LOCAL NEWS.

A light drizzling rain fell here Tuesday.

Mrs. Arthur P. Williams is quite sick.

Fewer Thanksgiving turkeys were eaten here last Thursday than in many years.

Mr. T. C. Moon, the coal man, is delivering coal this week—half-ton to the customer.

Mrs. Fred Foust was operated on for appendicitis at Rainey Hospital last Thursday. She is reported as getting along nicely.

Some fine hogs have been slaughtered here the past few days. Mr. L. G. Turner of THE GLEANER force killed one yesterday that weighed 408 lbs.

The first sugar here in more than two weeks came in Tuesday. At least three of our grocerymen had some. They sold it out in two pound packages to their customers to make it cover as much territory as possible.

Shot Four Ducks In The Air.

We have heard of a rather remarkable duck shooting that occurred a few days ago. Two brothers went out with their guns. Six ducks were discovered in a stream. The gunners tried to get close enough for a shot but failed. The ducks rose and were about to pass over the head of one of the gunners, who had a five-shooter. He turned loose on them, four shots taking effect and four ducks were falling earthward before the first one hit the ground. The other brother fired at the other two and brought one of them down. The accuracy of the statement is well vouched for and names could be given. With such gunners on the firing line the Kaiser's subjects would stand little show of getting away.

PERSONAL.

Mr. Walter E. Stainback, near Stainback, was in town Monday.

Mr. and Mrs. W. Ernest Thompson returned this morning from their bridal tour.

Mr. J. I. Long, near Prospect Hill, who formerly lived here, was in town yesterday.

Mr. Thos. J. Reavis, Jr., at Camp Jackson, Columbia, spent the latter part of last week at his home here.

Messrs. W. B. Sellers and S. E. Tate of Pleasant Grove township were here yesterday on business.

Miss Lois Poythress, who is a student of Aboville College in Virginia, spent the week-end here with her mother, Mrs. W. G. Poythress.

Prof. M. C. Terrell, County Superintendent of Schools, attended the Teachers' meeting in Charlotte the latter part of last week.

Mr. G. O. Rogers, Supt. of the Graded School at Sanford, spent the latter part of last week with his parents, Mr. and Mrs. Geo. S. Rogers, at their home South of Graham.

Mrs. J. Dolph Long and Master George returned this morning from Philadelphia where the latter was carried some ten days ago for treatment of an injured eye. Mr. Long accompanied them, but returned last Saturday.

Pastor Pounded.

On Saturday night, Dec. 1, the members of the Graham Baptist church gathered at the home of their pastor, Rev. L. U. Weston, and pounded him after the "old-fashioned" way. There were many useful articles, all of which were greatly appreciated. It is an outward expression of the inward feeling all have toward their pastor.

For Rent.

I will rent half of my house for light housekeeping, furnished or unfurnished. For particulars 'phone 382.

At Court at Hillsboro this morning, summoned there as witnesses in a suit brought by the parents of Clarence Sloan against Mr. Peter Hughes, asking for \$3,000.00 damages. When Mr. Hughes lived on his farm near Elon College, Clarence, then about 8 years of age, went to make his home with Mr. Hughes, being placed there by his mother. One day Mr. Hughes went out with his machine to do some mowing. The boy was permitted to go along. While Mr. Hughes was driving the machine the boy, though warned to stay away from the machine, came up unobserved behind the blades, stepped one foot in front of the blades and the foot was cut off just above the ankle. That was some four years ago. Some two years later the boy returned to the home of his mother at or near Hillsboro and a little later the suit was brought.

The case was set for trial this morning, Maj. J. W. Graham representing the defendant. Besides Mr. Hughes and his attorneys, the following witnesses were called from here as witnesses: Messrs. Seymour P. Holt, J. P. Smith, J. D. Moon, W. W. Garrett, R. N. Cook, J. D. Kermode, Junius H. Harden, Chas. D. Johnston, Heenan Hughes and Miss Clara Hughes.

At the time of going to press a verdict had not been reached.

EDITOR GLEANER:

The American Red Cross must double their membership. Not one-fifth of those in Graham who should belong, do belong. By joining the Red Cross the only pledge you take is to pay One Dollar per year so long as you continue a member, and to enroll your name as one of those who want our soldier boys to have proper care while nursing when sick, or wounded. There is no promise on your part to do more than give the dollar, and that you do not before your name is enrolled; and by the payment of this dollar your name is placed upon the roll of those who not only want, but who have helped, to care for our wounded and sick boys. Beginning now, a drive for new members will be made. A list of those now members can be seen in Postoffice. Commencing in next week's issue, we will publish the list of the new members in this column.

Champion Turnip.

Mr. W. H. Bason, near Swensonville, brought THE GLEANER a turnip variety which weighed 8 lbs., top and all, and measured 27-inches around. The fellow that grows large ones hasn't passed this way yet. Mr. Bason had one of the Purple top variety that weighed 7 lbs. He is several paces ahead of the Durham county man who carried one to the Bull City a few days ago which weighed 5 lbs. and 10 ozs. and measured 23 1/2 inches in circumference.

Pistol Toters, Liquor Sellers and Gambler Draw Fines and Road Sentences.

At the Court last week a number of defendants drew fines and road sentences for violations of the law. There were eight for carrying concealed weapons, five of whom went the roads from 30 days to 6 mos., and five paid \$50 fines. Two liquor sellers got 30 days and 12 mos., respectively. Six for gambling paid \$10 each and costs. Four for larceny got 2, 3, 4 and 6 mos. Two fighters got 2 mos. each. One for house-breaking got 1 year. One assault with deadly weapon got 6 mos. For lesser offenses some escaped with payment of costs.

STOMACH TROUBLE AND CONSTIPATION.

Those who are afflicted with stomach trouble and constipation should read the following: "I have never found anything so good for stomach trouble and constipation as Chamberlain's Tablets. I have used them off and on for the past two years. They not only regulate the action of the bowels but stimulate the liver and keep one's body in a healthy condition," writes Mrs. Benjamin Hooper, Auburn, N. Y.

State Food Administrator Wants Names of Dealers Exact Unreasonable Profits for Foodstuffs.

Charlotte News.

"That the North Carolina board of food administration at Raleigh, headed by Henry A. Page, is not a figure-head board, but one of the most active departments in the State at present, and that the board is making the whole State for violators of the food administration rules against profiteering," is the declaration made by John Paul Lucas, executive secretary of the board, who is spending the week-end at his home in Charlotte.

"What is the limit set by the State food administration board on sugar?" Mr. Lucas was asked. "We can't let anything pass where a charge of 11 (eleven) cents is demanded; anything under 11 cents is all right," replied Mr. Lucas. "If sugar is sold under 11 cents, we have nothing to say, but that is our limit."

Asked how the board operated the machinery of price control, Mr. Lucas said the board desired that all cases of profiteering or of supposed profiteering be reported to them, with names given, and that the board, upon receipt of such complaints, immediately warned the alleged profiteer that he must quit right then and there.

"Most of those whom we have occasion to call down," said Mr. Lucas, "have complied at once, so that we have not had to go as far as an indictment or the taking of drastic steps, but it was because they all did stop that we have thus far avoided any extreme measures. We want the people to report to us any cases where there is reasonable evidence that a dealer, grocer or handler of any kind of foodstuffs is, in the words of the food rules, 'EXACTING MORE THAN A REASONABLE PROFIT ON ANY FOOD COMMODITY,' for those who are making such exaction are violating the food laws."

Mr. Lucas said that the machinery of the law, when in practical operation, carried first a warning and then the revoking of licenses, in the case of those doing \$100,000 business or over. In the case of the small grocer, Mr. Lucas said that the food administration would first warn him, and if that did not immediately end profiteering, the wholesalers, jobbers, or any other house selling such small grocer, would be automatically required to cease selling such small grocer.

Boy's Savings to Red Cross.

A thirteen-year-old boy of Cyrus, Minn., has sent his entire savings to the Red Cross, with a letter which said in part:

"I heard that little boys could give their dimes and nickels to the Red Cross. I have saved up dimes and nickels for some years and I am sending all that I have, \$5.23. I am glad that I saved them so they will do some good to the soldiers."
