Mrs. Lucinda Robertson crosses the River—At Death was Reading Bible Through 22nd Time.

Mrs. Lucinda Robertson, widow of the late Michael Robertson, died on Aug. 25th, 1916, in her 84th year, at the home of Mr. Missouri Lineberry in Patterson township, where she has made her home for some time.

Mrs. Robertson was born in Washington, D. C., for more than twenty years, but was with his mother when she died.

The funeral was conducted by the Rev. William Pike, a nephew of Mrs. Robertson, at Mt. Zion Baptist church and she was laid to rest amid a large concourse of relatives and friends.

In the passing of Mrs. Robertson a life and character that was very strong and in many ways very striking came to an earthly close.

Webb Avenue S. S. Picnic at Thompson's Store.

Reported for The Gleaner. On Saturday afternoon, Aug. 26th, Dr. H. F. Moore, Supt. of Webb Avenue Sunday School of East Burlington, with more than one hundred of his school, went to Thompson's Store, five miles south of Graham, on their annual picnic.

The afternoon and evening was pleasantly spent, "grown ups" gathering in groups about the grove, younger members of the party strolling through the woods and children playing about the store.

Dr. Moore, Supt. of the school, revived boyhood memories by strolling about the old school grounds and down to the old, but ever refreshing, spring of old Gum Grove School, where he first attended school under the tutorage of the late Capt. D. S. Thompson.

The climax of the day (to the little ones) was reached when the Doctor announced that the ladies of the party, ever thoughtful of the children, were waiting with unpacked baskets. We will try to enumerate—just say the supper was all that was necessary with an abundance left.

The merry crowd now gathered in automobiles, buggies and wagons and rumbled homeward.

No sensible man would fire a cook for attending to her business. Why fire a congressman for attending to his?

One obtains glimpses of Normandy and of Trouville, the famous bathing beach where all the world takes a dip and watches the pretty French girls in their one-piece bathing suits. Then the scene changes to Alencon where an annual fete is held with hundreds of French peasants and traveling performers taking part.

Many expensive sets were constructed for "The Madcap", including the reproduction of the exterior of a famous old castle in Normandy with its huge medieval gate and towers. Another scene shown is the interior of a theatre on the stage of which is reproduced a scene from the photoplay. Still another scene shows a French country circus sporting for the peasants in a small town in Normandy, while another feature of the play is an aeroplane flight in a 129-horse power machine which is made by Flora Parker De Haven, the star of the photoplay.

"The Madcap" was adapted by Lenora Alsworth from the story by George Gibbs and was produced in part at Universal City, Cal., by William Dowling, the Universal director. Vera Doria and Richard Sterling appear in support of Miss De Haven, who in private life is the wife of Carter De Haven, who in private life is the wife of Carter De Haven, the famous vaudeville who has renounced the variety stage to become a Universal star.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one cure for disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions, Halls' Catarrh Remedy is taken internally and acts through the blood on the mucous surfaces of the system, thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work.

The proprietors of Halls' Catarrh Remedy state that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, Ohio. Sold by all Druggists, 7c.

Dog Tax. Your dog tax will be due on and after Sept. 1st for 1916-'17. All owners of dogs in Graham are required to pay this tax. BOYD R. TROINGER, Tax Collector, Aug. 16, 1916.

Maj. R. B. Miller, prominent manufacturer and citizen of Cleveland county died on 21st at his home in Shelby from a stroke of paralysis, aged 61. He had represented Cleveland county in the Legislature.

WHAT CATARRH IS. It has been said that every third person has catarrh in some form. Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building-tonic, free from alcohol or any harmful drugs. Try it. Scott & Bowne, Bloomfield, N. J.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25 cents. adv.
