LOCAL NEWS.

Mr. Wm. I. Ward has purchased a Dodge automobile. It is a nice car.

The County Commissioners will meet next Monday in regular monthly session.

Regular Communication Thos. M. Holt Lodge No. 492, A. F. and A. M., Friday night 8:00 o'clock. Business of importance.

J. HARVEY WHITE, W. M. J. S. COOK, Sec'y.

The weather has been oppressively warm for a week, seeming to get warmer each day. A refreshing rain is falling this afternoon that will give some relief from the excessive heat.

Graham township Sunday School convention met Sunday night at the Christian church and was well attended. The principal address was made by Dr. W. A. Harper of Elon College. We trust to have a fuller account of the proceedings for our next issue.

On Red Cross Mission. Mesdames Lynn B. Williamson, J. Dolph Long and J. W. Menefee spent Tuesday at Mebane in the interest of Red Cross work.

Returned From China. Last week we announced that Mr. John Scott, son of Mr. J. L. Scott, Jr., was coming. He arrived Monday morning. Four years ago he went to China to fill an engagement with the British-American Tobacco Co. John looks well and about the same as he did when he left, but a little more mature. His family and friends were glad to see and greet him again.

Capt. Sharpe and Tayloe, U.S. Army, Here. Capt. Bernard Sharpe spent yesterday and today here mustering the Headquarters Co. into the Federal Service, and Capt. Tayloe, Surgeon, spent yesterday here examining the Headquarters Co. Out of the 65 only 3 failed to pass the physical examination, which is a good record. Two of them were underweight—less than 110 lbs.

Benefit Dance. A dance was given Tuesday night, gotten up by the young ladies, in the hall over the offices of Graham Loan & Trust Co., for the benefit of the Red Cross. Each attendant paid a small admission fee and a nice little sum was received. The proceeds will be used to supply the soldier boys quartered here with some useful articles. It was very thoughtful of the part of the young ladies and the kindness will be appreciated by the soldier boys.

Capt. Adj. Don E. Scott Promoted to Office of Major. It came out in the papers this morning that Capt. Don E. Scott had been advanced to the office of Major of the First Battalion of the Reg't to succeed Major J. J. Bernard of Raleigh, who was discharged on account of defective teeth. For several days it had been known that Capt. Scott would go to the rank of Major.

THE GLEANER joins Major Scott's many friends in congratulations upon the distinguished honor that has come to him. That he will wear the honor as becometh a true soldier is confidently predicted.

First Alliance Boy In France. So far as known the first soldier from Alliance to reach France is L. B. Poythress, son of Mrs. N. A. Poythress of Graham. He writes his mother that he reached a French port about a month ago in a letter received Tuesday. He said he could not write as interesting a letter as he wished on account of the censorship, but hoped to explain later.

Building Silo. Mr. E. L. Henderson is building a 50-ton silo on his farm one and a half miles South of Graham. Mr. E. C. Turner, an A. & E. College man and government representative is superintending the construction. Mr. Henderson is preparing to feed his stock both economically and well at the same time. The silo must come for cheap feeding.

"Uncle" Cas. Holt Dead. Last Monday afternoon "Uncle" Cas Holt, one of the oldest colored men in this community, passed away at the home of his son-in-law, Riley Shoffner. He was about 88 years of age. He was born a slave and belonged to the late Edwin M. Holt. As a boy he grew up with the late Gov. Thos. M. Holt and they were about the same age. Uncle Cas was one of the best known colored men in the county.

Mr. Ralph Long of Winston-Salem is spending the day here.

Miss Rebecca Scott went to Mebane yesterday to spend a day or two.

Mrs. Will E. White is at home from a visit to her old home at Morganton.

Mrs. Mary Flinton and daughter of Durham are visiting at Mr. A. R. Flinton's.

Mr. and Mrs. Edwin D. Scott and Mrs. O. S. Hunter spent yesterday in Greensboro.

Hon. S. M. Gattis and Mr. C. E. Hornaday of Hillsboro are here today on business.

Mrs. F. L. Smith of Salisbury spent the week-end here visiting her sister, Mrs. E. L. Henderson.

Mrs. M. B. Rives and little Miss Mary Worley have returned from a visit to relatives at Robersonville.

Mrs. W. H. Proctor of Durham spent from Friday till Tuesday with her sister, Mrs. Geo. S. Rogers, near here.

Mr. Claude R. McVey of Rockingham county, former Sup't. of Graham Graded Schools, was in town yesterday.

Mr. and Mrs. J. D. Kernode and a son, J. D., Jr., and Lovick H., and daughter, Miss Lorena, spent Sunday at Jackson Springs.

Mrs. U. G. Daurity and children of Goldston were here from Sunday till this morning at the home of her sister, Mrs. L. G. Turner.

Mr. Jas. H. Porterfield of Atlanta, who has been visiting in the county since Saturday, is spending the day here at the home of his sister, Mrs. L. G. Turner.

Mr. Dan. R. Huffines and two or three members of his family of Greensboro passed through town yesterday, going to the stock sale at Meville Farm.

Dr. and Mrs. J. Mel. Thompson and Master Melvin of Mebane spent from Saturday till Monday here at the home of Mrs. Thompson's parents, Mr. and Mrs. J. L. Scott, Jr.

Rev. O. B. Williams of Cross Anchor, S. C., former pastor of Graham M. P. church, was here Saturday shaking hands with old friends who were glad to see him again. He was accompanied by his brother.

Mr. and Mrs. J. J. Henderson and little daughter returned yesterday from a visit to Mr. and Mrs. Jas. D. Proctor in Lumberton. Mrs. Henderson went two weeks ago and Mr. Henderson went last Friday.

DEATHS.

Mrs. J. W. Cates of Burlington, who, before her marriage, was Miss Sarah Elizabeth Scott of Campbell county, Va., died suddenly at her home in Burlington a few minutes after 9 o'clock Saturday night. The funeral services were conducted at 10 o'clock Tuesday morning from the First Baptist church of which she had been a devoted member for thirty years, having connected herself with the church the day it was organized—July 28, 1887.

Mrs. Cates was born Dec. 25, 1857, and was in her 60th year. She is survived by her husband and six children—4 sons and 2 daughters, and a host of relatives and friends, who mourn the death of this good wife, mother and friend.

Mrs. Jerry Hughes died last Wednesday at her home at Haw River. The funeral was delayed till Sunday to await the arrival of her son, who belongs to the National Guards and is stationed at El Paso.

Mr. John H. Porterfield Dead.

The early part of last week Mr. John H. Porterfield of Mebane was carried to Rainey Hospital for an operation. The operation was performed but failed to give the relief hoped for and he passed away at 3 o'clock Sunday morning. The funeral services were conducted at his home in Mebane Monday afternoon by Elder C. F. Denny of Durham and Rev. Mr. Arnette of Mebane, after which the burial was in Linwood cemetery in Graham. He was twice married. His first wife was Miss Lizzie Anderson of Orange county and to them were born seven children of whom the following are living: Andrew G. Porterfield, near McCray, Asa H. Porterfield of Atlanta, U. G. Daurity of Goldston, Mrs. Lon. G. Turner and Miss Fannie Porterfield of Graham. His second wife was Miss Annie Paris, who survives her husband.

Mr. Porterfield was born in Orange county about 65 years ago. He located in Mebane about seven years ago and was proprietor of the Porterfield House. Prior to his moving to Mebane he made his home in Graham about ten years. Mr. Porterfield was a good citizen and highly esteemed, and his death will be learned of with deep regret by all who knew him.

Ice Cream Supper Aug. 4th.

The ice cream supper which was announced some time ago to be at Mr. C. C. Thompson's (near Eureka school house) will be Saturday night, August 4th. The proceeds go to Mt. Hermon Sunday School.

RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength.

Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

The Sand Hills, Jackson Springs and Other Things.

It is across the country and South of Graham where the famous "sand hills" are found. Moore county is the center of the sand hill region. The writer and four other members of his family left Graham early Sunday morning in an automobile, going by Greensboro, Asheboro and several small villages, and reached Jackson Springs in good time for dinner. Jackson Springs is an all-year-round resort in the heart of the sand hill country. Mr. and Mrs. Geo. R. Ross live there. Mr. Ross, son-in-law of Dr. W. R. Goley, is one of the owners of the property and gives the hotel, farm, etc., his entire time. Besides hotel accommodations for three hundred people, there are a number of cottages where whole families come to spend several weeks or months at a time. The Springs furnish a water of acknowledged health-giving properties. Through the property flows a creek that furnishes water for a swimming pool and small power plant to generate electricity for lighting purposes. A railroad passes through the place too.

Those who have an idea that this country is a sandy waste, need to revise their notions. It is hilly—very hilly, almost mountainous. It is not a barren country. Where not cut away there is yet some fine pine timber and other woods. There are big farms in corn, cotton and other crops, and big peach orchards find a congenial home among the hills.

It is only five miles from the Springs to the Derby farms where Mr. Ross spent five years, and where he cleared and put 800 acres under cultivation. We saw fine crops of corn and cotton here, young orchards, vineyards and dewberry fields. A day spent in that section would open the eyes of any one who would take time to go and see. And last, but not least, there are fine sand-clay roads which make motoring a pleasure.

Canning Club Work in Alamance County

At this particular time, when the Governor of North Carolina and the President of the United States are issuing proclamations, as never before in the history of our State and Nation, to the women and girls, urging the canning and drying of perishable fruits and vegetables, it is a pleasure, pride and delight to consider this line of work in our county as it has been and is now being conducted by the Girls' Canning Clubs organized and operating in the several parts of the county.

These clubs, composed of the girls and women of the rural districts, go at the work with a determination and we were simply amazed when we learned the fact that these clubs put up approximately 35,000 cans of domestic and commercial fruits and vegetables last year, valued at \$8,000.

This year the membership of these Canning Clubs, mostly the girls of the rural districts, is more than double that of last year, and under existing conditions, on account of the war and otherwise, greater opportunities being offered than at any time in the past. We have every reason to believe that the accomplishments of these clubs will, at the end of this year, show results highly gratifying to all concerned.

The work of these Girls' Canning Clubs, this year, is being directed by Miss Martha Holt, Graham, she being County Demonstrator, and girls or women, anywhere in the county, who wish to do their part in conserving by canning or drying perishable fruits and vegetables are invited to confer and co-operate with her.

Ask Anyone Who Has Used It.

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability ask any one who has used it.

Two negroes, brothers, were taken from the jail at Tangipahoa, La., and lynched. They were charged with the murder of a white man.

Stomach and Liver Troubles.

No end of misery and actual suffering is caused by disorders of the stomach and liver, and may be avoided by the use of Chamberlain's Tablets. Give them a trial. They only cost a quarter.

GIRLS! LEMON JUICE IS SKIN WHITENER

How to Make a Creamy Beauty Lotion for a Few Cents. The juice of two fresh lemons strained into a bottle containing three ounces of orahard white makes a whole quart of a pink cream of lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin whitener, softener and beautifier.

Just try it! Get three ounces of orahard white at any drug store and two lemons from the grocer and make up a quart of this pink cream of lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. CARRYING THE GARDEN THRU TO SUCCESS.

Mid-Summer Work in the Garden.

Cultivation: To Keep Things Growing! Succession Crops, Etc.

By F. F. Rockwell, Author of "Around the Year in the Garden," "Home Vegetable Gardening," etc., etc. Copyright 1917 by W. A. Burpee & Co., Seeds Growers, Philadelphia, Pa.

Abraham Lincoln used to tell a story, by way of illustrating what the promises of some of his political opponents amounted to, of a splendid boulevard he once came across in a western city. It began as a fine avenue, flanked with magnificent trees on either side, and wide enough for three coaches and four to drive abreast, but just beyond the town limits it became a dirt road, and then a cow-path, and finally became a squirrel path that ran up a tree and ended in a knot-hole!

Some of our "war gardens" are going to end like that this year. Every season in fact, war or no war, there are many gardeners who start out most enthusiastically in the spring and do excellently in getting their gardens started, only to have their good resolutions "pete out" toward mid-summer, and finally let things slide entirely. This seems that they not only lose the opportunity to get a fall as well as a summer crop from their gardens, but forfeit the benefits of much of the work they have already done, and by raising a crop of weeds, waste the fertility of the soil and sow a lot of trouble for next season. Weeds are always ready to go to work and produce a crop of seeds just as soon as the gardener stops producing crops of vegetables. Don't play into the hands of the enemy. Even if you can't push this year's campaign any further, at least hold what you have
