LOCAL NEWS.

Another bountiful rain fell here Saturday night. Mrs. A. K. Hardee has been sick for several days. The past 3 or 4 days have been the warmest of the summer. The County Commissioners will meet in regular monthly session next Monday. Graham extends a cordial welcome to everyone to the big Fourth of July celebration. Wheat threshing has begun. While the crop is not a large one, the yield is reported good. Graham Chapter of the United Daughters of the Confederacy will meet at 3:30 p. m., July 6th, with Mrs. W. H. Anderson of Haw River. The Ladies Aid Society of Graham Christian church will meet with Mrs. J. N. H. Clendenin at 3:30 o'clock next Wednesday afternoon, July 6th. A new bell of splendid tone has been put in the tower of the M. E. church. The congregation had been without a church bell since the burning of their church a few years ago. Capt. S. H. Webb was here Saturday, returning from the North Carolina Good Roads Association at Wrightsville. The meeting was largely attended and was the best in the history of the Association. Mr. W. J. Nicks, a few days ago, showed us two large photos of views on his farm while the wheat harvest was in progress. They looked as good as those of the Kansas wheat farms. Mr. Nicks' farm is a mile east of Graham. It is his pet and he is doing some good work. Mr. J. Lee Hurdle of Union Ridge, Mr. John M. Foust, near Snow Camp, and A. O. Huffman, near Big Falls, were in town this morning. They say that everything is growing rapidly as a result of the abundant rains and that the grass is rather "overdoing" itself. The County Board of Pensions will meet next Monday. The meeting will be held in the office of the Clerk of the Superior Court. Besides the Clerk, who is an ex-officio member, the Board consists of Mr. J. N. H. Clendenin, chairman, Mr. J. H. Watson and Capt. James A. Turrentine. Moving M. P. Church. The M. P. congregation is moving their church building from the lot in the rear of the Graded School to their new location on North Main St. between the street and the water tank. Mr. C. M. Cummins of High Point is doing the work. "The Rosary" July 7th. Next Friday night, July 7th, The Rosary will be shown at the Mexican Theatre. It is the story of the destruction and restoration of a home and teaches a good moral lesson. It is said to be as good as any sermon. Don't forget the date and be on hand. Two Games Baseball at Graham on Fourth. At 10:30 in the morning Graham and Gibsonville will cross bats; and in the afternoon at 3:30 Graham and Swebsonville. Games at Graham Athletic Park. Ladies admitted free of charge. All are strong teams and the games will be good. Sheriff Undergoes Operation. It was mentioned last week that Sheriff R. N. Cook had gone to St. Leo's for treatment. When he returned an operation had not been definitely decided on. He was operated on last Friday afternoon for appendicitis and other troubles. He withstood the ordeal alright and the last report is that he is getting along as well as could be expected. Campaign Against Typhoid. Under the supervision of the State Board of Health the county co-operating an anti-typhoid campaign will start in Alamance on July 3rd—the dates and appointments can be seen in the big double-column notice elsewhere in this paper. The people are urged to take the treatment. It is free, does not interfere with one's work or business and renders one immune from the disease for from two to four years. Sgt. Lon G. Turner Color Sgt. 3rd Regiment. Special Order No. 1 reads as follows: "JUNE 26, 1916. "Sgt. Lon G. Turner is hereby transferred from Company I, 3rd Inf., N. C. N. G. to the non-commissioned officers staff of the 3rd Inf. N. C. N. G. as Color Sgt. "By order of, COL. S. W. MINOR, Commanding. DON. E. SCOTT, Capt. and Adgt." Sgt. OUR SOLDIER BOYS BANQUETED

Ladies' Organizations and Citizens Provide Repast—Speeches, Music and Songs. Holt Guards, Company I, 3rd Regiment N. C. National Guard and Captain Don E. Scott, Regimental Adjutant of the 3rd, were the guests at a farewell banquet given here last night on the eve of the departure of the Alamance soldier boys for the mobilization camp at Morehead City. They marched from the railway station down Main St., headed by the Oneida Band, to the Court House Square. The sturdy and brawny young men in their uniforms looked every inch the soldier and received the plaudits of the large gathering. The entire town and surrounding community joined in providing the entertainment for the boys, and turned out to show the boys that the loyalty and enthusiasm with which they responded to their country's call was appreciated. Drawn up in platoon front, just at the base of the beautiful and imposing monument dedicated to the Confederate veterans, located immediately in front of the Court House, Company I, under command of Captain J. C. Freeman, heard words of praise, appreciation and encouragement from the speakers of the occasion. Mayor Heenan Hughes presided over the assembly and, after an invocation of the Divine blessing by the Rev. J. W. Rose, called upon Mr. E. S. Parker, Jr., and Colonel Jacob A. Long and each responded with well chosen words of praise of the boys who were so ready to defend their country's flag and honor. The assembly sang America and the Band played Dixie. The exercise was held about the same spot where a similar exercise was held 55 years ago when the first company from Alamance left for the Civil War. After the addresses the company was marched to the Oneida Building where the Daughters of the Confederacy and the other ladies' organizations of the town had prepared a bountiful repast of good things to eat for the company and a few of the old veterans. The final course of the banquet was cigars and tickets to the Mexican Theatre—with the addition of "a wee bit o' smokin'" for the boys' haversacks, after which "taps" was blown on one of the most sincere tributes paid a departing Company. The boys leave at 5 o'clock tomorrow morning for Camp Glenn, Morehead City. The Jubilee Year Souvenir. This is the title of a book in course of preparation by Rev. Simon G. Walker, colored, and will embrace an account of the negro from his emancipation and the progress he has made for a period of 50 years. While it will contain the pictures of prominent negroes and their biographies, the contents will be composed chiefly of accounts of Alamance negroes who by upright living and faithful service are considered worthy of a place in the volume. Carried out on the proposed scheme, the book will be an inspiration to the negro to do his utmost to win a place of esteem and confidence. You Can Cure That Backache. Faced by demands from the conductors, engineers, firemen and brakemen that would impose on the country an additional burden in transportation costs of \$100,000,000 a year, the railroads propose that this wage problem be settled by reference to an impartial Federal tribunal. With these employees, whose efficient service is acknowledged, the railroads have no differences that could not be considered fairly and decided justly by such a public body. Railroads Urge Public Inquiry and Arbitration The formal proposal of the railroads to the employes for the settlement of the controversy is as follows: "Our conferences have demonstrated that we cannot harmonize our differences of opinion and that eventually the matters in controversy must be passed upon by other and disinterested agencies. Therefore, we propose that your proposals and the proposition of the railroads be disposed of by one of the following methods: 1. Preferably by submission to the Interstate Commerce Commission, the only tribunal which, by reason of its accumulated information bearing on railway conditions and its control of the revenue of the railways, is in a position to consider and protect the rights and equities of all the interests affected, and to provide additional revenue necessary to meet the added cost of operation in case your proposals are found by the Commission to be just and reasonable; or, in the event the Interstate Commerce Commission cannot, under existing laws, act in this premises, that we jointly request Congress to take such action as may be necessary to enable the Commission to consider and promptly dispose of the questions involved; or 2. By arbitration in accordance with the provisions of the Federal law" (The Newlands Act).

Federal Inquiry or Railroad Strike?

Leaders Refuse Offer and Take Strike Vote Leaders of the train service brotherhoods, at the joint conference held in New York, June 1-15, refused the offer of the railroads to submit the issue to arbitration or Federal review, and the employes are now voting on the question whether authority shall be given these leaders to declare a nation-wide strike. The Interstate Commerce Commission is proposed by the railroads as the public body to which this issue ought to be referred for these reasons: No other body with such an intimate knowledge of railroad conditions has such an unquestioned position in the public confidence. The rates the railroads may charge the public for transportation are now largely fixed by this Government board. Out of every dollar received by the railroads from the public nearly one-half is paid directly to the employes as wages; and the money to pay increased wages can come from no other source than the rates paid by the public. The Interstate Commerce Commission, with its control over rates, is in a position to make a complete investigation and render such decision as would protect the interests of the railroad employes, the owners of the railroads, and the public. A Question For the Public to Decide The railroads feel that they have no right to grant a wage preferment of \$100,000,000 a year to these employes, now highly paid and constituting only one-fifth of all the employes, without a clear mandate from a public tribunal that shall determine the merits of the case after a review of all the facts. The single issue before the country is whether this controversy is to be settled by an impartial Government inquiry or by industrial warfare.
