main St., Graham, says, 'I was bothered a great deal by weak kidneys. I had little control over the kidney secretions and had to get up many times during the night. In the morning my back was so sore and lame that I could hardly get out of bed. I read so much about Doan's Kidney Pills that I got a supply from Graham Drug Co. and began taking them. A few doses relieved the pain in my back and one box cured me. I can now go to bed sleep well and my back is strong.' Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills the same Mr. Clendenin had.
