LOCAL NEWS.

Next Monday the County Commissioners meet in regular monthly session.

On Sunday and this morning the weather smelt a little bit of frost but nothing to hurt much.

The Priscilla Club will meet tomorrow afternoon (April 28th) at 3:30 o'clock with Mrs. McBride Holt.

The Ladies Aid Society of Graham Christian Church will meet with Mrs. Ben B. Holt on Wednesday afternoon, May 3rd, 3:30 o'clock.

A feature of County Commencement Day that should not be overlooked was the game of baseball between Sylvan and Hawfields. It was a fine game and the score was 2 to 1 in favor of Sylvan.

Hayes Drug Co. is having at tile floor put in. Material was ordered some time ago, but delay in shipment and the County Commencement coming deferred the actual work till this week.

Mr. James O. Shoffner died last Thursday morning in Greensboro where he had made his home for a number of years and been engaged in the mercantile business. He was a native of Alamance county. He was sixty years old. At one time he was a clerk in the store at Glencoe Cotton Mills.

Miss Naomi Houtt gave an Easter house-party here at the home of her sister, Mrs. L. Holmes, and had as her guests Misses Rosa and Bert Houtt and Annie Craig of Wilmington and Mess. B. T. Marion and S. A. Phillips. The guests were carried back to Raleigh Tuesday by automobile, accompanied by Messes B. L. Holmes and J. J. Barfoot, Miss Lucie Holmes and Mr. Glenn Hoffman.

Moved to New Home.

Mr. and Mrs. Chas. P. Harden and family moved last week to their handsome new home about three-fourths of a mile immediately South of and in sight of the court house. They have a pretty and attractive location.

Mr. Hartness, Candidate for Secretary of State, Here.

Last Friday Mr. J. A. Hartness of Staeville, candidate for the Democratic nomination for Secretary of State, quietly dropped into Graham and went about calling on his friends and making new acquaintances. He is a smooth campaigner and knows how to get around among the people and let them know his business.

The Graham Tribune Revived.

After a suspension of some several years the Graham Tribune has come to life again and appeared last week under date of Thursday, April 20th, 1916. It is published by Messrs. H. G. Foster and Almond G. Ausley, under the firm name of Foster & Ausley, and starts as Vol. 1, No. 1. It starts on its career with no flourish or promises. Its reappearance was a surprise to most of the people of the town. We wish it success.

Prizes for Graham School County Commencement Day.

Graham Graded School is not allowed to compete with the County Schools for prizes on County Commencement Day, but the loyal citizens of Graham did not want to let the occasion pass without some recognition of our excellent school, and hence made up some special prizes, as follows:

There were four special prizes offered to the grades in the Graham Graded School Saturday. A \$5.00 prize given by some patrons of the school for the grade which did the best marching was won by the Third Grade. A \$2.50 prize given by the Woman's Club for the best primary drawing was won by the Second Grade. A picture given by Green & McClure for the best Grammar Grade drawing exhibit was won by the Fourth Grade. The second prize for the Grammar Grades, a dictionary, was won by the Seventh Grade. The First Grade was awarded second honor in the primary department.

By Way of Apology.

Our readers are interested in everything that pertains to Alamance county and our people. Lately the events have come thick and fast—events which place Alamance in the very forefront of the galaxy of grand counties which compose the great commonwealth of North Carolina. We wanted to devote more space to these than we have, but space and time, both, forbade. For this issue we had more material than we could use, but we will take another "shot" at it next week, even if some of it shall appear to be "ancient literature."

Newlin Township S. Convention May 28.

District Meeting of the Daughters of the Confederacy.

The meeting of the 6th District of United Daughters of the Confederacy was held in Graham April 29th, 1916, at the residence of Mrs. J. A. Long. The delegates and visitors from other Chapters were as follows: Mesdames J. T. Lowe, W. H. Mendall and C. W. Trice of Lexington; Mesdames E. R. Michaux and Sterling Jones and Miss Lizzie Lind-Page of Greensboro; Mesdames J. W. Page and Ernest Bellare of Miss Ruth Thurston of Burlington. Of special interest were the reports from the Chapters comprising the District. For the benefit of absent members Graham Chapter and all who are interested in the report of the Chapter for the past year is given for publication, as follows:

Report of Graham Chapter No. 944.
Immediately after the last District Meeting, Graham Chapter put the finishing touches to the monument. The plat was turfed and other necessary work was done to complete the decorative effects. The Daughters viewed the finished work with pride, and justly so, for it meant the reward of hard work and honest endeavor. May the 10th, Memorial Day, was fittingly observed with an address by Dr. W. S. Long of Chapel Hill and appropriate toasts at the Court House. Crosses of Honor were bestowed on six veterans. Following these exercises the graves of soldiers in both cemeteries were decorated with flowers. On July 4th the Chapter served dinner to the veterans of the county. This dinner is served annually and is very much enjoyed by all the veterans. At the Chautauque in Burlington in July, the Chapter gave beautiful presents to Mrs. George Pickett, attended her lecture in a body and afterwards assisted at a reception given her by the Chapter. Not much actual work was done in the hot weather but with the September meeting plans were launched for more educational efforts and it was also decided to adopt a monthly historical program. A committee arranged the following program for October: The questions prepared by Miss Rutherford, Historian General on her address "Wrongs of History"; The "Chautauque" in Burlington; and the fact that there is something definite to expect each time has set up the interest. The Chapter truly congratulates the men who have meant much to us and we recommend a special history program to our visitors. The Chapter is especially interested in educational work and it has been our pleasure to aid in the education of the granddaughter of an Alamance veteran. The prize of \$25.00 each for the best essay on the subjects, "General Lee in Confederate History" and "General Jackson in Confederate History" have been offered to the Public Schools of the county. These prizes were delivered on Lee-Jackson Day and at the same time appropriate exercises were held in the Graded School in Graham. Four pictures of Gen. Lee have been presented to four schools.

The Chapter has lost one member by death and gained one member. We have 30 members. To replenish our treasury during the year we have given a Music and Spelling Match, received part of the proceeds from Moving Picture Show on one occasion and have also given a Book Society. The Chapter has sent \$5.00 to the Soldiers' Home; \$5 to Shiloh; \$10 to Confederate Home for Women; \$10 to the State Normal Industrial Fund; paid taxes; aided veterans at Christmas, also needy daughter of a veteran; sent box of apples to Comfort for the Women at Christmas; sent flowers to three funerals and to a sick daughter while in hospital. Received from Monument Fund \$50.00; disbursements for Monument fund \$69.72; Received from other sources \$122.14; disbursements \$111.99. Respectfully submitted,
MRS. J. DOLPH LONG,
Recording Secretary.

After the business of the session was over a delightful and elaborate luncheon, prepared by the Chapter, was served. Then the visitors were taken in automobiles for a spin over our good streets and roads. They drove through Piedmont Park and Burlington and visited Alamance Battle Ground. The visitors, who expressed themselves as having spent a delightful pleasant day, left for their homes at six o'clock.

Interest in Graham Milling Company Changes Hands.
Messrs J. C. and C. G. Guthrie have sold their holdings in Graham Milling Co. to Mr. C. P. Albright. The latter will take the management of the mill June 1st, and the Messrs. Guthrie will retire. Mr. Albright has had considerable experience in the milling business and is a most valuable man. It is learned that Messrs. Guthrie propose to go to the Eastern part of the State and will perhaps engage in the milling business again. Itch relieved in 30 minutes by Woodford's Sorely Lotion. Never fails. Gibsonville Times Proposes to Suspend.

In its last issue the Gibsonville Times announced that with its issue of this week it would "suspend publication indefinitely," but the editor hopes to get someone else to take up the work. The Times has been all along a good local paper and the town should not allow it to stop. No town, these days, can keep itself before the world without a newspaper, but often the people of a town get so accustomed to having a newspaper that they really forget to give it the support and patronage it must have to exist; and they forget, too, but for the newspaper, the rest of the world would scarcely know the town was on the map. The editor, Mr. L. T. Barber, we suspect, has done the work and received little remuneration for the time devoted to the paper, but that is not the reason he is giving it up. He is a busy man with his own affairs—the business from which he makes his living. Mr. Barber is a young man of excellent business qualifications and has been elected a member of the Board of Commissioners of Guilford county. His uncle, Mr. W. C. Michael, held a similar position in that county, and his grandfather, Mr. Peter Michael, was a Commissioner of this county for several years. Mr. Barber is an Alamance boy and a son of Mr. D. R. Barber, who lives about three miles north of Elon College. The Gleaner wishes him continued success.

Worthy of Mention and Creditable.

Graham did a number of things for County Commencement Day that deserve special mention. The town authorities had the streets swept clean of dust the night before and everything was ready for the guests. After the day was over they were swept again as usual. Provision was made for a plentiful supply of water with individual sanitary drinking cups. The Commercial Club provided a rest room for ladies which contributed to their comfort. In conjunction with this the Woman's Club had a large committee of ladies properly badged who spent the day looking after the comfort of lady visitors. A cash prize was awarded to the best decorated store by the Woman's Club. Graham Hardware Co., received the prize and W. P. Smith's grocery store and Green & McClure's Furniture Co.'s store received honorable mention. But all the stores and shops had their best foot foremost and we give them all honorable mention without naming them in detail.

The Chero-Cola Bottling Co. had a rush of visitors all day long. It gave away over 7,000 souvenirs and several thousand tasted their delicious beverage free of charge. There was displayed in the window at Green & McClure's Furniture store the most attractive display of silver cups and medals ever taken by a single community in the State—trophies won in debates and on the athletic field. We will tell all about them next week.

A valuable mineral spring has been discovered by W. H. Ausley on his place in Graham. It was noticed that it brought health to the users of the water, and upon being analyzed it was found to be a water strong in mineral properties and good for stomach and blood troubles. Physicians who have seen the analysis and what it does, recommend its use. Analysis and testimonials will be furnished upon request. Why buy expensive mineral waters from a distance, when there is a good water recommended by physicians right at home?
