GRAND JURY'S REPORT.

A New Court House Among Recommendations in Report.

March Term Superior Court, Alamance County, N. C. To His Honor, Jno. H. Kerr, Judge Presiding.

We, your Grand Jury, beg leave to make the following report: We have examined all bills presented to us by the Solicitor and have passed on same.

We visited the County Jail and found it well kept and sanitary; the inmates well cared for, but would recommend that the Honorable Board of County Commissioners have the lot cleaned off, especially the rubbish of the old jail, and have the lot beautified by sowing grass and planting shrubbery.

We have visited the County Home and found it well kept and in good sanitary condition, inmates well cared for—found the rooms neat and clean. We would recommend that the Honorable Board of County Commissioners have a permanent road built from the macadam road to the Home.

We have visited the county convict camp and found the camp in good condition, convicts well cared for, the stock in good condition and well cared for, tools in good condition and well cared for. We visited all the offices of county officers and found them well kept, and as far as we could see the books are well kept.

We would recommend a floor be put in the Treasurer's office, also in the office of Clerk of Court. We would recommend that as soon as the County Commissioners see the way clear that they have a Court House built that would be in keeping with the progress of our county.

We find the closets in the Court House in a very unsanitary condition.

Very respectfully submitted, J. A. HAMILTON, Foreman.
