GRAHAM, N. C., Sept. 27, 1917.

The most conspicuous figure in public life today in opposition to the Government's war policy is Senator LaFollette of Wisconsin. office, but he should be amenable to the law notwithstading. An example should be made of him.

Governor Bickett has let it be war service. All matters of the kind presented to him will be published pursuant to the same." heard only upon affidavit and these he will pass on as provided by law. He is right; besides it would be unfair to subject him to all sorts of political twaddle that could be coddled up.

Judge Pritchard's Patriotic Services

Judge Jeter C. Pritchard, former U. S. Senator, is doing patriotic services for his country.

He sees the situation and tells the consequences, should the German fail to be conquered.

In a speech at Wilkesboro the Patriot reports him thus:

"We are not divided, we are unit Time for discussion has passed

All we want to know is that our dear boys are in it. God pity the man who does not wish them well. President Wilson did all he could to pre vent this war. Now we can under stand why he was trying to avoid the awful-consequences that must follow this conflict. * * All who are not our friends are our enemies and should go over and help Germany If we de win, Germany will, a will come here, and then may God have mercy upon American and children!"
